NEW YORK TIMES BESTSELLER • “Alternatingly heart-pounding and heartbreaking. This collaboration between two best-selling authors seamlessly weaves together Olivia and Lily’s journeys, creating a provocative exploration of the strength that love and acceptance require.”—The Washington Post GOOD MORNING AMERICA BOOK CLUB PICK • PEOPLE’S BOOK OF THE WEEK • ONE OF THE BEST BOOKS OF THE YEAR: PopSugar Olivia McAfee knows what it feels like to start over. Her picture-perfect life—living in Boston, married to a brilliant cardiothoracic surgeon, raising their beautiful son, Asher—was upended when her husband revealed a darker side. She never imagined that she would end up back in her sleepy New Hampshire hometown, living in the house she grew up in and taking over her father’s beekeeping business. Lily Campanello is familiar with do-overs, too. When she and her mom relocate to Adams, New Hampshire, for her final year of high school, they both hope it will be a fresh start. And for just a short while, these new beginnings are exactly what Olivia and Lily need. Their paths cross when Asher falls for the new girl in school, and Lily can’t help but fall for him, too. With Ash, she feels happy for the first time. Yet she wonders if she can trust him completely. . . . Then one day, Olivia receives a phone call: Lily is dead, and Asher is being questioned by the police. Olivia is adamant that her son is innocent. But she would be lying if she didn’t acknowledge the flashes of his father’s temper in Ash, and as the case against him unfolds, she realizes he’s hidden more than he’s shared with her. *Mad Honey* is a riveting novel of suspense, an unforgettable love story, and a moving and powerful exploration of the secrets we keep and the risks we take in order to become ourselves.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life

around for the better. I hope it does the same for you.

Unprotected - Miriam Grossman 2007-08-28

Our campuses are steeped in political correctness—that's hardly news to anyone. But no one realizes that radical social agendas have also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has treated more than 2,000 students at one of America's most prestigious universities, and she's seen how the anything- goes, women-are-just-like-men, "safer-sex" agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students problems can be solved with free condoms and Zoloft. What campus counselors and health providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in their most vulnerable and confused moments. Instead of platitudes and misinformation, it's time to offer them real protection.
