Evangelical Women in Belfast - Sandra Baillie 2001-12-19

This book is about evangelical women, power and religion. It is a sociological study using quantitative data, including interviews. It looks at women's attitudes to ministry, work and childcare, marriage, money, and issues such as sex, abortion, divorce, and cohabitation. Chapters on theory and literature examine feminism from a Christian perspective and cover sociological debates on questions of bias and the relationship between sociology and theology.

Not Yet Married - Marshall Segal 2017-06-20

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

Same-Sex Attraction and the Church - Ed Shaw 2015-11-09

When Christians have same-sex attraction, how should the church respond? Pastor Ed Shaw experiences same-sex attraction, yet he is committed to Scripture and the church's traditional position on sexuality. In this honest book, he shares his own experiences and shows us that obedience to Jesus is ultimately the only way to experience life to the full.

The Other Side of Joy - Julius Rubin 2000-03-09

This is a case study of one pietist religious group, the Bruderhof. A Christian brotherhood founded on Anabaptist and evangelical pietist doctrine, they practice community of goods, seeking to emulate the vision of the Apostolic church and fulfill the ethic of brotherhood taught in the Sermon on the Mount. Rubin offers compelling accounts of the lives of Bruderhof apostates who foundered over issues of faith, and relates these crises to the central tenets of Bruderhof theology, their spirituality, and community life.

A Plea for Purity - Johann Christoph Arnold 1996

A refreshing look at sex, love, and marriage that sees past the usual issues and gets to the root: our relationship with God, and the defining power of that bond over all other relationships. In *A Plea for Purity*, Arnold addresses the pain resulting from broken relationships and the misuse of sexual intimacy. He provides fresh biblical insights into critical issues including the sacredness of sex, the struggle against temptation, the decision to remain single or to marry, child rearing, and divorce and remarriage. *A Plea for Purity* offers hope, healing, and a new beginning to those who have experienced discouragement or failure.

A Plea for Purity - Johann Christoph Arnold 1998

Unlike the vast majority of "marriage books" available on the Christian market, *A Plea for Purity* digs deeper than the usual "issues" and goes to the root: our relationship with God, and the defining power of that bond over all of our other relationships.

Perfect Children - Amanda Van Eck Duymaer Van Twist 2015

Children born and raised on the religious fringe are a distinctive yet largely unstudied social phenomenon - they are irreversibly shaped by the experience having been thrust into a radical religious culture by birth. The religious group is all encompassing. It accounts for their family, their school, social networks, and everything that prepares them for their adult life. The inclusion of a second generation of participants raises new concerns and legal issues. *Perfect Children* examines the ways new religious movements adapt to a second generation, how children are socialized, what happens to these children as they mature, and how their childhoods have affected them.
