Felix is dangerous, bohemian, everything she dreamed of in the cold nights at her Catholic boarding school. And at first their life together is glitteringly romantic - drinking in Soho, journeying to Marseilles. But it's not long before Rosaleen finds herself fearfully, unexpectedly alone. Desperate, she seeks help from the only source she knows, the local priest, and is directed across the sea to Ireland on a journey that will seal her fate. Kate lives in Nineties London, stumbling through her unhappy marriage. But something has begun to stir in her. Close to breaking point, she sets off on a journey of her own, not knowing what she hopes to find. Aoife sits at her husband's bedside as he lies dying, and tells him the story of their marriage. But there is a crucial part of the story missing and time is running out. Aoife needs to know: what became of Rosaleen? Spanning three generations of women, *I Couldn't Love You More* is an unforgettable novel about love, motherhood, secrets and betrayal - and how only the truth can set us free.

In this heartwrenching novel, a woman must come to terms with a decision no parent should ever have to make: which child can she save? Eliot Gordon would do anything for her family. A 38-year-old working mother, she lives an ordinary but fulfilling life in suburban Atlanta with her partner, Grant Delaney, and their three daughters. The two older girls are actually Eliot's stepdaughters, a distinction she is reluctant to make as she valiantly attempts to maintain a safe, happy household . . . Then Finn Montgomery, Eliot's long-lost first love, appears, triggering a shocking chain of events that culminates in a split-second decision that

will haunt her beloved family forever. How Eliot survives -- and what she loses in the process -- is a story that will resonate with anyone who has ever loved a child. With hilarious honesty, emotional depth, and a knockout twist, *I Couldn't Love You More* illuminates the unbreakable bonds of family and reveals the lengths people will go to save one another, even if we can't save ourselves.

Matt and Sarah's son, Bowen, was born on 9/9/10 and has built a large following through the Hammitt's Blog (Bowensheart.com), K-LOVE, and ABC news. Bowen continues to beat the odds as he recently celebrated his 10th birthday. A documentary on Bowen's life released in February 2021, and he was even surprised on his birthday by the Good Morning America team, who wanted to celebrate with him through a Zoom call.
