

## How To Approach A Married Woman Interested In You

Married Women Working Pearl Jephcott 2023-04-25 In the 1950s heated views were sometimes expressed about the alleged social results of married women going out to work. Originally published in 1962 *Married Women Working* attempts to examine the question objectively. It is based on two studies undertaken over a period of nearly five years in a solidly working-class London district – one, a detailed study in the factory of a well-known firm of biscuit makers (Peck Freans) relying mainly on married women workers; the other, a more general one, in the surrounding borough as a whole. How effective was the married woman as an employee? How did the firm cope with their new type of labour and with what results? What was the effect on the woman herself, and on her family, of her attempt to fill the dual role of home-maker and paid worker? These are some of the questions examined in this book, which also gives a very fascinating picture of how people lived at the time, against the background of earlier generations.

*Game* Roosh Valizadeh 2018-08-21 *Game* teaches men a 9-step program for meeting and attracting women in an age when smartphones, feminism, and anti-masculinity propaganda have made connecting with the opposite sex harder than ever. It will help you achieve casual or monogamous relationships while safeguarding you from sexual harassment and rape accusations that have increased due to the spread of social justice and hashtag activism. *Game* was written after the author's 17-year obsessive journey into the art of seducing women. The book begins with... -The 8 beliefs you must internalize to attract women without conscious effort -How to maximize your physical appearance so that most of a seduction is complete before you even begin talking -The hygiene and body flaws that turn women off without you realizing it -8 attraction triggers that cause a woman to be deeply drawn into a man -3 destroyers of attraction that turn off just about all women in their physical prime The biggest chapter is on approaching. Even if you don't have a large social circle, or any friends at all, *Game* teaches you how to have pleasant face-to-face interactions with women. You'll learn... -How to walk out your front door and casually meet women during the day in a way that won't make you anxious -How to meet girls at night in bars, clubs, or on the street -Dozens of word-for-word examples of how to approach women and converse with them -The best way to know that a girl likes you and will show up on a first date -The number one sign that a girl is ready to be kissed so that you never have to worry about being physically "rejected" -How to move things to the bedroom on the same day or night you meet a girl If you're not a fan of casual hook-ups, the book has you covered with a traditional dating program. You'll learn... -How to contact a girl using a text messaging script that gets right to the point of scheduling a date -6 fun date questions to ask that help reveal if she's worth a long-term relationship -6 conversational guidelines that prevent you from running out of things to say -How to "qualify" and tease a girl so that she always sees you as a high-value man -The smoothest way to move things to a private home when she's ready for intimacy -A safe progression to having consensual sex that won't get you in trouble with the law Once you start dating a girl you like, you'll enjoy the chapter on relationships. You'll learn... -How to lovingly mold a girl into your ideal partner while resisting her efforts to train you into a beta male slave -The most important standards you must uphold to maintain the integrity of the relationship -How to regain attraction after your girlfriend becomes distant -6 warning signs that tell you a girl is not worth marriage -How to know if your girlfriend is cheating on you You'll also find two large appendices. They share... -The best way to enter social circles where women will see you as the apex male -How to get intimate with a girl in your social circle so that things don't get weird or awkward -An easy trick to identify which foreign cities contain women that will be most receptive to your look and personality -How to plan for trips that maximize the chance you'll get lucky with foreign women The above only scratches the surface of what *Game* contains. It is seminal work of a hyper-sexualized man who dedicated tens of thousands of hours into understanding women and attracting them while fending off defamatory attacks from mainstream feminists and fake news journalists who want to criminalize healthy masculinity. Whether your goal is to have fun in a big city with lots of women or fall in love with only one before getting married, *Game* will help you accomplish your goals in a way that keeps you safe from degrading cultural winds that continue to divide men and women.

**Illicit Monogamy** William R. Jankowiak 2023-03-28 Angel Park is a Mormon fundamentalist polygamous community where plural marriages between one man and multiple women are common. In contrast to mainstream America's idealization of the nuclear family and romantic love, its residents esteem notions of harmonious familial love, a spiritual bond that unites all family members. In their view, polygyny is not only righteous and sanctified—it is also conducive to communal life and social stability. Based on many years of in-depth ethnographic research in Angel Park, this book explores daily life in a polygamous community. William R. Jankowiak considers the plural family from the points of view of husbands, wives, and children, giving a balanced account of its complications and conflicts. He finds that people in polygynous marriages, especially cowives, experience an ongoing struggle to balance the longing for romantic intimacy with the obligation to support the larger family. They feel tension between deeply held religious convictions and the desire for emotional exclusivity, which can threaten the stability and harmony of the polygamous family. Men and women often form exclusive romantic pairs within plural marriages, which are tolerated if not openly acknowledged, showing the limits of the community's beliefs. Jankowiak also challenges stereotypes of polygamous families as bastions of patriarchal power, showing the weight that interpersonal and social expectations place on men. Offering an unparalleled look at the complexity of a polygamous religious community, *Illicit Monogamy* also helps us reconsider relationships, love, and family dynamics across cultures and settings.

*Find a Good Man and Keep Him* Satch U. Ejike 2008-09 A lady once said that finding a good man is like looking for a needle in a haystack. This is not and should not be the case. True love is all around you if earnestly you desire it. The book suggests functional approaches to true love as an alternative to the hit-and-miss approach that almost always ends in divorce or heartbreak. The book is for the married or single woman. It is for the married woman who, perhaps, already has a good man and necessarily must keep him. It is for the single woman who now is in search of a good man for a lifetime of joyful romance and companionship. The book examines the good man's qualifying attributes, the meaning of romantic love, the concrete manifestations of love and, importantly, how you recognize and sustain true love when it comes your way. *Find a Good Man and Keep Him* is a practical guide that leads you through and away from the hurtful tumbles and stumbles of a failed relationship onto the path of manifest love with a good man.

*Screwing in the Dream Otherwise Called Sex in the Dream* God Almighty 2012-12-05 Christ use the things of the natural to explain the things of the spiritual. He said, if I tell you the things of the natural and you do not understand, how would you understand the things of the spiritual. This book uncovers the true meaning of sex in the dream. Does it really happen to so many people, in the world, both male and female and why. Also see why adultery and fornication is a no no.. Read inside accounts of how I battled with this problem called sex in the dream for thirty nine years, and how GOD delivered me.

*The Secrets of Happily Married Women* Scott Haltzman 2010-12-21 From the authors of the best-selling *The Secrets of Happily Married Men* comes the much-anticipated follow-up book *The Secrets of Happily Married Women*. In their first book, Dr. Haltzman and his coauthor Theresa Foy DiGeronmio outlined a recipe for men about growing a happy marriage: treat marriage with the same sense of purpose, resolve, and single-minded devotion that they have for their job. Although that workplace formula works well for men, an entirely different set of criteria resonate with women. In *The Secrets of Happily Married Women*, Dr. Haltzman tells us stories from real women who are happy in their relationships. These women know how to get more out of their partners by doing less, by not trying so hard to make men perfect, not dragging them to couples therapy, not expecting them to think or behave like a woman. These are women from Dr. Haltzman's clinical practice and culled from thousands of contributors to his Web site [www.HappilyMarriedWomen.com](http://www.HappilyMarriedWomen.com). They have learned to understand how men really work and tap into men's powerful hard-wired desire to please women and "be a better man."

**Break Point** Vince Spadea 2006 Groomed since the age of eight by his obsessive father Vince Spadea, by most accounts'except Andre Agassi's, who called Vince "a journeyman" at age 25'has been a success. At the start of the 2005 season, 19th seed Spadea was the only over-30-year-old player besides Agassi to be ranked in the top-20 on the world professional tennis circuit. Now in his 13th professional season, Spadea gives a riveting account of the ultra-competitive and often hilarious world of a pro tennis player. He battles injuries, coaching and agent changes, and a slight from American Davis Cup captain Patrick McEnroe as he continues his improbable climb back up the rankings. Along the way, he considers taking two months off to appear on *The Bachelor*, practices with a still combative John McEnroe in a New York City tennis club, and prowls LA parties with his buddy, comedian Jon Lovitz, trying to pick up actresses like Natalie Portman and jump start his fledgling acting career. Agassi, Andy Roddick, Roger Federer, Rafael Nadal, Martina Navratilova, Maria Sharapova, Jennifer Capriati, Tim Henman, and Marat Safin are all analyzed in more colourful and personal terms than the tennis media has ever provided. In these pages, Spadea breaks the taboo of the "whatever you see, hear and do here, stays here" locker room mentality.

**Witch Hunt** Richmond West 2009-02-24 Passionate and provocative, this novel faces the issue of our society's sexual McCarthyism head-on, especially as it manifests in abuses of "hostile environment" sexual "harassment" law. Lupe Diego, a lapsed Catholic philosophy professor with a feminine Spanish name, faces accusations after a relationship goes sour. Encountering gender prejudice along the way, plus faced with losing his career, Lupe finds a renewed faith. Even as he sees gay friends fall under a wave charges, when tyrannical sexual ideology rocks the campus...

**The Shy Guy's Guide to Dating** Barry Dutter 2011-04-01 The authoritative guide that will take shy guys everywhere—from the first date to home plate. "Hey baby, what's your sign?" "Come here often?" These lines may work in the movies, but not in real life, and not for the millions of guys too shy to risk their dignity on such flimsy pickup lines. Barry Dutter knows, he used to be a shy guy himself, sitting at home night after night watching television because asking a woman for a date was simply too scary. Not anymore. He's learned dozens of tricks to help shy guys ease into the swing of dating while avoiding humiliating rejections and romantic disasters. Keeping a shy guy's tender ego in mind, he tells guys where to meet women, which ones to approach and which to avoid. Readers will learn what to do with them, and how to act from the first date through commitment time. Filled with hilarious lessons from the pop culture we grew up in, this witty, commonsense guide is a must for everyone who's ever been afraid to try—which means everyone.

wasting your time with a man who isn't your real soul mate. Today is your awakening, your epiphany and new beginning. After reading this book you'll look at men differently and see the man in your life in an objective way and know how he really feels about you.

**So You Want to Get Married?** Nick Sanchez 2013-03-07 If a wonderful and lasting marriage is what you want - this guide's for you! So You Want to Get Married? is a must read for anyone currently in a serious relationship or thinking about entering into one. Initially written for his children, the author writes in a fatherly and personal way about how to avoid major issues that often lead to painful divorces. He also examines serious topics that better help you understand your potential spouse and identify your level of commitment to him/her. Through an insightful and simple process using the fingers of the hand, the author helps you think through and evaluate five critical areas everyone must consider before making a lifetime commitment to an individual. His innovative approach makes it easy for anyone to learn and remember the issues you truly need to address. With your acquired knowledge you will be better prepared to make a decision as to whether he/she is the right one for you - and whether you will have a wonderful and lasting marriage. "This easy to remember set of principles brings clarity to the foggy world of love and marriage. The advice in this book is the most useful I have ever heard. I tell all my single friends about it. I definitely used it when I was dating, and now that I'm happily married, I see things in my husband and I can say, "I knew this was the man I was marrying!" For me it is a great comfort." Tirsa S. Stewart "So You Want to Get Married? is a concise and memorable checklist of five of the most important aspects to consider in a mate before making the big decision of marriage. It helped me sift through many different candidates as I searched for the man of my dreams. Now that I am living my fairy tale with him, I continue to share the five finger analysis with all my single friends in hopes that they will also be able to find a wonderful, loving companion to spend life and eternity with." Arisa S. Field "The "Five Fingers" theory is what taught me what is essential to a good marriage. It does not teach that everyone needs to be perfect--to the contrary, it teaches that all people have flaws and that is normal. The question is whether you are willing to accept and live happily with the "flaws" of the one you are considering spending the rest of your life with. These are five things that no man/woman should look past when considering marriage." Azalea S. Klein "It was hard growing up without ever having a boyfriend until I was 23. But the five finger rule is what kept me from settling! I now see that I avoided a lot of heart ache and bad choices by never getting serious with someone who didn't meet my basic five finger criteria. I am also grateful that while my husband is not perfect, I did get all five fingers... even the pinkie!". Stacey S. Carruth

**The Surrendered Single** Laura Doyle 2009-11-24 THIS CONTROVERSIAL APPROACH TO DATING HAS GIVEN THOUSANDS OF SINGLE WOMEN EVERYTHING THEY NEED TO ATTRACT ROMANCE, INTIMACY, AND A MARRIAGE PROPOSAL. Surrendered Single doesn't have to look for Mr. Right -- she attracts him. The principles presented in The Surrendered Single are simple: When you try to control who asks you out and when a man will call, or if you try to corner him into a commitment, you drive him away. When you let him woo you instead, you enjoy the pleasure of being pursued. You feel confident and feminine. Dating becomes fun again. Marriage follows. You stop going it alone. Practical and compassionate, The Surrendered Single is a step-by-step guide that shows you how to: ASK MEN TO INVITE YOU OUT SO THAT YOU ALWAYS HAVE A DATE AVOID THE REMORSE OF "I WISH I HADN'T SAID..." BECOME YOUR BEST SELF AND ATTRACT GOOD MEN Whether you're recovering from a breakup or a divorce, are on the dating scene, or want your romance to deepen, The Surrendered Single will bring you the relationship you desire with a man you love -- and who loves you.

**Beyond the Synagogue Gallery** Karla GOLDMAN 2009-06-30 Beyond the Synagogue Gallery recounts the emergence of new roles for American Jewish women in public worship and synagogue life. Karla Goldman's study of changing patterns of female religiosity is a story of acculturation, of adjustments made to fit Jewish worship into American society. Goldman focuses on the nineteenth century. This was an era in which immigrant communities strove for middle-class respectability for themselves and their religion, even while fearing a loss of traditions and identity. For acculturating Jews some practices, like the ritual bath, quickly disappeared. Women's traditional segregation from the service in screened women's galleries was gradually replaced by family pews and mixed choirs. By the end of the century, with the rising tide of Jewish immigration from Russia and Eastern Europe, the spread of women's social and religious activism within a network of organizations brought collective strength to the nation's established Jewish community. Throughout these changing times, though, Goldman notes persistent ambiguous feelings about the appropriate place of women in Judaism, even among reformers. This account of the evolving religious identities of American Jewish women expands our understanding of women's religious roles and of the Americanization of Judaism in the nineteenth century; it makes an essential contribution to the history of religion in America.

**The Game Changer** Franklin Veaux 2015-09 To make an open marriage work, Franklin and Celeste knew they needed to make sure no one ever came between them. That meant no overnights, no falling in love, and either one of them could ask the other to end an outside relationship if it became too much to deal with. It worked for nearly two decades--and their relentless focus on their own relationship let them turn a blind eye to the emotional wreckage they were leaving behind.

**How to Be the Wife That Every Good Man Wants to Find** Sharita Leon 2013-02-21 In a world where wrong is right, and what's right becomes wrong, especially when it pertains to dating, and marriage; Sharita annihilates the myths and tales the world has tried to make us believe. In "How To Be The Wife That Every Good Man Wants To Find" you will be taught the true purpose of dating, how to prepare for marriage, how to weed out all of the counterfeit men that come before Mr. Right, and you will learn how to transform your thinking from being a girlfriend, to a wife, all while being God centered! Sharita's tough love approach, will challenge readers to not merely read each word, but follow through with what Sharita calls "practical step" exercises, to ensure a valid change occurs for each reader. This book highlights why every woman should know how to cook, look good for herself and her future boo, but most importantly, makes sure she becomes a wife, and NOT a forever girlfriend! *No Ordinary Time* Doris Kearns Goodwin 2008-06-30 Doris Kearns Goodwin's Pulitzer Prize-winning classic about the relationship between Franklin D. Roosevelt and Eleanor Roosevelt, and how it shaped the nation while steering it through the Great Depression and the outset of World War II. With an extraordinary collection of details, Goodwin masterfully weaves together a striking number of story lines—Eleanor and Franklin's marriage and remarkable partnership, Eleanor's life as First Lady, and FDR's White House and its impact on America as well as on a world at war. Goodwin effectively melds these details and stories into an unforgettable and intimate portrait of Eleanor and Franklin Roosevelt and of the time during which a new, modern America was born.

*Why Men Don't Marry* Bianca Gold In this modern world, women are finding to be more difficult to get a good husband, much less a good boyfriend. Good men seem to be scarce and hard to find. But what could we say about good women? And is it true that men don't want to get married because they are afraid of commitment, or simply because they don't like any of the choices presented to them? Do men really prefer bitches? And how far can feminism go, if men simply do not accept the new trends into which feminism has led women? This book intends to answer all these questions and much more. Finally, you will understand the truth of why men don't want to get married anymore, and what you can do about it, what kind of transformations and actions you can follow in order to make a man marry you. This book was written for modern women, women who know what they want, and are ready to fight for it. This book is surely for you, because it is based on true stories, and will show you exactly what you need to do in order get married with the man of your dreams.

**It's Not You, It's Him** Georgia Witkin 2006 This book will make dating fun again—and help you find the love you always dreamed of "Why is this book for single women? Because we think about relationships, and talk about relationships, much more than single men do. And when things go wrong, we're also much more likely to blame ourselves! We ask ourselves, "What's wrong with me?" "What did I do?" "What should I have done differently?" Well, maybe, just maybe you are not the problem. Maybe, just maybe, you'd still be single even if you were perfect. Maybe the men you're meeting have the problems. Maybe it's not you, it's him! Actually, there's no maybe about it. Your aunt in Florida, your married brother, and your gym friends are wrong—you are not single because you're too picky, too pushy, or a princess. Besides, even if you were, picky, pushy princesses get married every day. And so will you. So let's get real and get you the life you want." --Dr. Georgia Witkin, from... *It's Not You, It's Him* You're smart and cute and fun to be around. So naturally you wonder why you're still single. Well, here's a news flash: *It's Not You, It's Him!* In her upbeat new "rules" for finding lasting love, Dr. Georgia Witkin shows that the secret to dating without all the pain is to assume that you are perfectly lovable exactly as you are. When a good date goes bad, the problem is never you. It's him! Suddenly dating is so simple. You will never again ask "why didn't he call?" It doesn't matter. You will never ask, "How should I change?" You don't have to. Instead you will do what you want, go where you want, wear what you want, and it will only make you more perfect. You will take everything dates say and do as information about them—not you. You will have zero tolerance when you're getting zero. You will feel happy, in control, and actually enjoy dating again. And before too long, the new you will fall wildly in love with a man who is just perfect enough to find you irresistible.

*Relationship Advice for Women: Learn How to Keep a Man, Get Him Back After a Break Up, How to Seduce Men and Make Men Want You* Christopher Harris 2017-09-20 Love is subjective, most think we need external love from another person in order to survive and be happy in our own life, but for true happiness, we first need to be happy from within. Love, attraction, being able to keep somebody in your life and attracted to you is about much more than tips, tricks and strategies, it's about developing self-love and drive, putting goals in place and changing your mind-set. Once you work on and put all these things in place, you have the tools to create an extraordinary life for yourself. Many people go into a relationship and seek happiness from their partner, whether it's how beautiful or successful he or she is or they just want to be treated in a certain way usually to make up for something they're lacking. When you approach a relationship like this, you'll expect your partner to consistently show up in a certain way to make you feel some-what special and when you see that they don't, you're going to be pissed off and upset. When you have success in many aspects of your life, it gives you a deep sense of happiness from within, that you don't need to inherit from another person. Essentially, when you get to the place where you don't need anybody in your life, you become a lot more attractive and desirable, because your sense of worth increases naturally and people can pick up on it.

Christopher Harris is a relationship coach and has a passion for helping others to overcome barriers to their happiness. He specialises in psychology and has a wealth of experience helping both men and women to become successful with the opposite sex. The contents inside *Relationship Advice for Women*, offers a wealth of knowledge on how as a woman, you can become irresistible to men, how to attract and keep a guy's interest levels high and even how to get an ex-partner back. It allows you to become aware of the mistakes, your behaviour and bad decisions you've made during past relationships. The book is also designed to give you a thorough understanding of why you think and act in such a way as to turn guys off. There are tried and tested techniques inside which are very powerful tools that you can implement into your everyday life to either get a partner back or attract the next great love of your life. The book isn't solely designed to attract a guy or get an ex-back, rather it's about helping you to grow as a human being and to develop happiness in all

aspects of your life, so that you're in a position where you don't feel you need anybody, but want somebody to share your happiness and completeness with. At the end of the day, it's only when two people meet that are both happy and complete individuals, that just want to share their completeness with each other, that a relationship is sure to blossom and continue to grow into something grand.

*Women Who Win at Love* Suzanne Venker 2019-10-08 Why Are You Throwing Your Feminine Power in the Trash? Do you ever wonder why some women find husbands easily while others do not? Have you ever asked yourself why some marriages last while others don't? Is your marriage struggling despite your best efforts to keep it together? Women who win at love don't have a gift you don't have. What makes them unique, explain author and relationship coach Suzanne Venker and anthropology professor John M. Townsend, Ph.D., is that they aren't at war with the men in their lives. Women who win at love reject the concept of sexual equality and embrace male and female nature instead. If you're tired of being single, divorced, or unhappily married, and if you're willing to step outside your comfort zone to find lasting love, even if it means accepting controversial truths, this is the book for you. You know how to win at almost everything else. Isn't it time for you to win at love? In *Women Who Win at Love*, you will learn: the foolproof secrets of dating that lead to marriage how to embrace the way the sexes are naturally wired why your financial success may be undermining your chances at lasting love why love isn't enough to make a marriage work to be secure in your knowledge of how love works

The Law Times Reports of Cases Decided in the House of Lords, the Privy Council, the Court of Appeal ... [new Series]. 1886

*Why Men Marry Some Women and Not Others* John T. Molloy 2008-12-14 A groundbreaking book--based on years of the same thorough research that made the "Dress For Success" books national bestsellers--about how women can statistically improve their chances of getting married.

**Get a Man, Keep a Man** Shei Atkins 2010-05 So the "BIG QUESTION" has been popped and you're contemplating on your glorious walk down the aisle with all of the marital bliss to follow. While entwined in the whirlwinds of event planning, you hear a quieting in your soul, and then poses the "other big question" - Will we last? Often, ladies, it's so easy to become enthralled by the "idea of marriage". Finding that special someone to "sweep you off of your feet" becomes the goal and soon distorts the idea that matrimony is not just a gesture, but rather a journey to be embarked upon, and what's more a "responsibility". As time begins to age and the anticipation grows, PONDER NO MORE. Author, Shei Atkins has well written and laid out all of the effective tools you need to not only "Get" your man, but "Keep" your man. Bearing ten solid chapters, "Get a Man, Keep a Man" is bound to become the book that single and married women alike won't leave home (or plan for a date, for that matter) without. Shei takes you on a journey from start to finish in this instructional masterpiece. She takes the "First things First" approach and begins Chapter one with all the preliminaries and preparations needed for a successful relationship. This is an extremely encouraging and uplifting work that bears a powerful message as the author so tenaciously strolls her way point by point through the chapters without apology. Asking very daring questions such as "What if your man cheats?", and "Is he the one?" will definitely prevent you from making the biggest mistake of your life, but most importantly gear you up for the life and marriage you've always dreamed about. This book is the answer to all the questions you would like to know regarding keeping him close and you have it first hand from the author's experience. It's a wonder the book is so profusely and profoundly written. Shei is currently enjoying an almost nine-year run of marriage to her husband and best friend Drathoven. Ladies If you're ready for the authenticity of love's principals, purchase this book and have a one on one with Shei Atkins and she will tell you exactly how to "Get a Man. And Keep a Man".

**How to Be a 3% Man, Winning the Heart of the Woman of Your Dreams** Corey Wayne 2017-06-22 This book teaches men how to completely understand women in the dating world and long term relationships so they can meet and date the woman of their dreams. **HOW TO WOO A WOMAN** Suzy Reynolds 2022-03-09 In the last two centuries women have gotten more and more independent, gone are the days when women have no say about issues that directly affects them, like whom to date or marry or whether to go to school or not. The days of arranged marriages are forever gone in most societies, even in societies where it still holds the women's resistance to arranged marriage is hugely increasing daily, as they are getting more aware. As more women become independent, successful and enlightened, some men find it difficult to seek the affection or love of the woman they desire. As suggested in the name woman, a woman should be wooed and a man should be seduced. Wooing is one of the jobs that a man must do at least once in his lifetime. A man that does not want to do this job should not expect to be loved or be in a romantic relationship with a woman. Strategizing is a good way of getting a desired outcome, seeking the affection or love of a woman is no different, because with proper strategy and careful planning you can

effortlessly melt the heart of the hardest woman. Men think that getting a woman a gift is all it takes but it takes more than that, a woman wants to be appreciated and loved for who she is not for what you can get from her. Every man wants to know the secret of attracting women. Most men make it harder than it is. Every day, I hear men complain about how complicated women are. The fact is that not all women are complicated; these men are just making a mountain out of a mole hill. In this report, I will tell you what kind of women there are and what they want; knowing what women want, helps you plan and strategize on how to attract them. I will also tell you how to woo the woman of your dreams. Let's get started.
