Healthy Is the New Skinny - Katie H. Willcox 2017-01-17

We live in a world where beauty is everything. Society tells us that if we just looked a certain way, if we had the right products, if we were skinny enough, then we would be enough —we would have value. Society is wrong, but it took Katie H. Willcox years to understand this: “Over the course of my 30 short years, I have both worked as a professional model and been the exact opposite of our culture’s beauty ideal. I have struggled with my weight and felt like I didn’t and never would fit in. Then I had a powerful realization: my misery and self-loathing didn’t change with my weight or how ‘pretty’ society thought I was, so my looks weren’t the source of happiness and worth that I had believed them to be. But then, what was? And how had I come to invest so much of myself in beliefs that were so untrue?” In these pages, Katie shares the lessons she learned in her journey to find the answers to these questions. She reveals who gains from our feeling small and why we need to examine the messages we receive from our culture and our families. She explains how we can redefine beauty, make healthy the new “skinny,” and harness the power of our thoughts to choose self-love. Katie encourages us to discover our true magnificent selves, find our purpose, and pursue our dreams —and help others to do the same. Join the movement! Called to Speak - Edna Ellison 2017-01-02

As a speaker or teacher, you want nothing more than to have an effective impact on your audience. Your heart longs for them to walk away feeling as if they have just had a life-changing revelation. In order for that to happen though, there are simple principles you as a speaker need to employ in your ministry. *Called to Speak* is a valuable collection of essential principles to help you grow into the effective, life-changing orator God wants to empower. *Called to Speak* uniquely addresses the practical call of a communicator to speak for the kingdom of God. Based on years of experience by two veteran women's ministry speakers, *Called to Speak* is peppered with personal stories and encouraging Scripture. Containing practical tips, each chapter also ends with inspiring questions to help the existing women’s ministry teacher and speaker hone their skills while at the same time helping novice speakers answer the call to speak or teach. *Called to Speak* is a companion resource to *Called to Write*, also published by the same authors with the intent of helping writers refine their missional focus through the written word.

Let Me Continue to Speak the Truth - Elizabeth Loentz 2007

In 1953, Freud biographer Ernest Jones revealed that the famous hysteric Anna O. was really Bertha Pappenheim (1859-1936), the prolific author, German-Jewish feminist, pioneering social worker, and activist. Loentz directs attention away from the young woman who arguably invented the talking cure and back to Pappenheim and her post-Anna O. achievements, especially her writings, which reveal one of the most versatile, productive, influential, and controversial Jewish thinkers and leaders of her time.
