[More Than Two](#) - Franklin Veaux 2014-09-02

Can you love more than one person? Have multiple romantic partners, without jealousy or cheating? Absolutely! Polyamorous people have been paving the way, through trial and painful error. Now there's the new book *More Than Two: A practical guide to ethical polyamory to help you find your own way.*

[The Game Changer](#) - Franklin Veaux 2015-09

To make an open marriage work, Franklin and Celeste knew they needed to make sure no one ever came between them. That meant no overnights, no falling in love, and either one of them could ask the other to end an outside relationship if it became too much to deal with. It worked for nearly two decades--and their relentless focus on their own relationship let them turn a blind eye to the emotional wreckage they were leaving behind.

[Open Relationship](#) - Barbara J Taylor 2022-12-30

Are you in an open relationship? An open relationship means having more than one romantic or sexual partner at a time. It's an arrangement that both parties agree is non-exclusive or non-monogamous. As one or both partners engage in romantic or sexual activities outside the relationship, the arrangement's agreement aspect is key. If the two parties don't agree to an open relationship or marriage and one or both still engage in multiple partnerships, it's known as a nonconsensual, non-monogamous (NCNM) relationship. Reason along as I'll be discussing on open relationship in this book of mine

[The New Monogamy](#) - Tammy Nelson 2013-01-02

Everyone has their own concept of what "monogamy" means—and most people assume their partners and spouses are on the same page. Couples may assume that they are monogamous, but never discuss exactly what the monogamy agreement means to them. What happens when this implicit agreement is broken? After infidelity, relationships can become strained as both partners lose trust and faith in each other. The *New Monogamy* offers a way out of these difficulties for couples struggling to stay together after infidelity. Couples make these implicit assumptions and agreements explicit so that each partner knows exactly what is expected of them in the future and what they can expect from their partner. Author Tammy Nelson helps couples regain trust, romance, and intimacy after infidelity by redefining the monogamy contract. The new monogamy contract is an explicit relationship agreement created after the affair that allows each partner to openly, honestly, and safely share their desires, expectations, and limitations. This agreement does not create an open marriage, but rather, an open conversation wherein each partner can have a say in setting the ground rules for their relationship. The book first helps couples rebuild trust after the affair, then engages in a series of Imago dialogues based on questions about what each partner really wants in the relationship, not what you think you should want or what a partner wants you to want. The *New Monogamy* includes questionnaires, checklists, and candid questions for partners to ask that help welcome complete honesty and trust back into the relationship. Then, the book helps couples make an erotic recovery from infidelity by addressing erotic problems that may surface and offers advice for helping couples return to desiring and trusting one another. After an affair, it's impossible to go back to the way the relationship was before, but this book offers the chance for a new beginning.

[Love Unlimited](#) - Leonie Linssen 2010-08-01

Based on the case studies of 12 actual couples and individuals who are grappling with the complexities and challenges of "responsible nonmonogamy," this helpful resource delves into various types of open relationships. The stories included have a varied cast of characters—monogamous, heterosexual, homosexual, bisexual, and polyamorous—but they all share a desire to find practical and realistic solutions to their life situations. Each chapter concludes with tools and tips that provide valuable assistance for grasping the subject covered. Accompanied by short texts that give fascinating insights into how other cultures and traditions, from the Taoist to the Celtic and beyond, have accommodated nonmonogamous relationships, this remarkable exploration offers a down-to-earth approach to a growing population.

[Redefining Our Relationships](#) - Wendy-O Matik 2020-03

Don't let the title fool you. this IS a serious, thoughtful (and thought-provoking) comprehensive introduction to, and examination of, a much misunderstood and misused practice. But more than that, it is a witty, provocative, damn fine read, with as much to offer to the faithfully monogamous as to those looking for a bit more out of life, love and relationships. Go on. Dive in. "Wendy-O tackles a touchy subject with clarity

and creativity. She is wise beyond her years. This guide teaches you how you can have it all. I gave the jealousy tips to my lover immediately." [Annie Sprinkle]

[Rewriting the Rules](#) - 2012-11-12

We live in a time of great uncertainty about relationships. We search for "The One," but find ourselves staying single because nobody measures up. The reality of our relationships is not what we expected, and it becomes hard to balance it with all the other things that we want out of life. At the same time that marriage shows itself to be the one 'recession proof' industry; the rates of separation and break-up soar ever higher. *Rewriting the Rules* is a friendly guide through the complicated - and often contradictory - rules of love: the advice that is given about attraction and sex, monogamy and conflict, gender and commitment. It asks questions such as: which to choose from all the rules on offer? Do we stick to the old rules we learnt growing up, or do we try something new and risk being out on our own? This book considers how the rules are being 'rewritten' in various ways, for example the 'new monogamy', alternative commitment ceremonies, different ways of understanding gender, and new ideas for managing conflict and break-up where economics and child-care make complete separation a problem. In this way *Rewriting the Rules* gives the power to the reader to find the approach which fits their situation.

[Monogamish](#) - Alex Smith 2015-02-02

The Essential Guide for Young Couples Looking to Explore Open-Relationships! A book written by a young couple, researched with young couples, for young couples. We're part of a new generation redefining what it means to be in a committed relationship. In *Monogamish*, we examine couples in non-polyamorous relationships, relations that are interested purely in outside sexual play, without the extra commitments. You'll get a peak behind closed doors, to see what it takes to have a successful, committed monogamish relationship. Not only that, you'll learn how young, monogamish couples are meeting people these days, and skip all the mistakes they've made along the way. The Foundations In this book, we lay the groundwork for building a strong, solid relationship with your partner that allows you and your partner to explore outside your relationships. We cover: \* Communication \* Trust \* Ethics in Open-Relationships \* Developing Rules and Boundaries As well how to prepare for the eventual bumps in the road, safe sex practices and more! Meeting Other People! We're children of the Internet. With the handful of options out there from hookup at to online dating sites, we go through and show you how to: \* Build and craft a great online profile. \* How to discuss your relationship with people you're interested in \* How to cold approach strangers offline \* And, most importantly, how to protect your privacy This is THE Ethical Non-Monogamy book for our Generation!

[Love In Abundance](#) - Kathy Labriola 2011-03-28

Beyond the basics of polyamory lies a complex web of negotiations, agreements, pitfalls and rewards. Kathy Labriola, a relationships counselor who has worked for many years with singles, couples and groups in polyamorous and open relationships, sets forth some of the realities of alternative lifestyles: dealing with some of the common relationship-disrupters, managing jealousy, choosing compatible partners, combining BDSM with polyamory, distinguishing between sex addiction and polyamory, and much more.

[Open](#) - Jenny Block 2009-02-10

Finally, a book about open marriage that grapples with the problems surrounding monogamy and fidelity in an honest, heartfelt, and non-fringe manner. Jenny Block is your average girl next door, a suburban wife and mother for whom married life never felt quite right. While many books on this topic presuppose that the reader is ready to embrace an "alternative lifestyle," Block operates from the assumption that most couples who are curious about or engaged in open marriages are in fact more like her — normal people who question whether monogamy is right for them; good people who love their spouses but want variation; capable parents who are not deviant just because they choose to be honest about their desires. *Open* challenges our notions of what traditional marriage looks like, and presents one woman's journey down an uncertain path that ultimately proves open marriage is a viable option for her and others.

[Open Marriage](#) - Nena O'Neill 1984

The classic that revolutionized the way Americans see marriage. Sold more than 35 million copies and translated into 14 languages.

[The Ethical Slut](#) - Dossie Easton 1997

A Guide to Infinite Sexual Possibilities Beyond the often unrealistic ideal of lifetime monogamy lies an uncharted jungle of delightful options - everything from committed multi-partner relationships to friendly sex, casual sex, group sex, and more. In this groundbreaking volume, 'Bottoming Book' and 'Topping Book' authors provide a road map for exploring this sometimes difficult, often rewarding territory. Warm, informative details about how to get your needs met, manage your jealousy, make agreements that...'

**Opening Up** - Tristan Taormino 2008-05-05

Relationship expert and bestselling author Tristan Taormino offers a bold new strategy for creating loving, lasting relationships. Drawing on in-depth interviews with over a hundred women and men, *Opening Up* explores the real-life benefits and challenges of all styles of open relationships — from partnered non-monogamy to solo polyamory. With her refreshingly down-to-earth style and sharp wit, Taormino offers solutions for making an open relationship work, including tips on dealing with jealousy, negotiating boundaries, finding community, parenting and time management. *Opening Up* will change the way you think about intimacy.

**Stepping Off the Relationship Escalator** - Amy Gahran 2017-02-03

Love is not one-size-fits-all, yet often people assume that healthy, serious relationships all must follow the same basic path. The -Relationship Escalator- is society's bundle of customs for intimate relationships: monogamy, living together, marriage and more, ideally until death do you part. Beyond this, it might not be obvious what your options are. This book will help you: - Discover less common relationship options that might suit you. - Understand why and how people have unconventional relationships. - Empower you to negotiate about how your relationships work. - Overcome the fear that loving differently means you're doing it wrong. - Make the world a friendlier, safer place for more paths to love. Featuring real stories and insights from hundreds of people, -Stepping Off the Relationship Escalator- explores consensual nonmonogamy, love without living together, deep connections that pause and resume, and much more. The first in a series of research-based books, this introduction to relationship diversity is both accessible and surprising. LEARN MORE OR ORDER SIGNED COPIES: [OffEscalator.com](http://OffEscalator.com)

*Designer Relationships* - Mark Michaels 2015-09-08

Contemporary relationships are in a state of rapid evolution. These changes can and should empower people with the opportunity to develop partnerships based on their own sexualities, understandings, and agreements. This makes it possible to create what Kenneth Haslam, founder of the Kinsey Institute's Polyamory Archive, has called "designer relationships." Designer relationships may encompass: people who bond emotionally but not sexually; people who agree to be non-exclusive; single people who have occasional lovers or friends with benefits; multiple partner configurations where long-term bonds exist among all or some; partnerships in which people are kinky and that make room to explore kink. The possibilities are limitless, and thinking about a partnership as something people can craft allows for flexibility and change. Relationships can open and close or have varying degrees and kinds of openness as circumstances demand. In the context of a designer relationship, decisions are made mutually, consciously, and deliberately. Best-selling authors and nationally known relationship experts Patricia Johnson and Mark A. Michaels are exemplars of this life choice, and have studied polyamory for over 20 years. This book explains exactly how you and your loved ones can design your own life and love.

**The Smart Girl's Guide to Polyamory** - Dedeker Winston 2017-02-07

No one likes a know-it-all, but everyone loves a girl with brains and heart. *The Smart Girl's Guide to Polyamory* is an intelligent and comprehensive guide to polyamory, open relationships, and other forms of alternative love, offering relationship advice radically different from anything you'll find on the magazine rack. This practical guidebook will help women break free of the mold of traditional monogamy, without the constraints of jealousy, possessiveness, insecurity, and competition. *The Smart Girl's Guide to Polyamory* incorporates interviews and real-world advice from women of all ages in nontraditional relationships, as well as exercises for building self-awareness, confidence in communication, and strategies for managing and eliminating jealousy. If you're curious about exploring group sex, opening up your current monogamous relationship, or ready to "come out" as polyamorous, this book covers it all! Whether you're a seasoned graduate, a timid freshman, or somewhere in between, you'll learn how to discover and craft unique relationships that are healthy, happy, sexy, and tailor-made for you. Because when it comes to your love

life, being a know-it-all is actually a great thing to be.

**Open Monogamy** - Tammy Nelson 2021-12-14

Dr. Tammy Nelson is a relationship revolutionary. Her rethinking of monogamy—as a practice, a continuum, and a flexible concept—is on point, actionable, and nothing less than a significant cultural shift. —Wednesday Martin, PhD, New York Times bestselling author of *Primates of Park Avenue* and *Untrue Love is eternal*—but in an age when we live longer, communicate differently, and value gender equality, is it any wonder so many people are looking for new ways to support lasting, loving partnerships? “Monogamy is no longer a simple concept,” says Dr. Tammy Nelson. “More couples every year are experimenting with open relationships and newer, more flexible versions of commitment ... yet few of us have been prepared with the skills we need to make those agreements work.” *Open Monogamy* is a practical guide for people who wish to explore new directions in their relationships—to bring in excitement, variety, and fresh experiences without sacrificing trust, security, and respect. Through solo and partner exercises and real-life stories from people across the spectrum of relationship styles, you’ll explore: • The changing face of relationships—why the time to explore new visions of love has arrived • Can open monogamy work for you? Self-assessment tools to find your place on the “monogamy continuum” • Essential skills for having honest conversations about attraction and desire • Exercises to remove shame and suspicion about open relationships • How to create agreements—traditional or otherwise—that are fulfilling, exhilarating, and built to last Dr. Nelson’s 30 years of experience as a relationship and sex therapist have shown her that relationships can flourish even when the old idea of monogamy fails. “You want to love each other with fairness and integrity because that’s what you signed up for, and honesty aligns with your shared values ... But you also want more. You want answers. The bad news? There is no one right way to do this. The good news? You can have anything you want.” If you’ve ever wondered how to try an open relationship or polyamory, *Open Monogamy* gives you the tools you need to create a commitment agreement as unique as your love.

**Polywise** - Jessica Fern 2023-08-29

As polyamory continues to make its way into the mainstream, more and more people are exploring consensual non-monogamy in the hope of experiencing more love, connection, sex, freedom, and support. While for many, the move expands personal horizons, for others, the transition can be challenging, leaving them blindsided and overwhelmed. Beyond the initial transition to non-monogamy, many struggle with the root issues beneath the symptoms of broken agreements, communication challenges, increased fighting, and persistent jealousy. Polyamorous psychotherapist Jessica Fern and restorative justice facilitator David Cooley share the insights they have gained through thousands of hours working with clients in consensually non-monogamous relationships. Using a grounded theory approach, they explore the underlying challenges that non-monogamous individuals and partners can experience after their first steps, offering practical strategies for transforming them into opportunities for new levels of clarity and intimacy.

**Summary of Susan Wenzel's A Happy Life in an Open Relationship** - Everest Media, 2022-04-30T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 Research shows that 20 million American couples are in sexless marriages and relationships. Many other couples decide to stay together even though they are not happy in their monogamous marriage, because of financial reasons, family unity, or religious values. #2 Consensual nonmonogamy is a relationship between two people who agree to have sexual or romantic relationships with other people. It is the opposite of monogamy, which describes relationships between two people who agree to sexual and romantic exclusivity. #3 CNM relationships can occur between any two people, regardless of their gender or sexual orientation. They typically involve an open relationship, wherein a couple decides to include experiences with other people for sexual pleasure. #4 In the polyamorous community, I would be considered a bipoly, or someone who is both bisexual and polyamorous.

**A Happy Life in an Open Relationship** - Susan Wenzel 2020-03-10

Discover the secrets to successful open relationships. *A Happy Life in an Open Relationship* is a handbook to healthy nonmonogamous relationships. For anyone curious about open relationships, here is a valuable handbook from an expert in love, sex, and communication. Relationship therapist Susan Wenzel—who is in

an open marriage herself—delivers skillful advice on how to navigate the complex emotional landscape of multi-partner relationships, from polyamory to swinging. • Filled with of compelling personal stories, anecdotes from clients, and practical exercises • A guide to cultivating harmonious and fulfilling open relationships • Author Susan Wenzel is a sex and relationship therapist with years of experience counseling patients on issues related to monogamy, intimacy, and trust. A Happy Life in an Open Relationship will help you develop your trust and communication skills, explore sexuality and desire, build your confidence and self-worth, set healthy boundaries, overcome jealousy, and so much more.
