Ink Exposed - Carrie Ann Ryan 2016-11-29

The Montgomery Ink series continues with the brother that deserves a second chance and the woman who has always loved him. Alex Montgomery lost his first love and then proceeded to leave himself in the bottle. Only he and his ex-wife truly know why he fell so hard and so fast down a path he never thought he'd take. Now he's clean, out of rehab, and learning how to be a Montgomery once again—a task that isn't quite as easy as some of his family assumes. Tabby Collins is an honorary Montgomery and the organizational mastermind behind Montgomery Inc., the family's construction company. She loves her planners, friends, and a

certain dark-haired man who's never given her a second glance. Alex is slowly immersing himself back into the world, but the demons he faced before aren't done with him yet. When Alex discovers that Tabby's life is in danger, he not only finds a way to help her but learns the true woman behind the soft smiles he's always seen. Their romance won't be an easy one, but nothing this passionate and heart-pounding ever is.

2020-10-16

NYT Bestselling Carrie Ann Ryan continues her  
Montgomery Ink series with a forbidden  
romance worth the risk. Decker Kendrick has  
kept away from her for years, but now his best  
friend's little sister is stepping up the game. No  
matter how hard he's tried to stay away from  
Miranda, once she sets her sights on him, there's  
no backing down. Miranda Montgomery has  
loved her brother's best friend for as long as she  
can remember and won't walk away until he  
knows how she feels and what they could have  
together. Only once they give in to their  
temptations, not all is at it seems. Decker's  
father is out of jail, and someone from Miranda's  
past refuses to stay away. And if he isn't careful,  
Decker will lose her before they even have a  
chance.

[Inked Nights: A Montgomery Ink Novella](#) - Carrie Ann Ryan 2018-09-24

From New York Times and USA Today bestselling author Carrie Ann Ryan comes a new story in her Montgomery Ink series... Tattoo artist, Derek Hawkins knows the rules: One night a month. No last names. No promises. Olivia Madison has her own rules: Don't fall in love. No commitment. Never tell Derek the truth. When their worlds crash into each other however, Derek and Olivia will have to face what they fought to ignore as well as the connection they tried to forget. \*\*Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.\*\*
