

Lost And Found True Tales Of Love And Rescue From Battersea Dogs Cats Home

Saving Simon Jon Katz 2014-10-07 In this heartfelt, thoughtful, and inspiring memoir, New York Times bestselling author Jon Katz tells the story of his beloved rescue donkey, Simon, and the wondrous ways that animals make us wiser and kinder people. In the spring of 2011, Jon Katz received a phone call that would challenge every idea he ever had about mercy and compassion. An animal control officer had found a neglected donkey on a farm in upstate New York, and she hoped that Jon and his wife, Maria, would be willing to adopt him. Jon wasn't planning to add another animal to his home on Bedlam Farm, certainly not a very sick donkey. But the moment he saw the wrenching sight of Simon, he felt a powerful connection. Simon touched something very deep inside of him. Jon and Maria decided to take him in. Simon's recovery was far from easy. Weak and malnourished, he needed near constant care, but Jon was determined to help him heal. As Simon's health improved, Jon would feed him by hand, read to him, take him on walks, even confide in him like an old and trusted friend. Then, miraculously, as if in reciprocation, Simon began to reveal to Jon the true meaning of compassion, the ways in which it can transform our lives and inspire us to take great risks. This radically different perspective on kindness and empathy led Jon to a troubled border collie from Ireland in need of a home, a blind pony who had lived outside in a pasture for fifteen years, and a new farm for him and Maria. In the great tradition of heroes—from Don Quixote to Shrek—who faced the world in the company of their donkeys, Jon came to understand compassion

and mercy in a new light, learning to open up “not just to Simon, not just to animals, but to the human experience. To love, to risk, to friendship.” With grace, warmth, and keen emotional insight, *Saving Simon* plumbs the depths of the bonds we form with our animals, and the rewards of “living a more compassionate, considered, and meaningful life.” Praise for *Saving Simon* “Heartwarming . . . a touching tale.”—USA Today “Highly recommended . . . an enjoyable and thoughtful work.”—Library Journal (starred review) “[*Saving Simon*] handles the emotional highs and lows of living with animals with empathy and thoughtfulness, forcing readers to re-examine their own meanings of compassion and mercy.”—Kirkus Reviews “The message of this true story will linger with the reader long after the book has been placed on the shelf.”—Bookreporter

[Home for Christmas](#) Florence McNicoll 2021-01-27 Kathy Brentwood is good at keeping it together - or so it seems to the people around her. But really, struggling with grief after the death of her husband, Kathy's life has become small. Her days are organised, her house is neat, but she's desperately lonely - and with her son starting to build a life of his own, she isn't sure where she fits anymore. On Christmas Day, a chance encounter with a man called Ben and a rescue dog leads Kathy to the door of Battersea Dogs and Cats Home. She meets Milly, the shy greyhound in need of a loving home; Baxter, the friendly Staffie who brings everyone together and Archie the Jack Russell Terrier who is a true original and has a heart of gold Through a year of ups and downs, new friends - both two and four-legged - and even the possibility of romance, a new life beckons for Kathy, if only she is brave enough. Because at Battersea Dogs And Cats Home, it is never too late for a second chance - especially at Christmas.

A Friend for Life Battersea Dogs & Cats Home 2016-10-20 'For every dog or cat saved from an unhappy situation or uncertain future, there is a human story too. The stories in this book show how

rewarding pet ownership can be.' - Paul O'Grady Battersea Dogs and Cats Home is the oldest and most-loved animal home in the country, caring for thousands of lost, abandoned or unwanted cats and dogs every year. But while they play a vital role in saving animals, quite often these animals go on to save their new owners in surprising ways. In this book, you'll meet: · Bibi the Staffie, who helped her owner make a remarkable recovery after a stroke · Kobi the Husky, who had never seen sunlight until he was rescued · Minty the three-legged cat, who formed a special bond with a baby · Marjorie the Bulldog, who went from being abandoned on the streets to meeting the Queen! Featuring moving but uplifting real life stories about the animals that have passed through Battersea's doors, *A Friend for Life* will strike a chord with anyone whose life has been blessed by animals. Royalties from the sale of this book go towards supporting the work of Battersea Dogs and Cats Home (registered charity no. 206394).

Lucy's Law Marc Abraham 2020 HOW A LITTLE DOG CHANGED THE WORLD The true story of one little dog who helped bring an end to puppy farming in the UK. Lucy, a Cavalier King Charles Spaniel, was born into a Welsh puppy farm in 2008. She was repeatedly bred to produce litters of cute puppies, who were taken from her shortly after birth to be sold online and transported many miles across the UK. Life on a puppy farm is grim, and the dogs aren't vaccinated, loved or looked after. Lucy was rescued in 2013 and was in a terrible way - her spine was fused, she was covered in scalds and burns, blind in one eye, had crippling arthritis, separation anxiety, and was badly underweight. Her life turned around when she was chosen for adoption and rehabilitated by Lisa Garner, dog-lover extraordinaire. Lisa had shared her life with many dogs beforehand, but she recognised something extra special about little Lucy, and so their unique journey together began which would eventually change the world... The author is a regular guest on shows including BBC

Breakfast, ITV's This Morning, and Sky News. Marc frequently writes articles raising awareness for animal welfare and is at the forefront of worldwide campaigns. Lucy's Law comes into effect on 6 April 2020, revolutionising the UK's approach to animal rights.

A Home of Their Own Garry Jenkins 2011-09 "Battersea Dogs & Cats Home is the best-known animal sanctuary in the world. Since it first opened its doors to dog owners in 1860, millions of lost, abused and abandoned pets have benefited from its founder's promise that no dog or cat in any condition be, on any pretence whatever, refused admittance . Around the world Battersea is a byword for compassion and hope. It hasn't always been this way. When the Home was first established, Victorian London had little time for the canine strays that routinely wandered its grimy streets; homeless dogs found on the pavements were routinely destroyed. During its early years the Home was threatened by financial crises, threats of eviction and legal action by neighbours upset by the constant barking. Then came rabies epidemics and the Blitz. Yet the Home not only survived, it thrived. This is the story of this remarkable institution. On one level it tells how the treatment of the dogs and cats has evolved, and not always for the better. But at its heart is the story of the remarkable characters - both canine, feline and human - who made Battersea what it is today. From the mysterious Mary Tealby, the remarkable founder of the Home, to Ai

A Dog Without Hope Barby Keel 2020-05-26 When tiny puppy Duke is dumped at the doors of the Barby Keel Animal Sanctuary by his young owners, the brown and white boxer is suffering from horrendous injuries resulting from a car accident. Having been operated on by an incompetent vet, his back leg has been amputated in a botched surgery, leaving him weak and barely able to stand. With gentle love and care, Barby and her team at the Sanctuary work hard to give this brave little dog a second lease of life. Playful and loving, despite his difficult start in life, Duke is desperate for a

forever family to call his own. But put off by his terrible injury, Barby is heartbroken as she watches Duke get rejected over and over again by potential owners. Will Duke ever find someone to love him?

Rescue Matters Charmaine J. English 2018-12-13 Rescue Matters is based on true events that happened in Rolette County, North Dakota from 2013 to 2018, a five year period of time where blood

was spilled and sweat and tears formed rivers. One man rallied a small team who would transform a landscape known for death and despair into hope and salvation. By saving nearly seventy starving and unwanted animals each month, Keith Benning and his team have changed the world for thousands of dogs and tens of thousands more to come. Through a series of riveting and inspiring real-life rescue stories, *Rescue Matters* tells a larger tale of tragedy-meets-redemption. In a land forgotten, with an insurmountable problem, a spark of hope ignites a fire. One man's will to persevere against all odds proves that it doesn't take a government or law to change the world. It only takes a few people trying to make a difference to start a revolution.

Winter Solstice Rosamunde Pilcher 2008-12-11 A beautiful novel by the much-loved Rosamunde Pilcher. Elfrida Phipps loves her new life in her pretty Hampshire village. She has a tiny cottage, her faithful dog Horace and the friendship of the neighbouring Blundells - particularly Oscar - to ensure that her days include companionship as well as independence. But an unforeseen tragedy upsets Elfrida's tranquillity: Oscar's wife and daughter are killed in a terrible car crash and he finds himself homeless when his stepchildren claim their dead mother's inheritance. Oscar and Elfrida take refuge in a rambling house in Scotland which becomes a magnet for various waifs and strays who converge upon it, including an unhappy teenage girl. It could be a recipe for disaster. But somehow the Christmas season weaves its magical spell and for Elfrida and Oscar, in the evening of their lives, the winter solstice brings love and solace.

We hear from the young boy whose Battersea dog helped him to deal with a serious autoimmune disease, and from a woman whose Staffie was the friend who got her through cancer. We meet the couple who were brought together by a Battersea dog; the man who took on a three-legged kitten which changed his life; and the former Battersea hound who became a search and rescue dog. Read these and many other powerful stories from Battersea Dogs & Cats Home. Lost and Found has something for dog and cat lovers alike, and is perfect reading for fans of A Streetcat Named Bob and Paul O'Grady's For The Love Of Dogs. Battersea Dogs & Cats Home is the UK's oldest and most famous home for dogs and cats. The Home aims never to turn away a dog or cat in need of help, reuniting lost dogs and cats with their owners or caring for them until new homes can be found. Battersea also works to educate the public about responsible pet ownership. Every year the Home cares for over 9,000 lost, abandoned and neglected dogs and cats, and in 2010 the home marked its 150th anniversary.

Molly and Me Colin Butcher 2019-05-02 Ex-policeman Colin Butcher had just set up his own pet detective agency. It was running smoothly but he realized he needed a partner. And that's when inspiration struck . . . Enter Molly, an unloved and unwanted cocker spaniel rescued from a classifieds website. Clever and charismatic, she melts Colin's heart, the two are soon inseparable. With Colin by her side, Molly cracks cases and solve crimes across the country, using her exceptional sense of smell to locate missing pets and reunite them with their grateful owners. From the search for Pablo the ginger tom who's kidnapped from a sleepy Devonian village, to unearthing a treasure trove of stolen jewels in a north London wood, Colin and Molly's work takes them around the country, with plenty of new friends and eccentric encounters along the way. By turns charming,

moving, and thrilling, Molly and Me is the story of a rescue cocker spaniel with a troubled past who - thanks to the love and devotion of her owner - finds a new life, a new purpose and a forever friend.

Rescue Me Melissa Wareham 2010 Melissa Wareham always wanted to work with dogs. After failing her biology O-level, she realised she'd have to start at the bottom, cleaning out kennels at Battersea Dogs Home. From frail old men looking for a four-legged companion to famous folk who've lost their favourite hound, it seemed that at some point everyone passes through Battersea's doors. Amongst the clamour of thousands of lost pets crying 'Rescue Me!' and the noise of the railway lines above, Melissa found she had come home. The first dog Melissa fell for was Tulip, a sweet, elderly and somewhat dotty mongrel who decided a solo bus ride into the West End might be fun. Next up was Roscoe: found by the ambulance team with his dead owner, he is rehabilitated with a little help from his master's hat. And then - many, many dogs later - there is Gus. With his owner in jail, Melissa finally finds the dog she is to take home as her own. Heart-warming and compulsively readable, "Rescue Me" is Melissa's memoir of her fifteen years at Britain's most-loved dogs' home.

Rusty's Story Jane Clarke 2010 Holly's parents promised that she could have a puppy when her new brother is born--and Holly can't decide which is more exciting: baby Adam or Rusty the terrier arriving in her home! Rusty takes to his new life like a duck to water. Literally, he loves jumping in the garden pond and even the bathtub. The family decide to go on holiday to the Isle of Wight, and Rusty is coming too. The first few days are full of sunbathing, playing on the beach, and lots of ice cream, but when Holly gets caught in a strong sea current, Rusty has to perform his best doggie paddle to rescue her!

[The Street Dog Who Found a Home](#) Barby Keel 2018-05-17 A heartwarming true animal story, for fans of A Dog's Purpose, A Street Cat Named Bob and Marley & Me. When Chewy the dog arrives at

the animal sanctuary run by the inimitable Barby Keel, the scrawny little dog is terrified. Having been abandoned by his beloved owner, who is himself homeless, Chewy's whole world has been turned upside down. After years of sleeping on the streets, Chewy knows what it is to be cold and hungry, to have nowhere safe to stay, no warm bed to sleep on, no regular food or time to play. Despite her resolve to not get too attached to the animals that come into her care, Barby cannot help but feel there is something special about this little dog. Soon he won't let Barby out of his sight, and in doing so works his way into her heart. But some scars run too deep and it takes every ounce of Barby's patience to help Chewy heal from the traumas of his past. In doing so, Barby learns that in healing others, we often heal ourselves. A Street Cat Named Bob meets Marley & Me, The Street Dog Who Found a Home is a beautifully uplifting and heartwarming tale of the love and friendship that exists between humans and animals.

Chewy Bruce Klein 2014-05-22 "I really enjoyed Chewy - a book with a powerful and heart-warming message. In a world where old-fashioned notions like community, closeness and neighbourliness seem to have been lost, it is one of those unexpected stories that restore your faith in our collective nature. It also reminds us, once again, what an important role animals can play in our lives" - James Bowen, author of A Street Cat Named Bob The first time Bruce Klein caught sight of Chewy, this beautiful street dog captured his heart. Chewy had been a stray since he was a puppy. Sometimes he travelled with other street dogs, but more often he made his rounds alone. Bruce began to feed this timid St Bernard Cross, and he soon met other locals who looked out for Chewy too. The neighbours saw Chewy shivering in the winter rain, and knew it would only be a matter of time until the local animal control put him down. Bruce was happy to take him home, but Chewy was big and frightened. Rescuing him wouldn't be simple - the neighbours had to devise a plan ... Chewy is the

uplifting true story of how a whole neighbourhood came together to change one dog's life. It will capture your heart too.

Buster Will Barrow 2015-01-29 The Sunday Times Top Ten Bestseller Thousands of lives have been saved by this spaniel. He is a best friend in dog's clothing. An RAF dog with his mossy feet firmly on the ground. A brave dog who has served his colleagues and his country with unstinting devotion. A dog in a million. This is the story of the partnership of Buster and Will, told by Will himself, describing how each came to save the other's life. This is a relationship that produced some heroic feats in the dust and desert heat of Afghanistan - and beyond. Buster, uniquely, has served five tours of duty - more than any other military dog. "With some dogs you share a boil in the bag breakfast and maybe a blanket on a cold desert floor. Some you wouldn't leave in charge of your Grandma unless you wanted to find out just how fast the old girl could run. But, if you're very, very lucky there will be the one dog you would lay down your life for - and for me that dog is Buster." As told to Isabel George.

The Great Cat and Dog Massacre Hilda Kean 2017-03-14 In 1939, 400,000 cats and dogs were massacred in Britain, their corpses heaped up outside veterinarians offices. Fear of the imminent German blitz led the government to urge pet owners to spare their animal companions so that they would not suffer in the bombing raids. Hilda Kean's gripping narrative of this little-known event includes tales of smuggling pets into bomb shelters, trading bits of cat food on the black market, and

preemptively killing thousands of pets at the start of the war to save the food supplies in England. Kean is able to show vividly how pets were an important part of British wartime experience. She pays close attention to animals, both symbolic and actual, arguing that after the pet massacre, human-animal bonds became stronger and closer. In the process of telling this history, Kean necessarily complicates the picture of World War II as the good war fought by a nation of good, animal-loving people. Her close use of primary materials (diaries, personal sources, contemporary newspapers, collective public reports on daily life, etc.) gives palpable reality to the animals and their fate at this time. This forgotten aspect of Britain's history makes us rethink accepted accounts of the War and shows the ways in which animal and human histories are inextricably linked. We are also constrained to rethink our assumptions about ourselves and the animals with whom we share our homes."

The Mating Season P.G. Wodehouse 2009-10-06 _____ A Jeeves and Wooster novel 'It's hard to single out one book as the entire Jeeves and Wooster collection is Bach Rescue Remedy in literary form, but this tale of romantic imbroglio is a priceless hoot... Every sentence is a perfectly wrought delight.' Independent At Deverill Hall, an idyllic Tudor manor in the picture-perfect village of King's Deverill, impostors are in the air. The prime example is man-about-town Bertie Wooster, doing a good turn to Gussie Fink-Nottle by impersonating him while he enjoys fourteen days away from society after being caught taking an unscheduled dip in the fountains of Trafalgar Square. Bertie is of course one of nature's gentlemen, but the stakes are high: if all is revealed, there's a danger that Gussie's simpering fiancée Madeline may turn her wide eyes on Bertie instead. It's a brilliant plan - until Gussie himself turns up, imitating Bertram Wooster. After that, only the massive brain of Jeeves (himself in disguise) can set things right.

Second-Chance Cats Callie Smith Grant 2020-09-15 There's no feeling quite like that of getting a second chance and a fresh start. This heartwarming collection includes more than 30 true, contemporary stories told by a variety of writers, including Melody Carlson, Lauraine Snelling, and Kristin Billerbeck. Each feel-good story involves cat rescue, some in a typical way and others in surprising--even miraculous--ways. Sometimes the question becomes: Really, who rescued whom? A thoughtful gift for the cat lover in your life, *Second-Chance Cats* is the purrfect companion for cozy nights, lazy weekends, and any time you need a pick-me-up.

The Best New True Crime Stories: Serial Killers Mitzi Szereto 2019-11-19 Travel around the world and inside the minds of monsters in this true crime anthology featuring sixteen astonishing serial killer exposés. Serial killers: Ted Bundy, John Wayne Gacy, and Jeffrey Dahmer are often the first names that spring to mind. Many people assume serial killers are primarily an American phenomenon that came about in the latter part of the twentieth century—but such assumptions are far from the truth. Serial killers have been around for a long time and can be found in every corner of the globe—and they're not just limited to the male gender, either. Some of these predators have been caught and brought to justice whereas others have never been found, let alone identified. Serial killers can be anywhere. And scarier still, they can be anyone. Edited by acclaimed author and anthologist Mitzi Szereto, *The Best New True Crime Stories: Serial Killers* reveals all-new accounts of true-crime serial killers from the contemporary to the historic. The international list of contributors includes award-winning crime writers, true-crime podcasters, journalists, and experts

in the dark crimes field such as Martin Edwards, Lee Mellor, Danuta Kot, Craig Pittman, Richard O. Jones, Marcie Rendon, Mike Browne, and Vicki Hendricks. This book will leave you wondering if it's ever really possible to know who's behind the mask you're allowed to see. Perfect for readers of true crime books such as *I'll Be Gone in the Dark*, *Mindhunter*, *The Devil in the White City*, or *Sons of Cain*. "An engrossing and multi-faceted anthology for a new era of true crime writing." —Piper Weiss, author of *You All Grow Up* and *Leave Me*

Little Brown Dog Paula S. Owen 2021-09-15 When friends Lena and Eliza hear rumours of barbaric experiments being conducted under the guise of scientific progress, they infiltrate the closed ranks of elitist, male-dominated academia to help expose the callous truth. How much will Lena and Eliza risk in their fight against intolerable cruelty? What are they prepared to lose? Based on events that shook Edwardian London society and sent shock waves across Britain, *Little Brown Dog* is a deeply emotive, at times humorous, and agelessly important story that resonates with modern dilemmas regarding our careless treatment of nature.

Charlie Chooses Lou Peacock 2021-05-18 Charlie has a hard time choosing. It doesn't matter if the choice is between flavors of ice cream, pairs of underwear, or whether to sleep with the lights on or off—the options are always overwhelming. In fact, it's easier when Charlie doesn't choose at all. However, with Charlie's birthday fast approaching, he is determined to choose the absolute best gift for himself: a dog! And when a furry friend chooses him instead, making decisions suddenly becomes a little bit easier.

Mark Twain's Book of Animals Mark Twain 2011-07 "For those unaware—as I was until I read this book—that Mark Twain was one of America's early animal advocates, Shelley Fisher Fishkin's collection of his writings on animals will come as a revelation. Many of these pieces are as fresh and lively as when they were first written, and it's wonderful to have them gathered in one place."

—Peter Singer, author of *Animal Liberation* and *The Life You Can Save* "A truly exhilarating work. Mark Twain's animal-friendly views would not be out of place today, and indeed, in certain respects, Twain is still ahead of us: claiming, correctly, that there are certain degraded practices that only humans inflict on one another and upon other animals. Fishkin has done a splendid job: I cannot remember reading something so consistently excellent."—Jeffrey Moussaieff Masson, author of *When Elephants Weep* and *The Face on Your Plate* "Shelley Fisher Fishkin has given us the lifelong arc of the great man's antic, hilarious, and subtly profound explorations of the animal world, and she's guided us through it with her own trademark wit and acumen. Dogged if she hasn't." —Ron Powers, author of *Dangerous Water: A Biography of the Boy Who Became Mark Twain* and *Mark Twain: A Life*

Spitalfields Life The Gentle Author 2013-07-16 "I am going to write every single day and tell you

about my life here in Spitalfields at the heart of London..." Drawing comparisons with Pepys, Mayhew and Dickens, the gentle author of *Spitalfields Life* has gained an extraordinary following in recent years, by writing hundreds of lively pen portraits of the infinite variety of people who live and work in the East End of London. Everything you seek in London can be found here - street life, street art, markets, diverse food, immigrant culture, ancient houses and history, pageants and parades, rituals and customs, traditional trades and old family businesses. Spend a night in the bakery at St John, ride the rounds with the Spitalfields milkman, drop in to the Golden Heart for a pint, meet a fourth-generation paper bag seller, a mudlark who discovers treasure in the river Thames, a window cleaner who sees ghosts and a master bell-founder whose business started in 1570. Join the bunny girls for their annual reunion, visit the wax sellers of Wentworth Street and discover the site of Shakespeare's first theatre. All of human life is here in *Spitalfields Life*.

Suzy's Story Battersea Dogs & Cats Home 2012-03-29 The latest title in this perfectly pitched and packaged series for young readers -- resistance is futile! Eight-year-old Naima dreams of being on the stage. She loves singing and dancing, and has been performing in local talent shows with her big sister, Mina, since she was five. But recently Mina has been too busy to spend time practising their routines -- she's always chatting on the phone with her friends and giggling about boys. Suzy, the adorable springer spaniel pup, loves the limelight just as much as Naima -- and when Mum spots an advert for an animal talent show, it looks like Naima has found the perfect partner to join her on the stage!

Will You Love Me? The Rescue Dog that Rescued Me Barby Keel 2018-11-01 Rain is lashing down when Barby Keel is called out to an emergency unfolding at the gates of her animal sanctuary, deep

in the Sussex countryside. A greyhound had been dumped under the cover of darkness, and is at death's door. In the 37 years she has dedicated her life to the welfare of animals, Barby has witnessed the horrors that humans are capable of, but never has she seen anything as barbaric as this poor dog's condition. Cigarette burns scar his flank, and he is so malnourished that he struggles to stand, every rib showing through his patchy fur. It's touch-and-go whether he will survive the night. The dog, who Barby names Bailey, proves he has a fighting spirit and, slowly but surely, begins the long road to recovery. But Barby is facing her own battle with ill health - one that threatens the future of the entire sanctuary... Will You Love Me? is an emotional, joyful true story of the deepest bond that exists between humans and animals, and shows how in rescuing others, we can rescue ourselves.

Speculative Everything Anthony Dunne 2013-12-06 How to use design as a tool to create not only things but ideas, to speculate about possible futures. Today designers often focus on making technology easy to use, sexy, and consumable. In *Speculative Everything*, Anthony Dunne and Fiona Raby propose a kind of design that is used as a tool to create not only things but ideas. For them, design is a means of speculating about how things could be—to imagine possible futures. This is not the usual sort of predicting or forecasting, spotting trends and extrapolating; these kinds of predictions have been proven wrong, again and again. Instead, Dunne and Raby pose “what if” questions that are intended to open debate and discussion about the kind of future people want (and do not want). *Speculative Everything* offers a tour through an emerging cultural landscape of design ideas, ideals, and approaches. Dunne and Raby cite examples from their own design and teaching and from other projects from fine art, design, architecture, cinema, and photography. They also draw on futurology, political theory, the philosophy of technology, and literary fiction. They show us,

for example, ideas for a solar kitchen restaurant; a flypaper robotic clock; a menstruation machine; a cloud-seeding truck; a phantom-limb sensation recorder; and devices for food foraging that use the tools of synthetic biology. Dunne and Raby contend that if we speculate more—about everything—reality will become more malleable. The ideas freed by speculative design increase the odds of achieving desirable futures.

Walking Ollie: Winning the Love of a Difficult Dog Stephen Foster 2007-03-01 One winter's afternoon, Stephen Foster walked into a dog re-homing centre with the intention of picking up a retired greyhound. Instead, he acquired an abandoned lurcher pup, even though his knowledge of dogs was very vague. This book presents an account of one man's attempt to turn a psychotic wild animal into something resembling a domestic pet.

Penny The Railway Pup Brian L. Porter 2022-02-23 Penny's story is the fourth in Brian L. Porter's award-winning rescue dog series and features a tiny terrier, abandoned in a particularly cruel manner, and her subsequent adoption and life with the author and his family. From being attacked and needing emergency surgery, to days out at the coast, chasing seagulls, and stately homes, Penny's life in Brian's pack of rescue dogs has never been anything but interesting and eventful. Read her charming story, a welcome addition to the Family of Rescue Dogs series.
