This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early '80s K-Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the '80s music website Sound of the Crowd and writer, producer and co-host of the unconventional '80s chart show Off The Chart, broadcast weekly on Mad Wasp Radio.

Do men and monogamy mix? It's not a question Mitchell "Little Bit"

Crawford gave much thought to until his beaufriend of almost two years, Raheim "Pooquie" Rivers, an All-American jeans model, heads to Hollywood to make his first feature film. As Mitchell soon discovers, the temptation to cheat is very real . . . and it seems to be everywhere. An ex even pops up hoping to pick up where they left -- and got -- off. While intrigued, Mitchell chalks all the attention up to "the married man" syndrome: one is much more desirable when he's attached to someone else. But as he continues to run into bisexual musician Montgomery "Montee" Simms, the look-but-don't-touch rule is put to the test. As he and Montee get closer, Mitchell's idealistic beliefs about commitment are challenged. Will he love the one he's with because he can't be with the one he loves?

The One You're With - Lauren K. Denton 2021-07-06

Written in Lauren K. Denton's signature Southern style, *The One You're With* tells the story of a seemingly perfect marriage rocked by secrets from the past. High-school sweethearts Mac and Edie Swan lead a seemingly picture-perfect life in the sleepy-sweet community of Oak Hill, near Mobile, Alabama. Edie is a respected interior designer, Mac is a beloved pediatrician, and they have two great kids and a historic home on tree-lined Linden Avenue. From the outside, the Swan family is the definition of "the good life." And life is good—mostly. Until a young woman walks into Mac's office one day. A young woman whose very existence threatens all Mac and Edie have built and all they think they know about each other. Nineteen years after a summer apart, with a family and established lives and careers, the past that Mac and Edie thought they left behind has come back to greet them. For the first time, constants in their lives are called into question: their roles as parents, their reputation as upstanding members of the community, and the very foundations of their marriage. As they wade through the upheaval in both their family and professional lives, they must each examine choices they made long ago and chart a new course for their future. Praise for *The One You're With*: "Lauren Denton is a master not only of Southern fiction, but at capturing the nuance of complicated, messy relationships. This is one of those rare books that I devoured in less than 24 hours, yet didn't want to end."—Colleen Oakley, USA TODAY bestselling author of *You Were There Too* "Reading a Lauren K. Love the One You're With - Lauren Layne 2013-12-09

Lauren Layne's Sex, Love & Stiletto series simmers to a boil as two high-powered magazine writers find love amid a war of words. As a leading columnist for *Stiletto*, Grace Brighton has built a career warning women about rotten, cheating liars. She just never suspected her fiancé would be one of them. After Grace takes a heart-mending hiatus, her first assignment is to go on a couple of dates with a counterpart from the men's magazine *Oxford* and report her impressions. Grace 1.0 may have been instantly smitten with the gorgeous correspondent, but Grace 2.0 has sworn off relationships for six months, and she's not falling for his outstanding bod and trophy-winning kisses . . . or is she? Jake Malone wants to get back to the fly-by-night, who-knows-what's-next guy he used to be, and he knows exactly how to do it. *Oxford* is adding a travel section, and Jake—with no wife and no kids and a willingness to live anywhere, eat anything, do everything—is perfect for the job . . . except that his playboy reputation makes his new editor nervous. To get the gig, he must agree to a fluffy joint article with *Stiletto*. But after just one date with snooty, sumptuous, sensational Grace Brighton, Jake starts taking this assignment a whole lot more seriously. Praise for *Love the One You're With* "Spunky, flirty, and full of sass, *Love the One You're With* is everything a romance should be! Lauren Layne has a winner."—New York Times bestselling author Christie Craig "A sparkling romance for any woman who's ever reinvented herself . . . or wants to."—Stephanie Bond, bestselling author of *Stop the Wedding!* Lauren Layne's New York Times bestselling *Oxford* Novel series can be read in any order:
