What's Left of the Night - Ersi Sotiropoulos 2018-10-02

“A lyrical and erotic reimagining of the gay Greek-Alexandrian poet C.P. Cavafy’s three-day trip to Paris in 1897 . . . dizzying, fevered and beautiful.” —The Millions Winner of the 2019 National Translation Award
In June 1897, the young Constantine Cavafy arrives in Paris on the last stop of a long European tour, a trip that will deeply shape his future and push him toward his poetic inclination. With this lyrical novel, tinged with a hallucinatory eroticism that unfolds over three unforgettable days, celebrated Greek author Ersi Sotiropoulos depicts Cavafy in the midst of a journey of self-discovery across a continent on the brink of massive change. He is by turns exhilarated and tormented by his homosexuality; the Greek-Turkish War has ended in Greece’s defeat and humiliation; France is torn by the Dreyfus Affair, and Cavafy’s native Alexandria has surrendered to the indolent rhythms of the East. A stunning portrait of a budding author—before he became one of the 20th century’s greatest poets—that illuminates the complex relationship of art, life, and the erotic desires that trigger creativity. “A perfect book.” —Edmund White, author of *A Boy’s Own Story* “The novel is as sensual as it is erudite, a stirringly intimate exploration of the private, earthy place where creation commences.” —The Wall Street Journal “A remarkable novel . . . both a radiant work of the imagination and a fitting tribute to the greatest Greek poet of the twentieth century.” —The Times Literary Supplement “Engaging and original . . . powerfully erotic . . . This is a hallucinatory work of art, in every sense.” —The Literary Review

The Floating Opera and The End of the Road - John Barth 1988

El plantador de tabaco - 2015

Transcurren los últimos años del siglo XVII, y el desafortunado y torpe Ebenezer Cooke es enviado al Nuevo Mundo desde Londres para hacerse cargo de la plantación de tabaco de su padre y escribir *La Marylandiada*, un poema épico sobre la vida en la colonia de Maryland. Durante su odisea, Cooke es capturado por piratas e indios, pierde la herencia de su padre a manos de unos impostores sin escrúpulos, se enamora de una prostituta campesina, es víctima de conspiraciones secretas, tanto por parte de hombres como de mujeres que quieren robarle su virginidad, y tropieza con una extraordinaria galería de personajes traicioneros que cambian constantemente de identidad. Considerada por los críticos como la obra maestra indiscutible de Barth, *El plantador de tabaco* ha adquirido el estatus de clásico contemporáneo y es una obra relevante para los lectores de cualquier época.

Among Strange Victims - Daniel Saldaña Par's 2016-06-07

Slackers meets Savage Detectives in this polyphonic ode to the pleasures of not measuring up.

Arboretum - David Byrne 2019-12-05

For over thirty years, besides making music, David Byrne has focused his unique genius upon forms as diverse as the archaeology of music as we know it, architectural photography and the uses of PowerPoint. Now he presents his most personal work to date, a collection of drawings exploring the form of the tree diagram. *Arboretum* is an eclectic blend of science, automatic writing, self-analysis and satire. A journey through irrational logic - the application of scientific rigour and form to irrational premises, proceeding from careful nonsense to unexpected sense. The tree diagram is a form that might reveal more about yourself than you dreamed possible.

Shuggie Bain - Douglas Stuart 2020-02-20

Winner of the Booker Prize Winner of 'Book of the Year' and 'Debut of the Year' at the British Book Awards The Million-Copy Bestseller 'An amazingly intimate, compassionate, gripping portrait of addiction, courage and love.' - The judges of the Booker Prize 'Douglas Stuart has

written a first novel of rare and lasting beauty.' - Observer It is 1981. Glasgow is dying and good families must grift to survive. Agnes Bain has always expected more from life, dreaming of greater things. But Agnes is abandoned by her philandering husband, and as she descends deeper into drink, the children try their best to save her, yet one by one they must abandon her to save themselves. It is her son Shuggie who holds out hope the longest. Shuggie is different, he is clearly no' right. But Shuggie believes that if he tries his hardest, he can be normal like the other boys and help his mother escape this hopeless place. Shuggie Bain lays bare the ruthlessness of poverty, the limits of love, and the hollowness of pride. For readers of *A Little Life* and *Angela's Ashes*, it is a heartbreaking novel by a brilliant writer with a powerful and important story to tell. 'A heartbreaking novel' - The Times 'Tender and un sentimental . . . The Billy Elliot-ish character of Shuggie . . . leaps off the page.' - Daily Mail

Aby M. Warburg 2016-11-01

Aby M. Warburg (1866-1929) is recognized not only as one of the century's preeminent art and Renaissance historians but also as a founder of twentieth-century methods in iconology and cultural studies in general. Warburg's 1923 lecture, first published in German in 1988 and now available in the first complete English translation, offers at once a window on his career, a formative statement of his cultural history of modernity, and a document in the ethnography of the American Southwest. This edition includes thirty-nine photographs, many of them originally presented as slides with the speech, and a rich interpretive essay by the translator.

La Librería de Lls Escritores - Mijaíl Osorguín 2007-11

In the Moscow of 1918, the absence of censorship that follows the October Revolution promptly gives way to an even greater censorship. So the novelist and bibliophile Mihail Osorgin, along with a handful of fellow intellectuals in Moscow, decides to open what came to be known as The Writers' Bookshop. En el Moscú de 1918, la ausencia de censura que sigue a la Revolución de Octubre pronto se convierte en una censura aún

mayor. El escritor y bibliófilo Mijaíl Osorguín decide entonces, junto a un puñado de intelectuales, fundar en Moscú la que llaman La Librería de los Escritores.

Contra Amazon - Jorge Carrión 2023-07-17

A edição brasileira de *Contra Amazon* — título que, por aqui, ganhou o complemento: e outros ensaios sobre a humanidade dos livros — traz dezessete textos assinados por Jorge Carrión, presentes na edição original, incluindo "Contra Amazon: sete razões / um manifesto", e um Post-scriptum sobre a situação das livrarias durante a pandemia de covid-19, também assinado pelo autor. A grande novidade fica por conta dos textos assinados por pequenos livreiros e livreiras do país. A ideia é que as críticas à Amazon vindas de um autor estrangeiro, com uma vivência livresca global, fizessem eco no dia a dia de brasileiros e brasileiras que estão felizes, batalhando — e pagando as contas, apesar de todas as dificuldades — em pequenos estabelecimentos onde o cliente entra, conversa, senta, passeia pelas prateleiras, toma um café (muitas vezes, cortesia da casa), conversa mais e só então, talvez, leva um livro.
