A little boy tries to kiss a little girl. No big deal. The little girl gets away and sends the little boy packing. Nothing more than an anecdote amongst many others of any normal childhood. But if this event takes place at school in a Socialist republic, half way through a propaganda movie, years before the wall is even showing the slightest sign of giving out... Well, it's asking for trouble. This is the story of two children in a society in which paranoia and obsessive control mean that even the most innocent gesture can be blown completely out of proportion.

The Kiss of '89 - Ruth Hanson 2022-11-12

Wesley Peters is the dream boy of Duffer Springs, Colorado. Part of the graduating class of 1989, Wes plans to finish out his senior year on top of the world. The night he's crowned prom king, he finds out his dad, a well-respected financial advisor for their small community, has been arrested for bank fraud. Overnight Wes goes from prom king to pariah. Drowning in legal fees and bills, Wes and his mother move out to the boonies, where Wes is all but isolated from his old friends. He's lost his scholarship, his social status, and his relationship in one fell swoop, promising him the worst summer of his life. After embarrassing himself at

a party he wasn't invited to, Wes takes the long way home. In doing so, he runs into Nicholas Hoffman, his new neighbor a few blocks down. Nicky is a high school dropout who fronts a local metal band called Blüdsucker. As they spend more time together, they become friends, and soon, fall head first into summer love. When a local college quarterback decides to set his sights on Wes to take revenge for the sins of Wesley's father, Nicky just might be the only friend Wes has left in the world.

Daddy was a German Spy - Brian Edwards 2008-09-29

This engaging memoir covers the first 25 years of Brian Edward's life in Northern Ireland during the 1940s and 1950s. His father abandoned his wife and son in dramatic circumstances when Brian was still a baby. He grew up in 'lodgings', often cared for by landladies who were mad, bad or simply sad, while his mother was at work. In his early teens Brian desperately tried to track down his mysterious father but to no avail. Years later he discovered that he had at least one half-sister and that his father may well have been a German spy, a bigamist and a charming con-man who embezzled funds from numerous employers. While Brian's relationship with his parents and their extended families lies at the heart of this book, Daddy was a German Spy is also a funny, poignant and intriguing story about growing up in Northern Ireland.

She got the place with the help of Al Capone and now it's payback time. Soon Moose is caught up in a terrible cycle of secrets and favours that threatens to destabilise his entire family in this nail-biting, edge-of-your-seat novel.

So You Wanna Kiss a Girl... - Chris Gaucher 2016-10-18

Liam is your typical whimsical, random, twelve-year-old boy. He likes music, video games, hanging out with his friends... and girls. His concerned mom wants to be sure he is prepared for this new stage of his life so she assigns him a task that makes doing dishes seem like a walk in the park: In exchange for screen time, Liam has to write a book about boy/girl relationships! His mom plans on giving him a weekly lesson about girls over the 10 weeks of summer vacation. He has to turn those lessons into 10 chapters that will help boys make sense of the confusing world of girls. What choice does poor Liam have? Of course, nothing ever goes as planned. By the time his book is actually finished, more than a year has passed and Liam has learned a thing or two about girls all on his own. With all the wry humour and often sarcastic wit of a teenage boy, *So You Wanna Kiss a Girl* will educate its young male readers even as it entertains.

How to Kiss a Girl for the First Time - Jessica James 2016-08-05

The Art of Kissing has been written and talked about for years. A kiss is not just a kiss; it may even be a relationship breaker. There are studies that show a woman is more likely to remember the details of her first kiss than her first sexual experience and that puts an awful lot of pressure on a guy to perform well. There's a lot of advice about kissing out there but most of it assumes you've already made it past the first kiss, and a lot of the advice is completely wrong - Grab a tit and hold your breath - will only get you a slap in the face or even a knee in the groin. Let's face it, going for that first kiss can be an ordeal. But fear no more! In 'How To Kiss A Girl For The First Time, ' Jessica James gives you tips about kissing to keep you relaxed and confident while your lady will be left breathless. From pucker preparation to timing and 'teasing' to the kiss itself, Jessica will guide you to pleasurable success.

[Kissed the Girls and Made Them Cry](#) - Lisa Bevere 2002-04-14

How far can I go? It's the question of a generation wanting straight answers. Often the very questions we ask reveal our hearts better than anything else. In *Kissed the Girls and Made Them Cry*, Lisa Bevere tackles these tough issues by moving us from rules to relationship. There is no question we need a renewal of purity, but what we're doing is not working. How far can you go? Ask yourself: What do you ultimately want? Immediate and temporary gratification that wanes with the passage of time? Or passion and exclusive intimacy that endures and intensifies? God wants to move us beyond the restraint of the law (which arouses sin) and plant us into a garden of longing -- where our sexuality and passion is carefully guarded and cultivated until the time for its awakening. This is a book for every daughter in waiting and every woman who has never known desire in her life and marriage.

Never Ask For A Kiss - Abhishek Bhaskar Vichare 2022-11-15

What's the big deal about just one kiss, Ruchi? What's wrong if I want to take our relationship a step forward? Ruchi loved Anuj with all her heart, but what happened that night at the New Year's Eve party left her stunned. She just wanted to have a good time. Then how did it spiral so badly out of control? Anuj adored his best friend-turned-girlfriend Ruchi, and the past few months with her have been the best ever. All he wanted was a small kiss as the world welcomed the new year. Where did he go wrong? A chance meeting with Aarya, the dynamic woman who is a role model to many across the world, sets Anuj off on a journey of self-discovery and understanding relationships. Even as Aarya opens up about events that changed the course of her life, the hesitation and pain behind her brave smile is a mystery. Will Aarya's truth change Anuj's relationship with Ruchi? NEVER ASK FOR A KISS is a riveting read that dives deep into the understanding of relationships, and the importance of consent. This is a poignant story that will make you laugh out loud and simultaneously think deeply about the small things that we take for granted in our

lives and relationships.

The First Kiss - Edward Gheen 2018-11-03

The First Kiss A Short Story of Lost Love By: Edward Gheen Edward Gheen's The First Kiss: A Short Story of Lost Love is a memoir of growing up in the outback of Idaho and Oregon in the 1940s. His story is told through the many different and unique relationships he forged throughout his life: the loves found and the loves lost.

I Kiss Girls - Gina Harris 2017-03-21

Joanie's got all of the problems of an almost seventeen-year-old girl. She's trying to get her driver's license, her mom and dad are pressuring her about going to prom, and she never can seem to make it to the bus on time. Even worse, Joanie likes girls, not boys, and all of the girls in her hometown are pretty darned straight. Her best friend, Zane, can attest to that - he never has trouble getting a girl, even if he's not interested in the freshmen who swarm around him. When new-girl Kate shows up at school needing tutoring in math and chemistry, Joanie figures Zane will get the date, like he always does, and that makes life even more difficult. Joanie's in for a surprise, though, because Kate doesn't fall for her good-looking best friend. In fact, Kate seems to like girls, too, and things get a little scary when Kate asks Joanie out on a date. Somehow, Joanie knows if she says yes to Kate, things will change forever. Can she manage to pass her driving test, get to prom, and come out to her parents the way Kate wants her to? Or will Joanie's seventeenth birthday be the worst day in history?

Girls Can Kiss Now - Jill Gutowitz 2022-03-08

"Wickedly funny and heartstoppingly vulnerable...every page twinkles with brilliance." —Refinery29 Perfect for fans of Samantha Irby and Trick Mirror, a hilarious, whip-smart collection of personal essays exploring the intersection of queerness, pop culture, the internet, and identity, introducing one of the most undeniably original new voices today. Jill Gutowitz's life—for better and worse—has always been on a collision course with pop culture. There's the time the FBI showed up at her door because of something she tweeted about Game of Thrones. The pop songs that have been the soundtrack to the worst moments of her life. And of course, the pivotal day when Orange Is the New Black hit the airwaves and broke down the door to Jill's own sexuality. In these honest examinations of identity, desire, and self-worth, Jill explores perhaps the most monumental cultural shift of our lifetimes: the mainstreaming of lesbian culture. Dusting off her own personal traumas and artifacts of her not-so-distant youth she examines how pop culture acts as a fun house mirror reflecting and refracting our values—always teaching, distracting, disappointing, and revealing us. Girls Can Kiss Now is a fresh and intoxicating blend of personal stories, sharp observations, and laugh-out-loud humor. This timely collection of essays helps us make sense of our collective pop-culture past even as it points the way toward a joyous, uproarious, near—and very queer—future.

Right Woman, Right Now! - Paul Kerton 2005

No girlfriend? No problem. This book will help you find one. There are many books aimed at telling women how to get the man of their dreams but remarkably few that give men advice on attracting the women they want. Paul Kerton's book is packed with invaluable tips on meeting, dating (and bedding) the most desirable women. It's for every man who has spotted a beautiful girl across a crowded room at a party, in

the office even walking down the street but has lacked the confidence to approach her. The book is not just about finding and seducing the woman you want; it's also about satisfying her in and out of bed, so that a brief fling can become a long-term relationship."

Brown and Gay in LA - Anthony Christian Ocampo 2023-09-05

The stories of second-generation immigrant gay men coming of age in Los Angeles Growing up in the shadow of Hollywood, the gay sons of immigrants featured in Brown and Gay in LA could not have felt further removed from a world where queerness was accepted and celebrated. Instead, the men profiled here maneuver through family and friendship circles where masculinity dominates, gay sexuality is unspoken, and heterosexuality is strictly enforced. For these men, the path to sexual freedom often involves chasing the dreams while resisting the expectations of their immigrant parents—and finding community in each other. Ocampo also details his own story of reconciling his queer Filipino American identity and those of men like him. He shows what it was like for these young men to grow up gay in an immigrant family, to be the one gay person in their school and ethnic community, and to be a person of color in predominantly White gay spaces. Brown and Gay in LA is an homage to second-generation gay men and their radical redefinition of what it means to be gay, to be a man, to be a person of color, and, ultimately, what it means to be an American.
