Sixteen Ways to Defend a Walled City - K. J. Parker 2019-04-09

'Full of invention and ingenuity . . . Great fun' - SFX 'Parker's settings and characterisations never miss a beat' - Publishers Weekly K. J. Parker's new novel is the remarkable tale of the siege of a walled city, and the even more remarkable man who had to defend it. A siege is approaching, and the city has little time to prepare. The people have no food and no weapons, and the enemy has sworn to slaughter them all. To save the city will take a miracle, but what it has is Orhan. A colonel of engineers, Orhan has far more experience with bridge-building than battles, is a cheat and a liar, and has a serious problem with authority. He is, in other words, perfect for the job. *Sixteen Ways To Defend a Walled City* is the story of Orhan, son of Siyyah Doctus Felix Praeclarissimus, and his history of the Great Siege, written down so that the deeds and sufferings of great men may never be forgotten. *** Other books by K.J. Why I Write - George Orwell 2021-01-01

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the *Orwell's Essays* series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' - 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' - and considers the importance of keeping these in balance. *Why I Write* is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can - and must - be rediscovered with every age.' - Irish Times

Life Change - Mark Elsdon-Dew 2019-10-17

Is it possible for a life to change? In their own compelling words, fifteen men from all walks of life tell the stories of their lives and how they have been transformed, often in dramatic circumstances, by an encounter with God. Some have overcome years of crime and extreme violence, others have seen their addictions disappear. Every story is gripping and inspirational. This is a book for anyone interested in whether God is there - and what he can do.
