Vermont Valentine - Kristin Hardy 2011-11-15

"IN EVERY GENERATION OF TRASKS LIVES ONE MAN BORN TO BE ALONE...." And Jacob was clearly his generation's representative. Because while his brothers sought their livelihoods—and loves—elsewhere, he knew he had to stay where he belonged. Where he was needed. And where eligible women were as rare as an eighty-degree day in January... And then came a possible danger to his beloved family farm. The bearer of bad news? A petite, gorgeous, non-stop talker named Celie Favreau. And though captivated by Jacob's rugged good looks and piercing blue eyes, she had to stay on track. She'd come to warn of a threat to his trees. The threat to his heart was merely incidental....

Where There's Smoke - Kristin Hardy 2011-11-15

ONCE BURNED... If Sloane Hillyard's invention saved the life of one firefighter, it would be worth everything—even if it was too late to save her own brother. But her biggest hurdle lay ahead: To convince sensual, skeptical Captain Nick Trask to give it a chance—without getting burned herself.... As for Nick, he could walk into a burning building, no problem. But the inferno that Sloane ignited presented a different type of challenge. Still, he was up for it. Now all he had to do was convince Sloane it was possible to enjoy the warmth of the fire...without getting consumed by the flames....

Rebirth - Deborah Ludwig 2009-02-18

One year after relocating to the New York area to pursue an acting career, Deborah Ludwig's acting dreams were shattered by a leukemia diagnosis, forcing her to come to terms with her past and face her present reality. Her sister Barbara, pregnant with her second child, was Deborah's bone marrow donor. Pregnancy is thought to be an absolute contraindication to bone marrow donation, but the inclusion of Barbara's courageous and poignant tale disproves this belief. Rebirth is Deborah's year-long journal chronicling a story of love, sacrifice, heartache, and discovery that culminated in her physical, emotional, and spiritual rebirth. For further information: Click here Praise for Rebirth: "Through this journal, we learn how, through faith, the aid of family and friends, the support of health care workers, and the inspiration of fellow cancer patients, one individual was able to overcome her disease." ~Stuart L. Goldberg, M.D., Chief, Division of Leukemia, Associate clinical professor of medicine, Hackensack University Medical Center "Rebirth is a truly inspiring book about a young woman's struggle with leukemia. Ludwig's use of journal entries vividly portrays each phase of leukemia with her hopes, disappointments, and triumphs. From diagnosis to remission, readers experience Ludwig's emotional search for answers, peace of mind and passion to fight for her life through her discovery of the powers of modern medical treatments, faith, and family." ~Kelsey Calhoun, Harvard Business School, MBA Candidate 2010 "Deborah Ludwig is a true embodiment of having traveled through the "dark night of the soul" and emerging as a raw, compassionate and radiant butterfly of light. Her wisdom is from what she has survived and she shares it with the intention to heal." ~Dyron Holmes, Founder/Peoples Monk, The Peoples Monastery

Under the Mistletoe - Kristin Hardy 2011-11-15

HE GAVE NEW MEANING TO THE TERM TURNDOWN SERVICE The devastatingly handsome manager of the Hotel Mount Jefferson, Gabe Trask, was all too eager to offer a wide array of amenities to Hadley Stone when he thought she was just a holiday guest. And he was—just not in the way she'd imagined.... For Gabe knew that despite all her down-to-business, cost-cutting talk, Hadley was a romantic at heart—one whom he was inexplicably finding hard to resist. And he could see in her eyes that the feeling was becoming mutual. Now all he had to do was convince her to check her business instincts at the door—and focus on the personal....

Always Valentine's Day - Kristin Hardy 2012-07-01

Had his ship finally come in? For Christopher Trask, it was beginning to look that way. The beautiful "it" girl was there to keep an eye on her often remarried father. But Christopher couldn't keep his eyes off her. Larkin was suspicious of Christopher from the start and her father falling for his aunt was certainly complicating matters! Still, a cruise ship wasn't real life and Christopher could kiss her senseless. So what was the harm in a little holiday fun? Surely her common sense would return once she was back on dry land.
