National Bestseller New York Times bestselling author
Laurence Leamer reveals the

One Last Dance A Mesmerising Tale Of Love Betrayal And

Shocking Secrets

complex web of relationships and scandalous true stories behind Truman Capote's never-published final novel, *Answered Prayers*—the dark secrets, tragic glamour, and Capote's ultimate betrayal of the group of female friends he called his "swans." "There are certain women," Truman Capote wrote, "who, though perhaps not born rich, are born to be rich." Barbara "Babe" Paley, Gloria Guinness, Marella Agnelli, Slim Hayward, Pamela Churchill, C. Z. Guest, Lee Radziwill (Jackie Kennedy's sister)—they were the toast of midcentury New York, each beautiful and distinguished in her own way. Capote befriended them, received their deepest confidences, and ingratiated himself into their lives. Then, in one fell swoop, he betrayed them in the most surprising and startling way possible. Bestselling biographer Laurence Leamer delves into the years following the acclaimed publication of *Breakfast at Tiffany's* in 1958 and *In Cold Blood* in 1966, when Capote struggled with a

crippling case of writer's block.

While enjoying all the fruits of his success, he was struck with an idea for what he was sure would be his most celebrated novel...one based on the remarkable, racy lives of his very, very rich friends. For years, Capote attempted to write *Answered Prayers*, what he believed would have been his magnum opus. But when he eventually published a few chapters in *Esquire*, the thinly fictionalized lives (and scandals) of his closest female confidantes were laid bare for all to see, and he was banished from their high-society world forever. Laurence Leamer recreates the lives of these fascinating swans, their friendships with Capote and one another, and the doomed quest to write what could have been one of the greatest novels of the twentieth century.

The Mothers - Brit Bennett
2016-10-11

NEW YORK TIMES

BESTSELLER "Bittersweet, sexy, morally fraught." -The New York Times Book Review
"Fantastic... a book that feels

One Last Dance A Mesmerizing Tale Of Love Betrayal And

Shocking Secrets

alive on the page." -The Washington Post From the New York-Times bestselling author of *The Vanishing Half*, the beloved novel about young love and a big secret in a small community. Set within a contemporary black community in Southern California, Brit Bennett's mesmerizing first novel is an emotionally perceptive story about community, love, and ambition. It begins with a secret. "All good secrets have a taste before you tell them, and if we'd taken a moment to swish this one around our mouths, we might have noticed the sourness of an unripe secret, plucked too soon, stolen and passed around before its season." It is the last season of high school life for Nadia Turner, a rebellious, grief-stricken, seventeen-year-old beauty. Mourning her own mother's recent suicide, she takes up with the local pastor's son. Luke Sheppard is twenty-one, a former football star whose injury has reduced him to waiting tables at a diner.

They are young, it's not serious. But the pregnancy that results from this teen romance—and the subsequent cover-up—will have an impact that goes far beyond their youth. As Nadia hides her secret from everyone, including Aubrey, her God-fearing best friend, the years move quickly. Soon, Nadia, Luke, and Aubrey are full-fledged adults and still living in debt to the choices they made that one seaside summer, caught in a love triangle they must carefully maneuver, and dogged by the constant, nagging question: What if they had chosen differently? The possibilities of the road not taken are a relentless haunt. In entrancing, lyrical prose, *The Mothers* asks whether a "what if" can be more powerful than an experience itself. If, as time passes, we must always live in servitude to the decisions of our younger selves, to the communities that have parented us, and to the decisions we make that shape our lives forever.
