Smooth - Rachel Kramer Bussel 2010-10-01

The caress of skin against skin, the warmth of another's touch, relishing the sight that few others get to see - these are the reasons that disrobing before sex can be so gratifying. The stories in *Smooth*, collected by award-winning erotica editor Rachel Kramer Bussel, capture the heat of being stripped bare, of flaunting your body, and of reveling in pure sensuality. Read along as women get tattooed, become "the sushi girl" at a restaurant, strip on the subway, go commando, host tea parties, enjoy splashing and much more. Featuring stories by Donna George Storey, Heidi Champa, Angela Caperton, Charlotte Stein, Louisa Harte, Jacqueline Applebee, Susan St. Aubin and more, these adventurous characters have more to reveal than just being naked.

The Reluctant Domme - Richard Greye
2021-04-30

My fingers ran up across the newly risen bricks of my abdominals before slowly tracing the deep line down the middle. "More," he insisted as his tongue swept his lips seductively, his watchful eyes vigilant. My fingers spread, gliding across the arching slope of my chest. He devoured my performance as if he was ravenous. Suddenly there was only him. The restaurant became a blur as if the heavy fog of his need for my muscles swept everything else away. This show was for him. I was for him. My downcast eyes watched his legs cross, his excitement surge in his pants. He was lost in me as well. I cooed suggestively, playing the feeling up further for him. His excessive desire caused my heart to skip a beat. The cadence of our shallow halting breathing met in harmony. I needed him. Badly.-- A revealing evening shows Dani her unquenchable urges to submit to her husband's wishes. Jack holds parallel desires in the bedroom with a fetish for strong, dominating, muscular women. Seeking to please him, Dani undergoes a journey to become the woman of Jack's fantasies with bondage and role-play as guides. Can they work out their competing needs to reach the sexual fulfillment they both so desperately crave?

The Transformation of Intimacy - Anthony

Giddens 2013-04-23

The sexual revolution: an evocative term, but what meaning can be given to it today? How does 'sexuality' come into being and what connections does it have with the changes that have affected personal life on a more general plane? In answering these questions, Anthony Giddens disputes many of the dominant interpretations of the role of sexuality in modern culture. The emergence of what the author calls plastic sexuality - sexuality freed from its intrinsic relation to reproduction - is analysed in terms of the long-term development of the modern social order and social influences of the last few decades. Giddens argues that the transformation of intimacy, in which women have played the major part, holds out the possibility of a radical democratization of the personal sphere. This book will appeal to a large general audience as well as being essential reading for students and professionals.
