*The Ex-Boyfriend Yard Sale* - Haley McGee  
2022-02-01

In this hilarious and heartfelt memoir, Haley McGee sets out to calculate—with mathematical precision—the exact cost of love, and whether all of her former relationships were worth it. Haley McGee is in debt. The solution? A yard sale of gifts from her ex-boyfriends. But when it comes

to pricing, she gets stuck. Surely the ways we invest in our romantic relationships should be reflected in the price. But how? Is the mixtape from your first love worth more than the vintage typewriter from a philanderer? Does sitting on an X-Acto knife wedged between seats on a bus to see the boyfriend you lost your virginity to increase or decrease the value of the necklace he gave you? Should you be compensated for the miserable times or do they render an item worthless? Haley decides to gamble on a larger payout. She interviews her exes and enlists the help of a mathematician to create a formula—with eighty-six variables—for the cost of love. As she's searching for answers, the one that got away reappears with a new proposition. Female desire, heartbreak and the chance for integrity in the aftermath of both are held up in this whip-smart, original and daringly candid memoir. As Haley McGee interrogates her romantic triumphs and failures with unflinching detail and hilarity, her exquisite prose elevates

**Dad, How Do I?** - Rob Kenney 2021-05-18

From the host of the YouTube channel that went viral—Dad, How Do I?—comes a book that's part memoir/part inspiration/part DIY. Rob Kenney's father left him and his seven siblings when he was fourteen years old, and the youngest had to fend for themselves. He wished that he had

someone who could teach him the basics—how to tie a tie, jump-start a car, unclog a drain, use tools properly—as well as succeed in life. But he and his siblings had to figure these things out on their own. Now a father himself, Rob decided that he would help people out by providing how-to tips as well as advice—and even throw in some bad dad jokes. He started a YouTube channel for anyone looking for fatherly advice, and in the course of three months, gained a following of nearly 2.5 million subscribers, with millions of views for his how-to and inspirational videos. In this book, Rob shares his story of overcoming a difficult childhood with the strength of faith and family, and offers inspiration and hope. In addition, he provides 50 practical DIY instructions (30 of which will be unique to the book), illustrated with helpful line drawings.

### **How to Fall in Love with Anyone** - Mandy Len Catron 2018-02-01

In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can

love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the *New York Times*' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her own relationships, she teaches us—with a deft, convincing intelligence—some of the vital moves in the art of love." —Alain de Botton, internationally bestselling author of *How Proust Can Change Your Life* and *The Course of Love* MANDY LEN CATRON lives in Vancouver, British Columbia. **Jokes** - Adrian Wallwork 2017-12-14

Jokes are a perfect format for learning vocabulary, idiomatic expressions, and grammar. Jokes are also designed to be retold. If you learn a joke by heart and tell it to other people, then by doing so you will also learn the grammar and vocabulary involved. The book also contains exercises designed to reveal whether you have understood the joke or not: A joke is presented to you but with the paragraphs mixed up. Your

task is to put them in the correct order. The joke has a choice of three punch lines. If you select the correct one, this should be an indicator that you have understood the joke. Several two-line jokes are presented together. The task is to match the first line and the second line. A joke is presented with some key words missing. The task is to insert the right word in the right place. Easy English! is a series of books to help you learn and revise your English with minimal effort. You can improve your English by reading texts in English that you might well normally read in your own language e.g. jokes, personality tests, lateral thinking games, wordsearches. doing short exercises to improve specific areas grammar and vocabulary, i.e. the areas that tend to lead to the most mistakes - the aim is just to focus on what you really need rather than overwhelming yourself with a mass of rules, many of which may have no practical daily value Other books in the Easy English! series include: Wordsearches: Widen Your Vocabulary in

So she decides to write her story in the form of a play giving vent to her artistic vein, before the ghost dancer make her wiah to cutting the veins of them both, tormenting her from head to toe. Then he begins to tell the story from his point of view. Having two versions, in which one is she going to believe? And as she finishes her own story, will she be able to convey? She hopes to resolve the issue as soon as possible, before they devour or engage her further in a tangle of misunderstandings. **Falling in Love** - Donna Leon 2016-03-10

In Death at La Fenice, Donna Leon's first novel in the Commissario Brunetti series, readers were introduced to the glamorous and cut-throat world of opera and to one of Italy's finest living sopranos, Flavia Petrelli. She is then a suspect in the poisoning of a renowned German conductor. Now, many years after Brunetti cleared her name, Flavia has returned to the illustrious La Fenice to sing the

lead in Tosca. As an opera superstar, Flavia is well acquainted with attention from adoring fans and aspiring singers. But when one anonymous admirer inundates her with bouquets of yellow roses on stage, in her dressing room and even inside her locked apartment it becomes clear that this fan has become a potentially dangerous stalker. Distraught, Flavia turns to an old friend for help. Familiar with Flavia's melodramatic temperament, Commissario Brunetti is at first unperturbed by her story, but when another young opera singer is attacked he begins to think Flavia's fears may be justified. In order to keep his friend out of danger, Brunetti must enter the psyche of an obsessive fan and find the culprit before anyone comes to harm.
