You must take a printout of these rules and stick in your mirror. I am adding few points not covered till now too. Never show your full interest in any girl in first two meetings. Let her wonder. She will play tantrums, a bit of mind games, might ignore you a little, and play jealousy game or whatever. Never fall to this trick of hers. All these are tests disguised to check your alpha male status. Always try to keep her in friend zone. It only means try to know her more and try to be friends first. In this way you automatically avoid friend zone and putting her there instead! Break the touch barrier to enter into her emotional psychology. Never reply to her texts, calls immediately. Ignore her often. Never say 'I love you' etc. on phone or text. Never be too romantic on text. Always avoid good morning etc. creepy messages. She is NOT your boss. You have to dominate a woman to get sex from her. Never ever commit anything to a girl in advance. It always bring your value down. Don't say we will go on date on so and so date etc. Plan instantly. d104 her that you are going to a movie. Is she coming? You must ask her when she doesn't have anything important to do. But never plan in advance. Meet You in third part (New Age Seduction) folks.

BECKONED, Part 4: From Barcelona with Love Aviva Vaughn 2017-11-29 It was never going to be easy. Fire and ice have nothing on Angela Holguín and Soren Lund who first met as MBA students in exciting Barcelona. But their timing was off, until Destiny put them back in the same city: London; and their passion ignited.Now Distance has come between them with Soren in Barcelona and Angela in Los Angeles. And now that Angela has a handsome new business partner, the stakes are even higher. Things come to a head when Angela and her partner travel to Barcelona for business and it is there where she will have to decide between the opposing forces that beckon. Will Soren's offer of life in London pull her to Europe, or will her business-and the siren song of the sea-keep her rooted to Los Angeles? BECKONED: slow burn, second-chance romance inspired by food, travel, and Jane Austen. Over 300 reviews with 4.4+ average. Part 4 in a 6-part series. "Let me just say,this series has been my absolute favorite series I have read in 2018 so far. Aviva Vaughn set out to write a slow burn and vivid story, and she nailed it on the head! With inspiration from Jane Austen, she has reimagined the writing style of her in a way you will fall in love with from the get go. I fell in love with the places I have never been, and feel as if I have tasted the food.This would be a series I would love to see in a film or even a mini series on tv would be amazing." -Liz, 5-star review "I am saying now that this is probably one of the best series that I have read so far this year! I cannot wait for more!!Again the authors writing is just superb, the detail, the descriptions, they are just beautiful and I still feel like I am right there along with thesecharacters." -Katie, 5-star review "This lady has completely captured me with this series, at first I was intrigued to see how an American author would write about the UK and she definitely did it justice, and I fell in Love with a brilliant read and found a absolutely amazing author that has become one of my top ten. This is definitely a series you want to read." -Claire, 5-star review "Every now and then you're faced with a book that makes you think of how little sleep you actually need to function the next morning, for me part four of the Beckoned series is that book. I haven't been quiet about how much I love Angela's story up until this point and just when I think Aviva Vaughn has reached max potential the next book in the series blows me away even more." -Felicia., 5-star review "The wholestory/series has been fascinating and captivating- with Ms. Vaughn upping the ante with each instalment, each book slightly eclipsing the last. I was enthralled through each and every book in a way I never expected to be going into this series." -Angela, 5-star review "All I can say is that I loved how everything came together in the end even though I did not expect this at all. Be prepared for some emotional scenes that may draw out the ugly cry. Aviva has definitely stepped it up in this part of the series. I highly recommend this great series." -Michelle, 5-star review "Somehow, I love each new book more than the last! This story is romantic, charming, touching and heart wrenching. I completely devoured this book in one sitting, I just love these characters so much. Each time I start a book by Aviva I have to prepare myself for the emotional story I know will take place." -Kaitlyn, 5-star review "Wow. What an amazing conclusion to Angela's story! There are hardly words to describe how beautifully Aviva Vaughn describes every bit of scenery, life and the people in these books. She weaves a heart-clenching ending to a wonderful story! Do yourself a favor and read the entire series! This book lends a certain theme that really stuck with me, and while I won't say what that is, I found it to be just what Angela needed in her life to be truly happy as

well as something I really needed to read. This book is so much more than a romance book; it really teaches you about doing what makes you happy and love your life. Angela is truly a character I feel many women could look up to and respect. Many thanks to Aviva Vaughn for sharing this story with the world! LOVED IT! FIVE STARS!!" -Emily, 5-star review "I find it so hard to write a review about this series because I just want to shout out about everything that happens. Yet at the same time I don't because everyone needs to experience it for themselves to get the full effect of these stories. There has never been a point during all these books that I could honestly say I knew what was going to happen. This series will grip you and take you on such a journey that you will not be able to stop reading until, like me, you have devoured them all. I cannot recommend this series highly enough." -Kerry, 5-star review FROM THE AUTHOR Dearest Reader, I wrote BECKONED for many reasons, but first and foremost, I wrote it to feature the kind of people I know: diverse, smart, complicated men and women. My heroines are strong and educated, and my heroes are polite and respectful. As an avid reader, I wanted to see characters that looked like me and my friends and reflect the world I want to see. I also wanted to write a beautiful book. I consider BECKONED to be a modern story told in an old-fashioned way with lots of metaphors and beautiful phrases, and where the sex is explicit but also elegant. So if you are a Word Nerd like me, then you will love BECKONED! If you choose to embark on this journey with me, you--and your taste buds--will get to visit London, Barcelona, Bath, Los Angeles, Honolulu, Costa Rica, New Zealand, and Copenhagen. It will be a fun--and delicious--ride! There are even recipes in some of the books as well as soundtracks to give you a multi-sensory experience. BECKONED is a single story in six parts and should be read in order. The intimacy is steamy, but it is sloooooow burn and is distributed throughout the books because of how the couples' relationships change and deepen. Birthing BECKONED has truly been a labor of love, and I hope you enjoy reading it as much as I enjoyed writing it! BUCKLE UP and enjoy the journey. Wishing you love and romance, ~Aviva

Love-Lust-Friendship-Or Games Empress 2016-08-18 This is a work of non-fiction inspired by my own life and the lives of others that have touched mine. This book is about love and romance and the many games people sometimes play to perfection with their playground being your life, their toys being your time and emotions. Sadly, when involved in relationships, many are cataloged and categorized by their loved ones without realizing so. This book will help you to know or somewhat allow you to be cognizant of your relationship with your significant other if it is love or if he or she has simply categorized whatever you have as something other than love. This book will relate to you true stories of games played upon the hearts of the ones love once claimed as many sometimes are perplexed when it comes to their true feelings towards their other half. This book will tell you signs of when love is part of your relationship when it is absent from your relationship, and when it may be time to walk away from it all. All names and locations in this work have been falsified to protect the identities of all parties involved, but the stories and events are true.

50 ways to make him love you more Celine Claire 2022-02-26 This ebook gives you helpful tips on how to make him love you more. Tip number one. Don't attempt to change your man. As tempting as it can be, don't attempt to change your man to suit your ways, especially if he's happy the way he is. If your man feels like you accept him for who he is, he will cherish and love you more. There is a lot of power behind a woman who inspires her man to be the best version of himself without making him feel imperfect. Tip number two. Don't force your man to like the same things as you do. Understand that your man is a separate human being from you, and he had a life before meeting you. If you find that your likes are conflicting with his, don't make him feel guilty for not enjoying the same stuff as you do. Your man will feel more peaceful and will love you more for not pushing him around like a child to do the same things as you do. Translator: Celine Claire PUBLISHER: TEKTIME
