Bright Star of Hope - F. Halévy 1845

Twelve Years A Slave, Illustrated Edition -

Solomon Northup 2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight

against slavery, and continues to resonate more than a century after the end of the American Civil War.

The Complete Book of 1920s Broadway Musicals
- Dan Dietz 2019-04-10

During the Twenties, the Great White Way roared with nearly 300 book musicals. Luminaries who wrote for Broadway during this decade included Irving Berlin, George M. Cohan, Rudolf Friml, George Gershwin, Oscar Hammerstein II, Lorenz Hart, Jerome Kern, Cole Porter, Richard Rodgers, Sigmund Romberg, and Vincent Youmans, and the era's stars included Eddie Cantor, Al Jolson, Ruby Keeler, and Marilyn Miller. Light-hearted Cinderella musicals dominated these years with such hits

as Kern's long-running Sally, along with romantic operettas that dealt with princes and princesses in disguise. Plots about bootleggers and Prohibition abounded, but there were also serious musicals, including Kern and Hammerstein's masterpiece Show Boat. In The Complete Book of 1920s Broadway Musicals, Dan Dietz examines in detail every book musical that opened on Broadway during the years 1920-1929. The book discusses the era's major successes as well as its forgotten failures. The hits include A Connecticut Yankee; Hit the Deck!; No, No, Nanette; Rose-Marie; Show Boat; The Student Prince; The Vagabond King; and Whoopee, as well as ambitious failures, including Deep River; Rainbow; and Rodgers' daring Chee-Chee. Each entry contains the following information: Plot summary Cast members Names of creative personnel, including book writers, lyricists, composers, directors, choreographers, producers, and musical directors Opening and closing dates Number of

performances Plot summary Critical commentary Musical numbers and names of the performers who introduced the songs Production data, including information about tryouts Source material Details about London productions Besides separate entries for each production, the book offers numerous appendixes, including ones which cover other shows produced during the decade (revues, plays with music, miscellaneous musical presentations, and a selected list of pre-Broadway closings). Other appendixes include a discography, filmography, a list of published scripts, and a list of black-themed musicals. This book contains a wealth of information and provides a comprehensive view of each show. The Complete Book of 1920s Broadway Musicals will be of use to scholars, historians, and casual fans of one of the greatest decades in the history of musical theatre.

Broadway Plays and Musicals - Thomas S. Hischak 2009-04-22

New York City's Broadway district is by far the
Downloaded from
legacy.opendemocracy.net on 2021-06-06
by guest

most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway's history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes

approximately 600 important productions performed on Broadway before 1919.

The Core Program - Peggy Brill 2008-12-10
Introducing the fitness program designed by a physical therapist exclusively for women — proven to increase strength, tone muscles and reduce aches and pains in just 15 minutes a day! Few women realize that most popular fitness regimens are designed for men. Yet women have their own unique fitness needs — and using a program developed with men's bodies in mind is not only ineffective, but can actually result in injury. Renowned physical therapist Peggy Brill has devoted her life to developing an exercise program specifically for women. Based on her understanding of movement dynamics and body structure, these exercises focus on developing and balancing the muscles in the anatomical center of the body — the core — which includes the back, hip and abdominal muscles. Peggy's remarkable head-to-toe workout targets the "hot spot" areas — neck, back, pelvis, hips, knees —

*Downloaded from

that cause problems for even the healthiest women. In just 15 minutes a day, The Core Program's easy-to-learn exercises will help women:

- Strengthen their bodies to achieve balance and alignment
- Eliminate everyday aches and pains
- Prevent bone loss
- Protect against osteoarthritis
- Improve sleep, digestion and circulation
- Enjoy better sex
- Feel energized all day long
- Overcome the effects of aging

With inspirational case histories, detailed photographs illustrating each exercise and self-tests for rating balance, flexibility and strength, The Core Program is an owner's manual for the naturally strong, healthy body every woman should have.

The Tenements of Chicago, 1908-1935 - Edith Abbott 1970

Twelve Angry Men - Reginald Rose 2006-08-29

A landmark American drama that inspired a classic film and a Broadway revival—featuring an introduction by David Mamet A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check, Twelve Angry Men holds at its core a deeply patriotic faith in the U.S. legal system. The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, Twelve Angry Men had a

successful, and award-winning, run on Broadway. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Sleepwalker's Introduction to Flight - Sion Scott-Wilson 2010-11-23

'Funny and filled with heart . . . a sparky debut' - Alexandra Heminsley, *The London Paper*
Dreaming of joining the brotherhood of Acapulcan cliff-divers, young Mikey Hough rigs a diving platform in the garden of his suburban Berkshire home. Two years later, when he awakes from his coma, Mikey befriends Roger, an elderly ex-pilot hospitalised when his

precious Distinguished Flying Cross was violently stolen from him. Mikey soon learns that his own disastrous attempt at flight has damaged his Suprachiasmatic Nucleus, destroying his ability to sleep. The medical profession can do nothing for him. He is sent home from hospital to die. One night, a despondent Mikey stumbles across Livia, the cynical teenage ward of a neighbouring councilman. Together they decide to track down Roger's stolen medal. So begins a remarkable, picaresque journey into the dark heart of suburban England, during which the fearless Mikey and Livia confront a sprawling cast of pensioners, policemen and criminals - including the profoundly sinister man-child 'The Fat Controller'. As they hurtle towards daybreak, they persuade Roger to undertake one last, gut-wrenching sortie into the night skies. *The Sleepwalker's Introduction to Flight* is a heart-rending and riotous mini-epic, a brilliantly subversive coming-of-age tale about what

happens when dark and light collide, and society's marginalised find their voice. 'A humorous, moving and eloquent debut' Bookseller

The Gritterman - Orlando Weeks 2017-09-07
'Sometimes it feels like I might be the only person awake in the whole country. People might find that a lonely thought. Not me...' As the rest of the world sleeps, the Gritterman goes out to work. Through the wind and the snow and the freezing cold, in the blue-black hours when time slips away, he grits the paths and the pavements and the roads. For him, there is romance in the winter and comfort in his purpose. But what would a life without gritting mean? A song for the unsung hero, this is a bittersweet story about stoicism, dignity and a man leaving behind the work that he loves. It is accompanied by the author's own illustrations.
How to Read Nancy - Paul Karasik 2017-10-31
Everything that you need to know about reading, making, and understanding comics can be found

in a single Nancy strip by Ernie Bushmiller from August 8, 1959. Paul Karasik and Mark Newgarden's groundbreaking work *How to Read Nancy* ingeniously isolates the separate building blocks of the language of comics through the deconstruction of a single strip. No other book on comics has taken such a simple yet methodical approach to laying bare how the comics medium really works. No other book of any kind has taken a single work by any artist and minutely (and entertainingly) pulled it apart like this. *How to Read Nancy* is a completely new approach towards deep-reading art. In addition, *How to Read Nancy* is a thoroughly researched history of how comics are made, from their creation at the drawing board to their ultimate destination at the bookstore. Textbook, art book, monogram, dissection, *How to Read Nancy* is a game changer in understanding how the "simplest" drawings grab us and never leave. Perfect for students, academics, scholars, and casual fans.

Moving Places - Jonathan Rosenbaum

1995-03-24

"I would number Moving Places among a handful of truly classic books about film."—James

Naremore, author of Acting in the Cinema

A Life in Three Acts - Bette Bourne 2009-08-18

With honesty, humour and occasional anger, performer Bette Bourne tells the playwright Mark Ravenhill about his brave and flamboyant life. Crafted from transcripts of a series of long, private conversations, actor Bette Bourne reminisces and replays scenes from his life from a postwar childhood, a stint as a classical actor in the late 60s, to living in a drag commune in Notting Hill and being an active member of the Gay Liberation Front. Bette then talks about his touring with the New York based Hot Peaches cabaret group and founding his own cabaret troop, Bloodlips, which redefined the term gay theatre by creating their very own unique celebration of dramatic and colourful homosexuality. The piece, in three parts, marks

a different series of events in Bette's life to reveal both a portrait of a pioneering, radical individual and a historical document of the struggles and achievements of gay liberation.

Listening to Music - Craig Wright 2007-01-25

Compact disc contains 25 tracks of music by different performers as listed in the text.

Moon-Face & Other Stories - Jack London

2017-08-08

MOON-FACE (Excerpt) John Claverhouse was a moon-faced man. You know the kind, cheek-bones wide apart, chin and forehead melting into the cheeks to complete the perfect round, and the nose, broad and pudgy, equidistant from the circumference, flattened against the very centre of the face like a dough-ball upon the ceiling.

Perhaps that is why I hated him, for truly he had become an offense to my eyes, and I believed the earth to be cumbered with his presence. Perhaps my mother may have been superstitious of the moon and looked upon it over the wrong shoulder at the wrong time. Be that as it may, I

*Downloaded from

hated John Claverhouse. Not that he had done me what society would consider a wrong or an ill turn. Far from it. The evil was of a deeper, subtler sort; so elusive, so intangible, as to defy clear, definite analysis in words. We all experience such things at some period in our lives. For the first time we see a certain individual, one who the very instant before we did not dream existed; and yet...

Leonard Maltin's Family Film Guide - Leonard Maltin 1999

Recognized as one of the leading authorities on American film, Leonard Maltin is also a parent who is aware of the differences between a child's and critic's perspective on films. Each film listed includes its MPAA rating, an explanation of that rating, category, and the author's own rating system of whether or not a film is good, bad, or okay for both older and younger children.

Leonard Maltin's film essays bring families together to create movie experiences that both parents and children can enjoy.

Amy and the Orphans - Lindsey Ferrentino 2019

When their eighty-five-year-old father dies, sparring siblings Maggie and Jake must face a question: How to break the bad news to their sister Amy, who has Down syndrome and has lived in a state home for years? Along the way, the pair find out just how much they don't know about their family and each other. It seems only Amy knows who she really is.

A Bullet in the Ballet - Caryl Brahms 1996

A BLACK DAGGER CRIME edition of a novel about a famous dancer who is shot on stage on an opening night, but all the critics who gather - unaware that he is dead - agree that the death scene was particularly unconvincing. However, there are plenty of suspects since the dancer appears to have been the most hated person in the company.

Film Noir Reader 2 - Alain Silver 1999

Abstract:

Listening to Western Music - Craig Wright

Downloaded from
legacy.opendemocracy.net on 2021-06-06
