TIMES OF EXPRESSION & POETRY Mark T. Browning 2013-02-28 We all go through life having experienced different challenges and situations. Whether we are rich or poor we have seen some things that are great in life and we have also seen some things that are horrible in life. The experiences and challenges that we have personally overcome as individuals somehow shape us. The writer uses life experiences and poetry to illustrate the feeling of captured time. Time captured in memory never leaves us to faded pictures or broken glass like a picture in a frame. But time captured in memory gives us feelings, emotions that fill us with joy, anger, sorrow and sometimes bitterness. Mark T. Browning writes his version of captured time in the form of a nine chapter colloquy that travels over four decades of life with friends, family members, music, celebrity personalities, poetry, fashion and the moments that seem to make time stand still. You will enjoy the descriptions of life experiences of a young boy growing up in the Ft. Greene Projects located in Brooklyn, New York only to leave the projects to experience another side of life as a man. A life filled with experiences that lead to controversial statements ranging from, war, PTSD, racism, raising a family, drugs and gun policy.

Boy Mom Monica Swanson 2019-08-06 This guidebook, packed with wisdom, practical advice, resources, and encouragement, explores how moms can equip their sons with what they most need to succeed in life. Monica Swanson knew she'd tapped a heartfelt concern when nearly two million readers shared her blog post "What a Teenage Boy Needs Most from His Mom." In this helpful book, she takes mothers deeper into the insights they need for the boy-raising journey, covering topics from dealing with the daily influences of friends and technology to helping a boy grow to be physically, spiritually, and emotionally healthy. She also addresses learning and finding passions, perspectives on relationships and dating, and work ethics and money management. Each chapter features relatable stories, handy checklists, and practical advice based on a combination of research, experience, and biblical truth to guide and equip a mom in helping her son achieve his God-given potential. Praise for Boy Mom "In Boy Mom Monica Swanson offers readers practical advice and resounding hope that parenting our sons well through all seasons is not only possible but also enjoyable. This book is like an essential trail guide that I'll refer to again and again in the beautiful and challenging adventure of motherhood."—Becky Keife, author of No Better Mom for the Job and mom of three spirited boys "Monica Swanson is the friend we all need in our lives: humble, straightforward, warm, full of wisdom, and short on nonsense—and she knows her stuff like no one else. In Boy Mom she holds the bar high yet is forthcoming about her own struggles and imperfections. Inside these pages you'll find deeply rooted biblical and practical advice along with calls to action when you don't know where to start. The Boy Mom Manifesto at the end will not only inspire you but also make your heart swell."—Kate Merrick, author of Here, Now: Unearthing Peace and Presence in an Overconnected World "Monica Swanson is the ultimate Boy Mom mentor. While her perspective on parenting is grounded in biblical wisdom, each chapter holds excellent practical tools for how to work out that wisdom on a daily basis in our homes. Of course, we know there aren't formulas that will ensure we get it all right, but we also know that gleaning wisdom from women who have gone before us (and are still in the trenches with us) is invaluable in the wonderful adventure of helping boys become all God created them to be."—Jeannie Cunnion, author of Mom Set Free

Why Is My Child in Charge? Claire Lerner 2021-09-02 Solve typical toddler challenges with eight key mindshifts that will help you parent with clarity, calmness and self-control. Through stories from her practice, Claire Lerner shows parents how making critical mindshifts—seeing their children's behaviors through a new lens —empowers parents to solve their most vexing childrearing challenges. This process puts parents back in the driver's seat, where they belong and where their children need them to be. These real life stories provide a roadmap for how to tune into the root causes of children's behavior and how to create and implement strategies that are tailored to the unique needs of each child and family. Through these stories, Claire provides a treasure trove of practical solutions that are based in science and which work in real life. Why Is My Child In Charge? picks up where other books have left parents hanging. Most parenting books offer solutions that sound good on paper but don't work in practice. They are aspirational rather than achievable, or they offer one-size-fits-all approaches that don't meet the needs of an individual child. They can compound parents' feelings of frustration and thus, can be counterproductive. Case by case, Claire unpacks the individualized process she guides parents through to solve the most common challenges such as throwing tantrums in public; delaying bedtime for hours; refusing to participate in family mealtimes; and resisting potty training. Employing a relatable story-telling approach, Claire elucidates: The faulty mindsets that pose obstacles to parents seeing the situation more objectively The essential mindshifts that enable parents to quickly identify the root causes of the problem The development of an action plan tailored to each unique child and family Why is My Child in Charge? is like having a child development specialist in your home. It shows how you can develop "win-win" strategies that translate into adaptable, happy kids and calm, connected and in-control parents. It will help you be the parent you want to be.

The Routledge Companion to Theatre and Young People Selina Busby 2022-10-31 This companion interrogates the relationship between theatre and youth from a global perspective, taking in performances and theatre made by, for, and about young people. These different but interrelated forms of theatre are addressed through four critical themes that underpin the ways in which analysis of contemporary theatre in relation to young people can be framed: political utterances - exploring the varied ways theatre becomes a platform for political utterance as a process of dialogic thinking and critical imagining; critical positioning - examining youth theatre work that navigates the sensitive, dynamic, and complex terrains in which young people live and perform; pedagogic frames - outlining a range of contexts and programmes in which young people learn to make and understand theatre that reflects their artistic capacities and aesthetic strategies; applying performance - discussing a range of projects and companies whose work has been influential in the development of youth theatre within specific contexts. Providing critical, research-informed, and research-based discussions on the intersection between young people, their representation, and their participation in theatre, this is a landmark text for students, scholars, and practitioners whose work and thinking involves theatre and young people.

Raising a Strong Daughter in a Toxic Culture Meg Meeker 2019-12-31 Parents have never had a tougher job than now. Our culture bombards our daughters with unhealthy role models, misleads them about the consequences of early sexual activity, and even adds to the confusion of adolescences by encouraging them to question their "gender." Meg Meeker has been a pediatrician for more than thirty years, is a mother and a grandmother, and has seen it all. She knows what makes for strong, happy, healthy young women—and what puts our daughters at risk. Combining that experience with her famous common sense, she explains the eleven steps that will help your daughter—whether she's a toddler or a troubled teen—to achieve her full human potential. In this book, you will learn: The four biggest questions every daughter has—and that you must answer Why it's the quality, not the quantity, of your daughter's friends that matters The essential, complementary roles that mothers and fathers play The dangers of social media—and how to help your daughter navigate them What every daughter needs to know about God Why depression is often a "sexually transmitted disease" How to launch your daughter into successful womanhood If you have a daughter, and worry about her future, you need Dr. Meg's advice.
