Darkest Fears Trilogy: A Contemporary Romance Box Set/ Drama/ Suspense/ Thriller - Clair Delaney
2020-10-11

Fallen For Him (Book One) Life has seldom been kind to Coral Stevens. Yet after years of hard work, therapy and friends, she is standing on her own two feet, somewhat comfortable and in control of her own destiny...Or so she thinks. When her boss and good friend of fifteen years chooses to sell the company, it sets Coral's small world spinning, shattering her carefully constructed routine - and

places her in the sights of business mogul Tristan Freeman, a man too handsome for his own good...And her new boss. But with the ghosts of the past still haunting her, can Coral finally exorcise these demons, face her darkest fears and allow the irresistible Tristan into her heart? Freed By Him (Book Two) When the past felt too big to bear, Coral Stevens walked away from the burgeoning love between her and Tristan Freeman, handsome mogul - and her new boss. Heartbroken, yet resolute, she feels she has made the right choice...too bad

Tristan doesn't. Trusting him may be the hardest thing that Coral has ever done, yet the love that has grown between them cannot be denied - nor can the flammable passion that explodes whenever they touch. Then just when Coral thinks that things can't get any better, danger weaves its way around them...With her happiness and their very lives on the line, how far can she go to protect the one she loves? Forever With Him (Book Three) Coral Stevens had no idea that meeting Tristan Freeman would lead her to challenge every aspect of her life - Including her own mortality. As she begins to recover from her ordeal, she must learn to let go of her need to control, and allow Tristan to take care of her, for he is the one that managed to break down her walls, whilst patiently wearing down the barriers she threw between them - until Coral's heart was firmly caught in his grasp. Now together they must prove to each other, no matter how hard it gets, that they have become intrinsically

woven into the web of each other's lives - Forever. Or will fate take over again and play a hand neither one of them can see? Reviews For Darkest Fears Trilogy "I cannot rave about this trilogy enough! It sizzles with longing, intensity and love. Tristan is amazing, sweet, handsome, funny and sooo sexy!!! He is my new book boyfriend!..." 5 stars - LibraryThing "Fantastic trilogy. Lovely story and not your typical romance. I cannot recommend highly enough..." 5 stars - Amazon.co.uk "Author Clair Delaney's latest series was recommended to me and I am so glad that I took a chance on this one because it is exactly the sort of story that grabs me and doesn't let go..." 5 stars - Amazon.com "Intense and very engaging romance trilogy. I was so easily pulled into the steamy relationship between Coral and Tristan. A great read that delivered on both the dramatic and erotic fronts. Love the characters and the story..." 5 stars - Amazon.com "One of the best series I have read in a long time. I loved the

scenes and how powerful the story was..." 5 stars - Barnes & Noble "The term 'never let me go' was never so aptly used as it was in this, on both their counts. I truly loved and connected with how this played out..." 5 stars - Goodreads "This trilogy captures your attention, not just a load of romance. It's got intrigue, psychology, and the girly stuff as well - Loved it!..." 5 stars - Amazon.co.uk "I loved this entire trilogy, so much. An excellent romance series that I would highly recommend..." 5 stars - Amazon.com Buy Darkest Fears Trilogy Today! *Modern Romance* - Aziz Ansari 2015-06-16 The #1 New York Times Bestseller "An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives." —Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of Master of None and one of this generation's sharpest comedic voices At some point,

every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. "Why did this guy just text me an emoji of a pizza?" "Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!" "My girlfriend just got a message from some dude named Nathan. Who's Nathan? Did he just send her a photo of his penis? Should I check just to be sure?" But the transformation of our romantic lives can't be explained by technology alone. In a short period of time, the

whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the

world's leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

The High Heart - Basil King
2022-09-15

"The High Heart" presents a beautiful love story by Basil King, a Canadian clergyman who became a writer after retiring from the clergy. His

novels were mainly spiritually oriented. Excerpt "I could not have lived in the Brokenshire circle for nearly a year without recognizing the fact that in the eyes of his family J. Howard, as he was commonly called by the world, was the Great Dispenser; but my first intimation that he meant to act in that capacity toward me came from Larry Strangways, on a bright July morning during the summer of 1913, when we were at Newport."

MATCHED - Zac Miller

————— Need Some Help Attracting Women on Dating Apps?

————— You've come to the right place! Hi, my name is Zac Miller, and I've come up with a guide that will get you the matches, responses, and dates so you can finally find the girl of your dreams! We start at the beginning with fine tuning your profile, going over case studies on the perfect photos to employ to increase your matches. We then go over what and when to message girls so they want to talk to you. We go over how to get their number and Snapchat, and ultimately how to get them out onto a date. I even show you what to do after the date! Everything you need is included in this book! Here's What You'll Learn In This Book:

————— • Why

meeting girls on dating apps makes dating a much easier, more enjoyable experience than going to a bar or club. • Inexpensive ways to immediately improve your appearance. • The most attractive male body type females are attracted to (hint: it's not abs). • A major college study found doing this one thing in your photo makes you appear more attractive to females. • Many men make this mistake, which makes them appear uncertain and fearful in their photos. • A website where others can judge your photos, so you have the best ones displayed on your profile. • Don't put any of these in your bio or risk alienating potential matches. • 5 ways to increase the number of matches you are currently getting. • Should you use super likes? • The many types of girls and guys found on Tinder (and other dating apps) and the one type of guy who girls are most drawn to. • The reasons most guys don't do well on Tinder. • The two qualities which attract partners to each other. • Tips for

sending the first message, as well as a list of 80 message openers you can immediately start using. • What is the dating app staircase? • How to easily keep quality conversations going with girls. • The #1 thing girls like to talk about which releases "feel good" chemicals in their brain. • How to ask for her Snapchat ID or phone number. • Indicators which show she is interested in you. • How to ask for the date. • And So Much More! ————— As a complimentary bonus, only for book buyers, you'll receive my special report titled *Subconscious Attraction*, which includes 3 subconscious techniques that attract females. This report is not available to the public; it exists solely as a "thank you" to buyers of this book.

"Over a decade after its

publication, one book on dating has people firmly in its grip."

—The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love.

Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize

closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

Bossypants - Tina Fey
2011-04-18

Once in a generation a woman comes along who changes everything. Tina Fey is not that woman, but she met that woman once and acted weird around her. Before 30 Rock, Mean Girls and 'Sarah Palin', Tina Fey was just a young girl with a dream: a recurring stress dream that she was being chased through a local airport by her middle-school gym teacher. She also had a dream that one day she would be a comedian on TV. She has seen both these dreams come true. At last, Tina Fey's story can be told. From her youthful days as a vicious nerd to her tour of duty on Saturday Night Live; from her passionately

halfhearted pursuit of physical beauty to her life as a mother eating things off the floor; from her one-sided college romance to her nearly fatal honeymoon - from the beginning of this paragraph to this final sentence. Tina Fey reveals all, and proves what we've all suspected: you're no one until someone calls you bossy.

"Snap's town had a witch. At least, that's how the rumor goes. But in reality, Jacks is just a crocks-wearing, internet-savvy old lady who sells roadkill skeletons online--after doing a little ritual to put their spirits to rest. It's creepy, sure, but Snap thinks it's kind of cool, too. They make a deal: Jacks will teach Snap how to take care of the baby opossums that Snap rescued, and Snap will help Jacks with her work. But as Snap starts to get to know Jacks, she realizes that Jacks may in fact have real magic--and a connection with Snap's family's past."--Provided

The Tail of Emily Windsnap -
Liz Kessler 2010-01-07

Emily Windsnap lives on a boat, but her mother has always been oddly anxious to keep her out of the water. It is only when Emily has her first school swimming lesson that she discovers why: as soon as she gets into the water, she grows a tail! Soon Emily discovers a glorious underwater world of fishes, coral, shipwrecks and mermaids, and, best of all, she finds a best friend! With mermaid Shona Silkfin by her side, Emily uncovers a surprising family secret and embarks on a quest to reunite her mum and dad. This enchanting fantasy deals with universal themes of family, friendship, love and justice - all handled with the lightness of touch for which Liz Kessler is so well known.

When Hope Is Gone - Pedro E. Acevedo 2011-04-13

Eduardo Torres is a forty-five-year-old recovering drug addict, down on his luck, trying to survive on the streets of New York's South Bronx. Living in a homeless shelter, he spends his days begging for handouts and doing odd jobs for neighborhood merchants. But he wasn't always like this. In his dashing youth, Eduardo was known and loved for his love of salsa music and his natural dancing ability. Once

revered as "Papo Salsa" in his neighborhood, Eduardo is now a different man—broken and hopeless. He's one of many victims of the turbulent times of the late sixties and early seventies, when the Vietnam War shattered lives, tortured families, and stole innocence from even the most well-intentioned individuals. One day, Papo Salsa encounters José Antonio Rivera, an educated professional from the same neighborhood as Papo. Though a few years younger, José remembers Papo as a heartthrob to girls of all ages, a guy the neighborhood boys looked up to. But Papo does not immediately recognize José. He begins telling a story of bad breaks and wrong decisions, in an attempt to explain why he is where he is now. *When Hope Is Gone* is a graphic yet moving story of love found and lost, set in the volatile environments of urban life, war, and drug addiction. Throughout the years and the fears, the hypnotic rhythms of salsa music—the soundtrack of the times—is the one thing these

Patricia McConnell, Ph.D.

2009-02-19

Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how

“man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover:

- How you can get your dog to come when called by acting less like a primate and more like a dog
- Why the advice to “get dominance” over your dog can cause problems
- Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief
- How dogs and humans share personality

types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a

book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.
