*Common Goal* - Rachel Reid 2020-09-21

"Rachel Reid's hockey heroes are sexy, hot, and passionate! I've devoured this entire series and I love the flirting, the exploration and the delicious discovery in *Common Goal!*" —Lauren Blakely, #1 New York Times bestselling author of *A Guy Walks into My Bar* New York Admirals goalie Eric never thought his friends-with-benefits arrangement with much-younger Kyle would leave them both wanting more... Veteran goaltender Eric Bennett has faced down some of the toughest shooters on the ice, but nothing prepared him for his latest challenge—life after hockey. It's time to make some big changes, starting with finally dating men for the first time. Graduate student Kyle Swift moved to New York nursing a broken heart. He'd sworn to find someone his own age to crush on (for once). Until he meets a gorgeous, distinguished silver fox hockey player. Despite their intense physical attraction, Kyle has no intention of getting emotionally involved. He'll teach Eric a few tricks, have some mutually consensual fun, then walk away. Eric is more than happy to learn anything Kyle brings to the table. And Kyle never expected their friends-with-benefits arrangement to leave him wanting more. Happily-ever-after might be staring them in the face, but it won't happen if they're too stubborn to come clean about their feelings. Everything they both want is within reach... They just have to be brave enough to grab it. USA TODAY bestselling author Rachel Reid *Game Changers Book 1: Game Changer Book 2: Heated Rivalry Book 3: Tough Guy Book 4: Common Goal Book 5: Role Model Book 6: The Long Game*

"This has to be a dream..." Gavin was gone and she was laying in a pool of her own blood. Was this really how her story was going to end? Of course not. Domonique "DJ" McGee was born to fight. Up to this point she had failed miserably at shouldering the weight of the empire that Gavin created but DJ was determined to prove everyone, including herself wrong. She has never been one to back down from a challenge and King, Deuce and the rest of the newly restructured Iron Fist would be no exception. They would pay for the betrayal of both men she loved and she refused to die before that happened. With Ace's help she was determined to get back on her feet and get back to business. But her focus on vindication is quickly shifted when Ace delivers crushing news and her dead ex-boyfriend is no longer dead. "Ain't no guessing about it...G is back and he's back with a vengeance..." Gavin Harlen had always been ten steps ahead of everyone else. That's why he could be both faceless and feared in the street. A ghost. The boogeyman. He was the man that no one would dare to cross...that is until his own crew spit on his name. After much speculation Gavin put his plan into action and verified that there truly had been snakes hidden in plain sight right in front of him. Not only had they been willing to kill him but they continued on with the business he built and tarnished its reputation. But with Ace, DJ, and a surprising new edition they are ready to reclaim the Iron Fist in a winner take all battle. But his attention is turned elsewhere when DJ isn't as enthusiastic about his return as she has begun to live a life that doesn't include him in it. In the epic finale, all of your questions are answered. Has Gavin lost DJ for good? Ace or Gavin? Who will she choose? What's up with Professor Mosely? What made McKenzie turn on DJ the way she did? Do the bad guys win? Find out all that and more in *Game Changer 3*.

**For the Love of the Game** - Nancy Barbara Bouchier 2003

Exploring the complex issues of class and gender relations, community building and sport reform, this work analyses how local culture shapes the meanings of sport and examines the tensions that exist when athletes and sports teams become important symbols for the community. Nancy Bouchier traces the increasing importance of amateur sport to Woodstock and Ingersoll, two small nineteenth-century Ontario towns, revealing its intricate ties to urban boosterism and middle-class culture. Focusing on civic holiday celebrations, the establishment of organized clubs for cricket, baseball, and lacrosse, and the rise of spirited urban sports rivalries, Bouchier shows that small town interest in sports was much more than a pale imitation of the sporting life of Canada's major urban centres.

Change of Heart - Elaine Ashford 2019-03-26

Ryan never has trouble scoring. For his pro hockey team, at least. Since divorcing his wife, things have been a little different in his love life. But he's always there for his son, even if it means making time to help coach his hockey team. What he doesn't expect is to find a new goal to shoot for: the team's head coach. Love is the last thing he's looking for when he walks into that ice rink, and certainly not with another man. Nat doesn't mind straight hockey guys. At least, not when he's watching them on TV. But he's not going to let his son's team turn into the kind of bullying mess that drove him away from playing the sport in the first place. Nat is going to be a different kind of coach, so it's no surprise that he's skeptical when a pro wants to be his assistant coach. But Ryan seems interested in more than just Nat's coaching philosophy and the fact that they're both single dads. Falling into bed together is easy. Getting a team of ten-year olds to the championship is way harder. Can Ryan convince Nat that they're a good combo on and off the ice, or will hockey push them apart just like it brought them together? *Change of Heart* is a 48K MM romance novel with no cheating, no cliffhangers, and a HEA.
