

Quiet Girl In A Noisy World

Quiet Susan Cain 2012-03-29 SUSAN CAIN'S NEW BOOK, BITTERSWEET, IS AVAILABLE TO PRE-ORDER NOW A SUNDAY TIMES AND NEW YORK TIMES BESTSELLER, THIS BOOK WILL CHANGE HOW YOU SEE INTROVERTS - AND YOURSELF - FOREVER. Our lives are driven by a fact that most of us can't name and don't understand. It defines who our friends and lovers are, which careers we choose, and whether we blush when we're embarrassed. That fact is whether we're an introvert or an extrovert. The most fundamental dimension of personality, at least a third of us are introverts, and yet shyness, sensitivity and seriousness are often seen as a negative. Some of the world's most talented people are introverts - without them we wouldn't have the Apple computer, the theory of relativity and Van Gogh's sunflowers. In *Quiet*, Susan Cain shows how society misunderstands and undervalues introverts while giving them the tools to better understand themselves and take full advantage of their strengths. Passionately argued, superbly researched, and filled with real stories, whether an introvert or extrovert, this book will change how you see human beings for good. ***** 'I can't get *Quiet* out of my head. It is an important book - so persuasive and timely and heartfelt it should inevitably effect change in schools and offices' Jon Ronson, *The Guardian* 'Susan Cain's *Quiet* has sparked a quiet revolution . . . Perhaps rather than sitting back and asking people to speak up, managers and company leaders might lean forward and listen' Megan Walsh, *The Times* 'Maybe the extrovert ideal is no longer as powerful as it was; perhaps it is time we all stopped to listen to the still, small voice of calm' Daisy Goodwin, *The Sunday Times*

Hear Yourself Prem Rawat 2021-09-14 New York Times Bestseller "Rawat's deep wisdom is a breath of fresh air; *Hear Yourself* gives the gift of peace and gratitude in a time we sorely need it."—Ian Morgan Cron, author of *The Story of You* and co-author of *The Road Back to You* "Hear Yourself invites us to take a journey from the outside world we live in everyday to the world of peace within us. I highly recommend this inspiring book to anyone ready to take that journey."—Bill McCarthy, Founder and President of The Unity Foundation The renowned teacher and author of the internationally bestselling *Peace Is Possible* shows us how to quiet the noise of our busy lives to hear our own unique authentic voice—the source of peace. The cacophony of modern life can be deafening, leaving us feeling frazzled and uneasy. In this warm, wise book, Prem Rawat teaches us how to turn down the noise to "hear ourselves"—to listen to the subtle song of peace that sings inside each of us. Once we learn to truly "hear ourselves" and the voice of peace within, then we can hold on to that as we face all the noise of the world. The culmination of a lifetime of study, *Hear Yourself* lays out the crucial steps we can use to focus on the voice within. Take a walk in nature and listen for the sounds of harmony, Prem Rawat suggests, or set aside a few minutes each day to feel gratitude, which comes from the core of our being. He challenges us to embrace our thirst for peace and let go of expectations for how it should feel. With one straightforward yet deeply profound question, he helps us to focus—to be present: Am I conscious of where I am today and what I want to experience in this world?" If we allow ourselves to listen, what we hear is the extraordinary miracle of existence—an experience that transforms our relationship to life and everything in it. Packed with powerful insights and compelling stories, *Hear Yourself* introduces readers to an ancient line of practical wisdom that enlightens us to a simple way to listen. By doing so, Prem Rawat reveals, we can "profoundly change our understanding of ourselves, those around us, and our lives."

Good Enough: A Novel Jen Petro-Roy 2019-02-19 A young girl with an eating disorder must find the strength to recover in this moving middle-grade novel from Jen Petro-Roy Before she had an eating disorder, twelve-year-old Riley was many things: an aspiring artist, a runner, a sister, and a friend. But now, from inside the inpatient treatment center where she's receiving treatment for anorexia, it's easy to forget all of that. Especially since under the influence of her eating disorder, Riley alienated her friends, abandoned her art, turned running into something harmful, and destroyed her family's trust. If Riley wants her life back, she has to recover. Part of her wants to get better. As she goes to therapy, makes friends in the hospital, and starts to draw again, things begin to look up. But when her roommate starts to break the rules, triggering Riley's old behaviors and blackmailing her into silence, Riley realizes that recovery will be even harder than she thought. She starts to think that even if she does "recover," there's no way she'll stay recovered once she leaves the hospital and is faced with her dieting mom, the school bully, and her gymnastics-star sister. Written by an eating disorder survivor and activist, *Good Enough* is a realistic depiction of inpatient eating disorder treatment, and a moving story about a girl who has to fight herself to survive.

It isn't until her family starts searching the neighborhood for her that they begin to see the world through her eyes.
