contributed to the man he has become. Each piece brings consciousness

to parts of a woman that ought to be glorified, qualities men sometimes neglect in relationships; while making both men and women aware that who they become has a direct correlation with who they've been with. Pierre allows readers to see where he missed it before in a way that is uplifting not only to the reader but also the women of his past. This literary piece is filled with hope and will salivate the soul of those waiting on love.

Why Men Marry Bitches - Sherry Argov 2006-06-12

Love and marriage, romance and intimacy...everybody wants it, but it seems only the select few get it. Never shy and always laugh-out-loud funny, Sherry Argov's *Why Men Marry Bitches* is a sharp-witted manifesto that shows women how to transform a casual relationship into a committed one. Dating can feel like a contact sport and modern mating rituals can be impossible to decode, with little consensus on the rules of engagement and both sides tired of the game. What's an intelligent woman looking for a devoted relationship to do? Glad you asked... With the grittiest of girlfriend-to-girlfriend confidence, Argov removes the kid gloves (knocking off your rose-colored glasses in the process) and explains why being extra nice won't necessarily get you that wedding you've always dreamed of, and is more likely a sure path to disappointment. Going directly to the source in candid interviews, she shares an enlightening look into the psychology of the male mind. Insightful, empowering and hysterical, this indispensable guide will reveal in honest detail: *How do men manipulate a relationship to keep it

casual? *Do men deliberately push women's emotional buttons? *How can she convince him commitment was his idea? *How can she invite a proposal without saying a word? More than a self-help manual, this is a life skills handbook that both men and women can relate to, whether single, newly courting, recently separated or ready to embark on the next level of commitment in a current relationship. Why Men Marry Bitches will reveal how to set healthy boundaries, embrace your independence and take charge of your own happiness, so that you exude the kind of sexy confidence that will win his heart and get the love, respect, and loving relationship you deserve.

Untamed - Glennon Doyle 2020-03-12

'This book will shake your brain and make your soul scream. I am so ready for myself after reading this book!' Adele 'Untamed will liberate women - emotionally, spiritually, and physically. It is phenomenal.' Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* Who were you before the world told you who to be? Part inspiration, part memoir, *Untamed* explores the joy and peace we discover when we stop striving to meet the expectations of the world, and instead dare to listen to and trust in the voice deep inside us. From the beloved New York Times bestselling author, speaker and activist Glennon Doyle. ***** For many years, Glennon Doyle denied her discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There. She. Is. At first, Glennon assumed these words came to her from on high but soon she realised they had come to her from within. This was the voice she had buried beneath decades of numbing addictions and social conditioning. Glennon decided to let go of the world's expectations of her and reclaim her true

untamed self. Soulful and uproarious, forceful and tender, Untamed is both an intimate memoir and a galvanising wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is also the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honour our anger and heartbreak, and unleash our truest, wildest instincts. Untamed shows us how to be brave. And, as Glennon insists, 'The braver we are, the luckier we get.'

A Doll's House - Henrik Ibsen 2022-09-23

When *A Doll's House* was first published in 1879 it created a sensation. The play follows the ordinary life of a housewife. Gradually the tensions within her marriage become clear and build to a final, stunning action. The play is widely studied because of its sharp critique of 19th century marriage norms, and its feminist tendencies. As part of our mission to publish great works of literary fiction and nonfiction, Sheba Blake Publishing Corp. is extremely dedicated to bringing to the forefront the amazing works of long dead and truly talented authors.

The Lover You Have Been Missing - Acharya Prashant 2015-01-01

The Lover you have been missing is one of its kind, a book that talks of the essence of Love. Till now we have found love to be referred in personal aspects or rather, as an image or person. The author has vividly talked of the Love that is universal, beyond persons and images. The Love that is your true nature. The Love that once tasted, becomes one with you. He retorts on how love has been brought down to a 'rotten' definition by us. He talks on an immersion in love that brings courage and completeness with it. He shatters all the misconceptions and conceptions around Love, beautifully elucidating how men and women stand at two ends of duality. Author, sensationally, breaks all 'images' associated with love and brings you to Love in its truest form.
