Politiquette - Nadia Asencio 2015-11-12
Partisanship is destroying the U.S. Whether you're an Independent fed up with your lack of representation in Washington, a moderate Democrat or Republican disappointed by the repeated failures of your party, or a Millennial whose disenchantment with our current political system has turned into apathy, you have options

and the power to turn things around; in fact, We the People have an obligation to do so. But we can't change the current state of affairs until we realize that we're part of the problem: feeding into the fiction of the two party system and fighting amongst ourselves, even as our government creates policies to benefit its corporate friends at the expense of people everywhere. While no one can do everything, we can each do something; our nation's fate in the new millennium depends on it. The first step is effective communication. The first step, is Politiquette.

Behold - Bethsheba Ashe 2021-07-21

Would you like to be able to read hidden messages in the Bible and other occult texts? Gematria is so much more than people think it is today. Real Gematria is not about cherry-picking numbers and comparing them to one other. Real Gematria (in the Bible) was a formal system of early mathematics. That means it had known

rules and conventions, like our system of math does today. Gematria is a beautiful and ancient art that is a crucial key to biblical interpretation and occult symbolism. If you've ever wondered why Adam and Eve had to leave the garden of Eden? Or how Moses parted the red sea? Or whether the story of Elijah riding the fiery chariot to heaven was real? The answers are in the gematria. Behold: The Art and Practice of Gematria is the most advanced and thorough study of gematria ever published to date. It is at once a student handbook, a history, and an invaluable reference. Written by the creator of the Shematria Gematria Calculator, and referencing the latest professional scholarship, 'Behold' includes everything you need to find and read hidden gematria messages for yourself. 300 pages - illustrated - full color
