*How to Get an Asian Girlfriend* - Derek Strong 2013-05-22

You can get a cute, loving Asian-American girlfriend if you follow my advice. This step-by-step guide gives you steps and insights you can't find anywhere else. It's meant for a guy who wants to meet a high-quality Asian-American girlfriend in the US; this book is NOT for meeting prostitutes or traveling to third-world countries. What's the website where tons of Asian girls hang out, most likely in your town? It's not Facebook, it's not Craigslist, it's not a dating site, and it's not an Asian site, but it's a goldmine of twentysomething-year-old single Asian girls everywhere in the US. This book gives you the details, and tips for how you can meet girls on that site. How can you approach Asian girls? There's a weird answer that will surprise you. What environments are best for meeting Asian-American girls? It's not bars. A white guy was doing very well with a hot Japanese-American girl he met online. Then he sent her his picture, and she broke off all contact with him. He's not ugly. His picture wasn't sexual or nude. So what was wrong? Read the book and find out. People say that Asian-American girls are more sexually open than their counterparts who came directly from Asia. Do you really believe this? Because it's absolutely false. Read and find out why. What did I do that my Taiwanese-American girlfriend hated, but her dad absolutely loved me for? Read and find out. I'm Derek Strong. I'm an average white guy who's had great relationships with dozens of great Asian girls. Now I want to help you follow my lead. I personally wrote every word, paragraph, space, and period in this book. There's no copy-and-paste text here. There's no ghostwriting. There's no filler. This book is pure power, for you to finally get that cute Asian-American girlfriend you deserve.

**How to Seduce Hot Women Online** - Kent Lamarc 2013-06-08

I've been banned more than 5 times, nearly always in less than 2 weeks, and for one reason only - I was picking all the women I wanted from many online platforms. Most of these websites were not for dating, and many of the women I met had boyfriends or husbands, but this didn't stop them from contacting me and go out on a date. In this book, I reveal the secret that allowed me to pick-up dozens of beautiful women from many websites, and that allowed acquaintances to do it faster than me from Facebook and other more popular platforms. The secrets here revealed are so effective that quickly draw the attention of everyone, both jealous men and competitive women. In the end, it's a race against time, while the men try to put you out of the competition in every way they can, and women make you so popular that you start receiving invitations to talk privately online and go on dates with those you haven't had to say whatsoever. This is about a female magnet that works every single time, even though it will eventually make you get banned as well. But, who cares about being banned, once your mobile is full of numbers of hot women and most of them expect to become your girlfriend or at least sleep with you? Don't be fooled about how simple these strategies may seem! Every single pick-up artist that teaches you online dating is either using part of them or all at the same time. Game on!

**The Guyde** - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your

self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
