*Come As You Are: Revised and Updated* - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

**The Right to Sex** - Amia Srinivasan 2021-08-19

A SUNDAY TIMES BESTSELLER BLACKWELL'S BOOK OF THE YEAR 2021 SHORTLISTED FOR THE

ORWELL PRIZE 2022 Essential lessons on the world we live in, from one of our greatest young thinkers – a guide to what everybody is talking about today 'Unparalleled and extraordinary . . . A bracing revivification of a crucial lineage in feminist writing' JIA TOLENTINO 'I believe Amia Srinivasan's work will change the world' KATHERINE RUNDELL 'Rigorously researched, but written with such spark and verve. The best non-fiction book I have read this year' PANDORA SYKES ----- How should we talk about sex? It is a thing we have and also a thing we do; a supposedly private act laden with public meaning; a personal preference shaped by outside forces; a place where pleasure and ethics can pull wildly apart. Since #MeToo many have fixed on consent as the key framework for achieving sexual justice. Yet consent is a blunt tool. To grasp sex in all its complexity – its deep ambivalences, its relationship to gender, class, race and power – we need to move beyond 'yes and no', wanted and unwanted. We need to interrogate the fraught relationships between discrimination and preference, pornography and freedom, rape and racial injustice, punishment and accountability, pleasure and power, capitalism and liberation. We need to rethink sex as a political phenomenon. Searching, trenchant and extraordinarily original, *The Right to Sex* is a landmark examination of the politics and ethics of sex in this world, animated by the hope of a different one.

*The Essential Elements of Sex* - Eryn-Faye Frans LL B. 2012-12

*The Essential Elements of Sex*; provides you with the building blocks you need for the sex life you have always hoped for and dreamed about in your marriage. We are facing an epidemic of divorce in the church, and the dirty little secret is that these marriages are falling apart because we, as Christians, are woefully unprepared for the most taboo aspect of our relationship—sex. *The Essential Elements of Sex* outlines information crucial to the foundation of sexual intimacy and describes the nine essential elements necessary to build a strong, sustainable partnership. Eryn-Faye Frans combines the authoritative research of some of the most renowned experts in the field with her own experience coaching thousands of individuals and couples across North America. In *The Essential Elements of Sex*, she provides a biblically based, scientifically established understanding of the issues men and women face in the bedroom. She debunks myths about sexual intimacy, provides answers to commonly asked questions, offers tips and how-tos, and suggests practical exercises that can improve communication, intimacy and appreciation for each other.
