In the Shadow of Young Girls in Flower - Marcel Proust 2019-02-07

In the Shadow of Young Girls in Flower is Proust's spectacular dissection

of male and female adolescence, charged with the narrator's memories of Paris and the Normandy seaside. At the heart of the story lie his relationships with his grandmother and with the Swann family. As a meditation on different forms of love, *In the Shadow of Young Girls in Flower* has no equal. Here, Proust introduces some of his greatest comic inventions, from the magnificently dull M. de Norpois to the enchanting Robert de Saint-Loup. It is memorable as well for the first appearance of the two figures who for better or worse are to dominate the narrator's life - the Baron de Charlus and the mysterious Albertine. First published in 1919, *Within a Budding Grove* was awarded the Prix Goncourt, bringing the author immediate fame. In this second volume of *In Search of Lost Time*, the narrator turns from the childhood reminiscences of Swann's Way to memories of his adolescence. Having gradually become indifferent to Swann's daughter Gilberte, the narrator visits the seaside resort of Balbec with his grandmother and meets a new object of attention - Albertine, "a girl with brilliant, laughing eyes and plump, matt cheeks."

The Dateable Rules - Justin Lookadoo 2004-02-01

Take Wild at Heart by John Eldredge and *The Mystique of a Woman* by Jean Lush and turn it into something that gets the attention of busy teens and you begin to understand *The Dateable Rules*. This interactive guide takes up where *Dateable* left off and walks teens through the Bible's insights about men and women. Guys will learn that God loves adventure and that there's a difference between a spiritual and a physical adventure. They'll also learn how to be a gentleman (open her door and carry the box of leftovers from dinner, etc.) Girls will learn that beauty is defined by God, not supermodels, and that if they talk too much, they lose. They learn the secrets of staying confident and letting a guy lead. **How It Works:** Bible Study: a study that can be used by an individual couple or a whole youth group. **Focus Group:** a time when guys and girls get the lowdown on each other's gender. Guys and girls or groups can talk about what they learned in the week's study and discuss the truths of Scripture. **Workbook:** offers lots of things for readers to do, from writing down all the bad things they have said about another person and confessing them to God to going back to the point in time when their femininity or masculinity was squashed and allowing Jesus to redefine that moment. Each section is filled with interactive activities that help students better understand God's plan for men and women. *The Dateable Rules* isn't about teens getting more dates; it's about learning to understand the opposite sex and making good choices based on the truth!
