Data from the Education at a Glance in 2019 states that less than 2 percent of the United States' and world's population holds a doctorate degree. Germane to this fact, the National Center of Education statistics reported that, in the 2018-19 academic year, of the doctoral degrees awarded to women, only 10.9 percent were awarded to Black women compared to 63.6 percent awarded to White women in the U.S. Black women who are interested in pursuing a doctorate, already in doctoral programs, or in their field of doctoral work are in crucial need of resources, community, and support. For too long, Black women have faced many systemic barriers and various forms of racist exclusion and oppression in educational settings,

This memoir, "Our Doctoral Journey: A collection of Black women's experiences," serves as a resource and toolkit for Black women doctors, future doctors, and professionals. Prepare yourselves to read transparent and ground-breaking stories from 24 co-authors, ranging from doctoral students to doctors to professionals, who, with great tenacity, have chosen to share their doctoral experiences. Undeniably, this memoir will give you hope, motivation, and determination to choose what is best for you and persist in your program or in your field of work. As the saying goes, "We're all that we've got."

Chat Game Revolution! - Iman 2018-07-18

She gives you her number but then does not answer? You contact her on Facebook but displays and does not interact? More and more frequent situations. Meetings on the web a girl you like, contact her but often the conversation begins and ends only with your message. This is what happens to most men who want to conquer a woman on the internet. Because? They do not have the right Mind Set, they do not create an attraction around their online presence, they are not seductive "social". With this ebook you will finally learn what brings a woman to interact with you and what brings a woman to fall in love with a man even just behind an internet application. "You make me feel good", "You are special to me", "I want to be yours", "I LOVE YOU", these are NOT impossible phrases to read on Whatsapp or on Facebook or Instagram, even if you have never seen. It's what happened and happens to me and I want to share with you what I understood and developed in the Chat Game Revolution.

The Pie Life - Christina Varghese 2017-05-10

Someone you meet today could be wealthy now but broke in 10 years or they could be broke now and wealthy in 5 years. Never base emotional decisions based on temporary aspects. In life you have many choices you are faced with, some choices require very little effort and some require some brain power. Yes

it's a scary road, it's a road that you don't have all the answers for but as long as you have faith you can conquer anything and achieve everything. Even a successful relationship with your dream guy or girl. To me the biggest achievement is to have a beautiful husband and lovey children. Until I have a family of my own I have achieved nothing.

How the fuck I do forget you. Wake up happy again - Rodrigo Romojaro

It's an informal book; I will call you an asshole, we will talk about Tinder, jealousy, other girls, getting drunk to forget and making her feel sorry for you by sending her messages, groveling or even going over to her house with flowers like an imbecile. I'll try to touch your pride to make you react. I will make an "over my dead balls is this going to go on like it is now" come out of you. Before you even buy the book, you should know that you will only get out of this shit on the base of pride and self-love, putting your well-being above all else. And you will realize that it's not selfishness, but rather on the contrary: to love others, you first have to learn to love yourself. It's a short book and quick to read; I don't want to annoy you with words. It's not about entertaining yourself on a long trip where you don't know what to do. It's a manual of steps to follow in order to be happy and you will read it in a good mood and smiling. Believe me that if you follow everything in the book to the letter, you will soon recover and you will do so in a healthy manner and having learned a lot to continue being happy in the future.

Woman World - Aminder Dhaliwal 2020-10-14

THE HILARIOUS AND WILDLY POPULAR INSTAGRAM COMIC ABOUT A WORLD WITH NO MEN With her startling humor, it's no surprise that Aminder Dhaliwal's web comic Woman World has a devoted audience of over 120,000 readers, updated biweekly with each installment earning an average of 25,000 likes. Now, readers everywhere will delight in the print edition as Dhaliwal seamlessly incorporates feminist philosophical concerns into a series of perfectly-paced strips that skewer perceived notions of femininity and contemporary cultural icons. D+Q's edition of Woman World will include new and previously unpublished material. When a birth defect wipes out the planet's entire population of men, Woman World rises out of society's ashes. Dhaliwal's infectiously funny instagram comic follows the rebuilding process, tracking a group of women who have rallied together under the flag of "Beyonce's Thighs." Only Grandma remembers the distant past, a civilization of segway-riding mall cops, Blockbusters movie rental shops, and "That's What She Said" jokes. For the most part, Woman World's residents are focused on their struggles with unrequited love and anxiety, not to mention that whole "survival of humanity" thing. Woman World is an uproarious and insightful graphic novel from a very talented and funny new voice.
