**Merchants' Daughters** - Helen F. Siu 2010-03-01 Annotation. Historians and

anthropologists have long been interested in South China where powerful lineages and gendered hierarchies are juxtaposed with unorthodox trading cultures, multi-ethnic colonial encounters, and market-driven consumption. The divergent paths taken by women in Hong Kong and Guangdong during thirty years of Maoist closure, and the post-reform cross-border fluidities have also gained analytical attention.

**Best Friends Forever** - Irene S. Levine 2009

A guide for women grieving the end of close friendships cites the myriad reasons that platonic relationships between women are discontinued, in an anecdotal reference that draws on personal testimonies to provide tools for personal assessment and helpful tips.

**The Guyde** - Howie Reith  
2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology  
Part I focuses on the internal

elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV -

Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

*The Good, the Bad, and the Just*  
- Riël Vermunt 2016-03-16  
Drawing on multidisciplinary findings and ideas, this book discusses fair allocation of social resources, such as goods, services and information, in a novel and integrated way. The role of the essential features of allocation behavior: motivation, cognition and emotion, as well as morality and reactions to perceived unfairness are examined in the newly developed Justice Model. The author offers explanations as to why, how and to what extent, people, in an effort to attain justice, allocate social resources between self and others and among others. It is held that the allocation event, featuring actor, recipient and observer, as well as the resources to be allocated by an actor, can function as a

guideline for the essentials of fair behavior. The work explores the conditions under which an actor may deviate from a just division of social resources thus instigating a reaction from recipients and observers. The study covers various levels of analysis ranging from the intra-personal to the societal. The book will be of interest to academics and researchers working in the areas of crime, law, justice, public policy and governance.

**Finding Dignity** - J. Marie Darden 2011-03-01  
Fans loved *Enemy Fields*. Now J. Marie Darden delivers the eagerly awaited sequel -- a coming-of-age novel about finding peace by finding yourself. Dignity Jackson is having an identity crisis. She is a child of interracial parents, and the ambiguity of her ancestry is confusing her more than ever. Since her mother has abandoned Dignity at age

three, and since her father has died before she is born, Dignity has been raised by her strict Aunt Lette and Uncle Sam. And though she is raised with love, she still feels out of place. At age eighteen, Dignity accepts a scholarship to Morgan State University in Baltimore, Maryland. Yet she still doesn't seem to fit in. Dignity's neurotic quirks make it difficult for her to bond with Sal, her Italian boyfriend, and her friends, Stacy and Khalil. A pilgrimage through the South helps Dignity uncover many truths. It is there, on her road to self-discovery and acceptance, that Dignity realizes the past may be the key to her future. Author J. Marie Darden, herself an alumnus of Morgan State University, perfectly captures the fundamental essence of attending a historically black university. With dynamic characters and a passionate protagonist, Finding Dignity will lead readers not only on Dignity's journey, but on a journey of their own.

Heart patch - Michael

Lincolnhol

The Heart Patch tells a marriage story, where the intense youthful love of Hua Ngan Tham and Tham Chuc Tam has passed for a long time, where they bonded and shared together happy but also distressed by the loss of unborn children. When one is young, one loves passionately, giving everything without knowing what the future holds. That impulsiveness, when he woke up in the hospital after each miscarriage, did Chuc Tam realize how dearly he had to pay. The Heart Patch tells a story of aristocracy, where children grow up with a thirst for power, a desire to prove themselves to have a strong backing without hesitating to step on blood and blood. That family created a cruelly obstinate Hua Ngan Tham with the wife he loved more than himself, and then broke the fragile happiness of marriage with his own hands.

Correa 2005-12

The author of *Unexpected Return* weaves a tale and leads us by the hand down the paths of her imagination fecund with dreams and ideas. *Unexpected Return*'s author starts off at a site from which she moves onwards in the vehicle of a narrative free from vanity and the constraints of effete literature. Thus in the hands of her characters--each masterfully situated within his own milieu--she achieved that for which she was striving: a concatenation of countless events, woes, tears, tragedies and times of anguish which make each character spring to life upon this novel's stinging pages. She describes with passionate affliction the arduous personal fight of one man to outrun a past which overshadowed his present and mercilessly punished him. A man who unflaggingly sought a possible redemption to deliver him beyond all doubt to the embrace of the only woman whom he ever truly loved. [Men are from Mars, Women are INSANE](#) - Chris Mauns

Does your woman do things that go against all rhyme and reason? Is she a smoldering volcano always ready to explode? And why does she keep on buying shiny things? This little guide to women will teach you how to be in a relationship and still keep at least SOME of your sanity/freedom. We start from the very beginning by explaining what a woman really IS by comparing her to better known everyday objects like a Computer, a Rock, and a Parrot. Learn about: different types of women common relationship problems fending off marriage/kids signs that your relationship is heading for doom how hormones screw up your sanity why marriage is a scam and much, much more! After reading this book you will also know how to choose the best specimen, what love really is, and how to ensnare a beautiful woman using only your beard! I know it all sounds too good to be true, but don't take my word for it! Here are some other people's opinions: "Hilarious Book! Every guy

should read this! Chris tells some very funny stories and has a good solution to dealing with 1/2 of the world's population." John Holley "This book was a hilarious and pretty accurate read. I look forward to reading more books by you. Good job!" Charli W "I haven't laughed so much in years. Being female I must admit some of the laughter was evil as I recognized other women I know (not me). Definitely a great read. I would recommend it to anyone who likes to at least smile." Author Linda Arditto "Don't buy it!! I FORBID YOU! It's a waste of \$2.99!!" Your woman, just before she flew off to buy yet another \$50 handbag (using YOUR money!) Buy this book NOW before she comes back, NOT because you aren't the man of your own house, but because you prefer peace and quiet over having to fight off a blood crazed bird pecking for your last remaining eye. :-O *Adolescent Life and Ethos* - Heewon Chang 2022-12-29 Originally published in 1992, this Asian-authored book

presents a cultural description and interpretation of American high school adolescent life and ethos, based on anthropological fieldwork in a semi-rural school and its surrounding community in Oregon. It combines a realistic account of late 1980s adolescent culture and a confessional tale of the Asian ethnographer's fieldwork experiences among American youngsters. The three main parts of the book focus on a portrayal of adolescent daily life, an interpretation of these young people's cultural values and ideals, and a reflection on the ethnographer's fieldwork experiences respectively. Part 1, *Adolescent Life*, includes five chapters presenting a brief version of a key informant life history, a profile of the school, a portrait of the community, a sketch of a typical school day, and adolescent life out of school. Divided into four chapters, Part 2, *Adolescent Ethos*, identifies three dimensions of adolescent ethos and analyzes dynamics between the dimensions and

reflecting ideals. The last chapter of this part, 'The Duality of Ideals' discusses how adolescents negotiated themselves in a complicated web of various ideals pressing on them. Part 3, Doing Ethnography, reports procedural and personal aspects of doing ethnographic research in two separate chapters. The former discusses each step from locating a field to writing an ethnography; the

latter describes personal feelings and scholarly thoughts which occurred during and after fieldwork. Adopting the most inconspicuous, unobtrusive form of research methods (she even dressed like them and acted with and among them), the ethnographer tried to listen to the young people's voices, peek into their lives from outside, and look out at the world through their eyes.
