The Ministry, Vol. 10, No. 07 - Various Authors 2006-10-01
This issue of The Ministry presents the first nine messages given during the 2005 spring term of the full-time training in Anaheim, California. The general subject of this series of messages is "Noah, Daniel, and Job-- Patterns of Living an Overcoming Life on the Line of Life to Fulfill the Economy of God." In order to see the significance and intrinsic revelation of these three men in the Old Testament, we need to consider Ezekiel 14:14 and 20 which says, "Though these three men, Noah, Daniel, and Job, were in the midst of it, they would deliver only their own souls by their righteousness, declares the Lord Jehovah" and "Though

Noah, Daniel, and Job were in the midst of it, as I live, declares the Lord Jehovah, they could not deliver even a son or daughter; they would deliver only their own souls by their righteousness." The Triune God esteems these three men-- Noah, Daniel, and Job--because they are patterns of living an overcoming life on the line of life to fulfill the economy of God. To present such patterns is the best way to foster, nurture, and cherish others in living a holy life for the church life and to promote, develop, and cultivate their growth in the divine life for the building up of the Body of Christ. We need such patterns of living an overcoming life. Last of all, we include a report concerning two recent trainings in West Africa.

Authors 2019-10-01

This issue of The Ministry of the Word contains the final nine messages given during the spring 2019 term of the full-time training in Anaheim, California. The general subject of this series of messages is "The Wonderful Christ in the Canon of the New Testament." In these nine messages we continue to consider aspects of the wonderful Christ in the New Testament. In Message 9 we see that Christ is our new Husband. Our old man has been crucified to the law through the body of Christ so that we might marry another husband, Christ, who has been raised from the dead. This joining indicates that in our new status as a wife, we have an organic union in person, name, life, and existence with Christ in His resurrection; now we are married to Christ, our new Husband. Since Christ is our Husband, we must depend on Him and take Him as our Head, our person, and our life. In Message 10 we see that the

Man-Savior's ascension was His inauguration into His heavenly office. In His heavenly ministry in ascension, Christ is serving us by dispensing Himself as the reality of the New Testament jubilee into us for our enjoyment. In Message 11 we see that because Christ is the reality of God with the divine attributes, the reality of humanity with all the human virtues, and the reality of every positive thing in the universe, God's intention in His economy is that this Christ would become everything to us. The will of God is one person-- Christ; one way--the cross; and one goal--the church as the Body of Christ and the one new man. The way we should take is the way of opening our being to the all-inclusive, extensive Christ and allowing Him to make His home in us, saturate us, permeate us, reproduce Himself in us, and fill us to overflowing until we put off our culture and every natural element so that Christ is all and in all. In Message 12 we see that we need to know and experience Christ as our kingly

and divine High Priest according to the order of Melchizedek. As the King, He has the scepter to rule over the earth and to manage our affairs, and as the High Priest, He is interceding for us and taking care of our case before God. As the kingly High Priest according to the order of Melchizedek, Christ ministers to us the Triune God, who was processed through incarnation, human living, crucifixion, and resurrection, signified by the bread and the wine, as our life supply so that we may be saved to the uttermost in order to fulfill God's eternal purpose. In Message 13 we see that we should live a Christian life under the government of God. It is Christ who enables us to take God's governmental dealings administered through sufferings. As we live the Christian life under the government of God, we experience the pneumatic Christ as the Shepherd of our souls, who oversees our inward condition, caring for the situation of our inner being--our mind, emotion, and will

and our problems, needs, and wounds; restoring our soul; and giving rest to our soul so that we may have the full enjoyment of Him. In Message 14 we see that Christ as the faithful Witness of God, the testimony and expression of God, is for the testimony of Jesus, the church as the corporate expression of the Triune God. As such, the church is the reproduction of the testimony and expression of God in Christ. The testimony of Jesus is the seven golden lampstands. The golden lampstand symbolizes the Triune God--the Father as the substance is embodied in the Son, the Son as the embodiment is expressed through the Spirit, the Spirit is fully realized and expressed as the churches, and the churches are the testimony of Jesus. Hence, the seven golden lampstands are the enlarged, corporate expression of the Triune God. In Message 15 we see that Christ is the Lamb whom the firstfruits, the living overcomers, follow. The firstfruits are the earliest

among God's crop to reach maturity and will be raptured to the house of God in Zion for God's satisfaction and enjoyment. In order for us to follow the Lamb and go on to maturity to become the firstfruits, we must walk with God by faith to escape death and obtain the testimony of being well pleasing to God. In Message 16 we see the Lamb-God on the throne within the holy city. The throne of God and of the Lamb is the center of the New Jerusalem. Out of the throne of the Lamb-God flows the river of water of life. When we are under Christ's kingship, headship, lordship, and authority, we enjoy the river of water of life and the tree of life. The highest point in our spiritual experience is having a clear sky with God's throne above it; to reach this point means that we allow God to have the preeminence in everything and are completely submissive to His authority and administration. In Message 17 we see the ultimate revelation of Jesus Christ and the vision of the enthroned Christ as the

Administrator in God's universal government. As those who seek to know Christ and experience Him, we have not only Christ but also the revelation of Jesus Christ. The book of Revelation unveils a vision of the enthroned Christ as the Administrator in God's universal government. Christ is the center of God's administration according to God's eternal economy. In His economy God administrates the universe to fulfill His purpose. The unveiling of God's universal administration shows that the will, the purpose, of God in His creation is to have an eternal habitation--the New Jerusalem--for His satisfaction and expression. The Lord Jesus has been enthroned to execute God's governmental administration in the universe. The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe.

The Ministry, Vol. 10, No. 04

- Various Authors 2006-07-01

This issue of The Ministry contains a complete record of the twelve messages given during the 2006 summer training on the Crystallization-study of the Body of Christ, held July 3 to 8 in Anaheim,

California. The crucial truth and burden embodied in these twelve messages may be summarized in four statements: (1) The divine economy is God's plan to dispense Christ into His chosen people to produce, constitute, and build up the organic Body of Christ. (2) The unique oneness of the Body of Christ is the oneness of the Spirit--the mingling of the processed Triune God with all the believers in Christ. (3) The overcomers see the Body, know the Body, care for the Body, honor the Body, do the work of the Body, and keep every principle of the Body. (4) The overcomers live out and work out the New Jerusalem by the mingling of God with man for the oneness of the Body of Christ. These messages are being published immediately following the training in order that they may benefit the saints participating in many video trainings that are held throughout the earth. The Announcements section includes fellowship concerning the use of the Bower House property in London, UK.

The general subject of the conference was entitled "Cooperating and Coordinating with the Energizing God in His Up-to-date and Ultimate Move to Carry Out His Economy," and the main burden of the conference can be summarized by the following four statements: 1) we need to cooperate and coordinate with the inner energizing Triune God to bring in a new revival and turn the age, 2) the burning of the seven lamps of fire motivates us to rise up and take action to carry out God's ultimate move in raising up the golden lampstands, 3) we need to march on as one with the energizing God and fight the battle to recover the earth for the kingdom of God, and 4) we need to cooperate and coordinate with Christ in His heavenly ministry to be His

overcomers for His up-to-date and ultimate move to carry out His economy. Last of all, we include a report concerning a recent conference for the young people in Europe.

The Billionaire's Desires
Vol.10 - Emma M. Green

The Ministry, Vol. 10, No. 08 -

Various Authors 2006-12-01

This issue of The Ministry presents the last nine messages given during the 2005 spring term of the full-time training in Anaheim, California. The general subject of this series of messages is entitled "Noah, Daniel, and Job- Patterns of Living an Overcoming Life on the Line of Life to Fulfill the Economy of God." Noah, Daniel, and Job were selected to be the subject of this series of messages based upon two verses from Ezekiel 14. Verse 14 says, "Though these three men, Noah, Daniel, and Job, were in the midst of it, they would deliver only their own souls by their righteousness, declares the Lord Jehovah." Verse 20 is similar: "Though Noah, Daniel, and Job were in the midst of it,

as I live, declares the Lord Jehovah, they could not deliver even a son or daughter; they would deliver only their own souls by their righteousness." It is clear that these three men are singled out for their righteousness. There are four aspects of righteousness, all of which are deeply and intrinsically woven into what is signified by the lives of these three persons. First, righteousness is to be right with all things, matters, and persons according to God's righteous requirement. Second, righteousness is the expression in our living of the Christ who dwells in us as the life-giving Spirit. Third, righteousness is a matter of being altogether right with the throne of God's administration. God's throne is established upon righteousness (Psa. 89:14). Fourth, righteousness is a matter of our being constituted with the righteousness of God, of our becoming crystal clear and transparent. We are becoming the righteousness of God in Christ. This righteousness in its four aspects is directly related

The holidays have arrived, and love is in the air! Sekka and Eyoshi asked their crushes Kazamori and Ohki out on dates, and both said yes! What will happen when these two suitors find the courage to confess their feelings?

Meanwhile, the appearance of a boy from the other realm could spell trouble!

The Ministry, Vol. 10, No. 03 - Various Authors 2006-06-01

This issue of *The Ministry* contains a complete record of the six messages given during the 2005 Thanksgiving Weekend Conference held in Atlanta, Georgia, November 24-27, 2005. The general subject of the conference was the Lord's coming. The burden of these messages can be summarized in the following four statements: 1) we need to be purified and reconstituted

with the healing Christ in the last days for His coming; 2) if we pay the price to allow the Spirit to saturate our entire being, we are watchful persons, making ourselves ready for the Lord's coming; 3) in order to enter into the joy of the Lord in the coming age of the kingdom, we need to pay the price in this age by losing our soul-life; and 4) all those who are used by God to turn the age must be Nazarites--voluntarily consecrated ones who are sanctified absolutely and ultimately to God. Lastly, we also include two reports: a report concerning the Lord's move in Ethiopia and a report concerning two seminars held in eastern Europe in the countries of Poland and Romania.

Manga editor Ritsu Onodera is still giving it his all working under his bossy editor in chief—and first love—Masamune Takano. And unfortunately, Ritsu runs—yet again—into Masamune's nemesis Haitani, who this time asks him out! Of course, Takano is having none of it, but Haitani is quick to remind him that Ritsu isn't his possession. The Visual Arts and Christianity in America - John Dillenger 2004-09-13
How has religion affected the creation and patronage of American art? This is the question explored in 'The Visual Arts and Christianity in America', the most comprehensive treatment of this subject to date. With its 184 illustrations, the volume is a visual and textual survey of

both the religious paintings, statuary, and architecture produced in America since colonial times and the attitudes toward such art expressed by the artists, the clergy, and the religious press. By means of a multifaceted approach that includes investigation of biographical, journalistic, art historical, as well as religious literature, a broad range of art objects and buildings are carefully placed in their social and intellectual context. Part One presents the colonial backdrop, both English and Spanish, against which and out of which the ensuing developments in American art and religious life took shape. Part Two treats nineteenth-century views of art and architecture, focusing on the views held by the clergy and conveyed in religious journals as well as the religious views of the artists and architects themselves. In Part Three, devoted to art in private and public life, major issues emerge that will remain as such into the twentieth century: the relation between

nature and history, the place of art in civil religion, and the presence or absence of explicit biblical themes. The fourth and entirely new portion of the book, devoted to the twentieth century, examines the continuities and discontinuities in style and content between nineteenth- and twentieth-century art in relation to spiritual and religious perceptions.

This issue of The Ministry contains a complete record of the twelve messages given during the 2005 winter training on the Crystallization-study of the Building of God, held December 26-31 in Anaheim, California. The crucial truth and burden embodied in these twelve messages may be summarized in four statements: (1) The building of God is the processed Triune God wrought into us so that under His continual dispensing we

become His enlargement, expansion, and corporate expression. (2) The three tabernacles--the type of the tabernacle, the reality of the tabernacle, and the consummation of the tabernacle--reveal the goal of God's economy to have a corporate people to be His dwelling place for His expression and representation in eternity. (3) The intrinsic element of the work of the divine building is to minister the building and builded God into others for the building up of the Body of Christ. (4) The desire of God's heart is the building of God into man and the building of man into God for the building of a great corporate God-man, the New Jerusalem. Third Bulletin of the Haverhill Public Library, 1888-1893 : with an Incorporation of the First Bulletin, (1878-1880). - Haverhill Public Library 1896

The Ministry of the Word, Vol. 26, No. 03 - Various Authors 2023-03-03

This issue of The Ministry of the Word contains the first eight of the sixteen messages given during the fall 2021 term of the full-time training in

Anaheim, California. The general subject of this series of messages is "Chapters Five through Eight of Romans--the Kernel of the Bible." These first eight messages and the subsequent eight messages (published in an upcoming issue) will focus on Romans 5 and 6. This general subject will then be continued in the messages of the spring 2022 term and will focus on Romans 7 and 8. The life and death form two contrasting lines in chapters 5 through 8, showing that man is at the center of a triangular situation between God and Satan, that is, between life and death. The tree of life and the tree of knowledge (the tree of death) issue in two lines--the line of life and the line of death--that run through the entire Bible and consummate in the book of Revelation. The line of life begins with the tree of life in Genesis 2 and issues in the New Jerusalem in Revelation 22 as the city of the water of life with the tree of life, the light of life, and the glory of life. Similarly, the line of death

begins with the tree of the knowledge of good and evil in Genesis 2 and ends with the lake of fire in Revelation 20. The kernel of the Bible is that Christ has been revealed into us as life and that we live, have our being, and exist by Christ as the divine life. God put us into Christ with the desire that we would be transformed and conformed to the image of His

Son so that we might be thoroughly one with Christ. In this way we are built up together as the living Body of Christ to contain and express Christ for the Father's glory and for our glorification in Christ. Romans 5 reveals that the result of our justification is the full enjoyment of God in Christ as our life.
