**Ark** - Elisabeth Sharp McKetta 2023-08-29

"None of us is likely to forget the 'virustime,' but feisty, funny, resourceful, creative Arden (along with her quirky family and motley crew of rescue dogs) is a comforting and inspiring reminder that the worst of times can bring out the best in us. *Ark* will help young readers

see how they, too, kindled their own light to find their way through a dark time." —Lauren Wolk, author of *Echo Mountain* "Infectiously hopeful."—Kirkus Reviews Arden thinks the world has ended when her parents decide to trade their large house (where she has her own purple bedroom with a window seat!) for a small backyard guesthouse, built like a wooden boat. The worst part: it's not big enough for their dog to come along. Things get even worse when her best friend moves away and a pandemic shuts school, leaving Arden's family quarantined in very little space. Arden just wishes life would go back to normal. As neighbors leave town, shut themselves away, and get sick, their pets are left behind, and Arden becomes the safe-keeper of all the abandoned animals. When the pandemic touches home, Arden must use all her creativity and courage to help those she loves—family, friends, and dogs! *Ark* was inspired by author Elisabeth Sharp McKetta's experience of living in a 275-square-foot tiny house with her husband and two children during the COVID-19 pandemic. Like Arden, Elisabeth's family learned to live large in a small space.

*Teaching Language as Action in the ELA Classroom* - Richard Beach 2019-03-14

This book explores English language arts instruction from the perspective of language as "social actions" that students and teachers enact with and toward one another to create supportive, trusting relations between students and teachers, and among students as peers. Departing from a code-based view of language as a set of systems or structures, the perspective of languaging as social actions takes up language as emotive, embodied, and inseparable from the intellectual life of the classroom. Through extensive classroom examples, the book demonstrates how elementary and secondary ELA teachers can apply a languaging perspective. Beach and Beauchemin employ pedagogical cases and activities to illustrate how to enhance students' engagement in open-ended discussions, responses to literature, writing for audiences, drama activities, and online interactions. The authors also offer methods for fostering students' self-reflection to improve their sense of agency associated with enhancing relations in face-to-face, rhetorical, and online

contexts.

Instead, Shay and Caleb find themselves caught in a web of need and decide to finally do something about it, in the most exquisitely carnal way possible. Now Shay and Caleb are tumbling into a lust-fueled freefall, are they headed for a safe landing or the kind of crash that will change their lives

Talk to Her - Kristine McKenna 2004-08-18

Kristine McKenna's work as a journalist began in the late 1970s, when she covered the Los Angeles punk scene for various domestic and international publications. During the '80s and '90s she wrote art, film and music criticism, and profiled directors, musicians and visual artists for a variety of publications including Artforum, Playboy, Rolling Stone, The Los Angeles Times and New York Rocker. Talk to Her is McKenna's second collection (the first was 1999's Book of Changes) of favorite interviews culled from McKenna's files, and the book reveals McKenna's

highly intimate technique as an interviewer. That she manages to get such candor out of her subjects is remarkable. The stunning list of interview subjects includes: Filmmaker Robert Altman; Jackie Onassis's cousin Edie Beale; punk rocker and poet Exene Cervenka; the musician Elvis Costello; surf guitar legend Dick Dale; the postmodern critic Jacques Derrida; Beat poet Allen Ginsberg; Television's Richard Hell and Tom Verlaine; art curator Walter Hopps; Pretenders frontwoman Chrissie Hynde; country music legend Rickie Lee Jones; the Sex Pistols' John Lydon (a.k.a. Johnny Rotten); singer and songwriter Joni Mitchell; the Rabbi Jonathan Omer-Man; punk rock legend Joey Ramone; New York rock legend Lou Reed; the actress Eva Marie Saint; and the recently-departed Joe Strummer of the Clash. Also included are brief oral histories of Andy Warhol and Orson Welles.
