siblings and boyfriend's parents--and what it was like to become an accidental overnight media sensation.

"*I Want to Be Like Nature Made Me*" - InterACT 2017

"This report examines the physical and psychological damage caused by medically unnecessary surgery on intersex people, who are born with chromosomes, gonads, sex organs, or genitalia that differ from those seen as socially typical for boys and girls. The report examines the controversy over the operations inside the medical community, and the pressure on parents to opt for surgery"--Publisher's description.

Reproductive Health Psychology - Olga B. A. van den Akker 2012-03-23

This volume provides a comprehensive, up-to-date theoretical and empirical background to the psychology of reproductive health. Provides a life span perspective of the psychology of reproductive health and its disorders, from menarche to menopause and reproductive health

in older age Focuses on issues of the individual's reproductive health experience, including reproduction, pregnancy, maternity, and birth, as well as conditions such as PMDD, dysmenorrhea, and events including pregnancy failure, and abortion Acknowledges the wider social context with discussions of poverty, inequality, educational and economic status, age, and urban versus rural access Addresses life style related factors, human rights to choice, information and access, fertility control and reproductive health regulation and health care services Illustrates topics with empirical data supported with tables and figures

Media, Margins and Popular Culture - Heather Savigny 2015-09-09

This collection brings together leading research on contemporary and popular culture, focussing on marginalised voices and representations; socially marginalised, marginalised in media and media scholarship. It spans five continents, with contributions on topics like gender, sexuality,

nation, disability, disciplinary boundaries, youth and age.

Eve's Herbs - John M. Riddle 1997

In *Contraception And Abortion From The Ancient World To The Renaissance*, Riddle showed that women in ancient times relied on herbs to regulate fertility. In this volume, he shows that this ancient knowledge was not lost, but survived in coded form.

[Psychic Self-Defense](#) - Dion Fortune 2020-12-12

A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the

1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century. This Weiser Classics edition of Dion Fortune's *Psychic Self-Defense* includes a new forward by Mary K. Greer, author of numerous books including *Tarot for Your Self*, and a new afterword by Christian Gilson that chronicles the original context surrounding Dion Fortune's writing of the book. Mr. Gibson is the editor of *The Inner Light*, the journal published by the Society of Inner Light.

Blue Ticket - Sophie Mackintosh 2020-05-07
BY THE MAN BOOKER PRIZE-LONGLISTED
AUTHOR OF THE WATER CURE
RECOMMENDED READING by Stylist, Evening
Standard, Esquire, Red, Daily Mail, Oprah
Magazine, LitHub, and Emma Roberts's
Belletrist Book Club For fans of Kazuo Ishiguro's
Klara and the Sun... 'Definitely don't miss the
return of Sophie Mackintosh' Stylist 'The cool
intensity and strange beauty of Blue Ticket is a
wonder - be sure to read everything Sophie
Mackintosh writes' Deborah Levy Calla knows
how the lottery works. Everyone does. On the
day of your first bleed, you report to the lottery
station to learn what kind of woman you will be.
A white ticket grants you children. A blue ticket
grants you freedom. You are relieved of the
terrible burden of choice. Or, to put it another
way, you have no choice. And once you've taken
your ticket, there is no going back. But what if
the life you're given is the wrong one? Blue
Ticket is a devastating enquiry into free will and

the fraught space of motherhood. Bold and
chilling, it pushes beneath the skin of female
identity and patriarchal violence, to the point
where human longing meets our animal bodies.
'Dreamlike, tense, compelling, [with] a pitch-
perfect ending' The New York Times 'Gripping,
ethereal, atmospheric' Sunday Times 'Thoughtful
and haunting' Observer 'Terrifying and
enchanting in equal measure' LitHub 'Blue
Ticket will worms its way under your skin and
haunt your dreams' Red

Unprotected Texts - Jennifer Wright Knust
2011-01-25

“An explosive, fascinating book that reveals how
the Bible cannot be used as a rulebook when it
comes to sex. A terrific read by a top scholar.”
—Bart Ehrman, author of *Misquoting Jesus*
Boston University’s cutting-edge religion scholar
Jennifer Wright Knust reveals the Bible’s
contradictory messages about sex in this
thoughtful, riveting, and timely reexploration of
the letter of the gospels. In the tradition of Bart

Downloaded from

Erhman's Jesus Interrupted and John Shelby Spong's Sins of Scripture, Knust's Unprotected Texts liberates us from the pervasive moralizing—the fickle dos and don'ts—so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

The Impatient Woman's Guide to Getting Pregnant - Jean M. Twenge 2012-04-17

Comforting and intimate, this “girlfriend” guide to getting pregnant gets to the heart of all the emotional issues around having children—biological pressure, in-law pressures, greater social pressures—to support women who are considering getting pregnant. Trying to get pregnant is enough to make any woman impatient. *The Impatient Woman's Guide to Getting Pregnant* is a complete guide to the medical, psychological, social, and sexual aspects of getting pregnant, told in a funny, compassionate way, like talking to a good friend

who's been through it all. And in fact, Dr. Jean Twenge has been through it all—the mother of three young children, she started researching fertility when trying to conceive for the first time. A renowned sociologist and professor at San Diego State University, Dr. Twenge brought her research background to the huge amount of information—sometimes contradictory, frequently alarmist, and often discouraging—that she encountered online, from family and friends, and in books, and decided to go into the latest studies to find out the real story. The good news is: There is a lot less to worry about than you've been led to believe. Dr. Twenge gets to the heart of the emotional issues around getting pregnant, including how to prepare mentally and physically when thinking about conceiving; how to talk about it with family, friends, and your partner; and how to handle the great sadness of a miscarriage. Also covered is how to know when you're ovulating, when to have sex, timing your pregnancy, maximizing your chances of

getting pregnant, how to tilt the odds toward having a boy or a girl, and the best prenatal diet. Trying to conceive often involves an enormous amount of emotion, from anxiety and disappointment to hope and joy. With comfort, humor, and straightforward advice, *The Impatient Woman's Guide to Getting Pregnant* is the bedside companion to help you through it. **Mayo Clinic Guide to a Healthy Pregnancy** - the pregnancy experts at Mayo Clinic
2011-05-01

Any woman looking for accurate, reliable, and authoritative information on pregnancy will appreciate this book from the world-class Mayo Clinic. *The Mayo Clinic Guide to a Healthy Pregnancy* offers hundreds of pages of in-depth information that new parents will find useful and informative. Features include week-by-week updates on baby's growth, month-by-month changes that mom can expect, and a forty-week pregnancy calendar, as well as a symptom guide and a review of important pregnancy decisions.

In this illustrated book you'll also find advice on getting pregnant, meal planning, healthy exercise, and safe medication use, along with general tips on becoming a parent. This pregnancy book is the result of the efforts of a collective team of pregnancy experts who find nothing in medicine more exciting and satisfying than the birth of a healthy child with a healthy mother. *The Mayo Clinic Guide to a Healthy Pregnancy* is an essential pregnancy resource for parents-to-be.

Taking Charge of Your Fertility - Toni Weschler
2015-07-14

This new edition for the twentieth anniversary of the groundbreaking national bestseller provides all the information you need to monitor your menstrual cycle—along with updated information on the latest reproductive technologies Are you unhappy with your current method of birth control? Or demoralized by your quest to have a baby? Do you experience confusing signs and symptoms at various times

Downloaded from
legacy.opendemocracy.net on 2022-06-04

in your cycle? This invaluable resource provides the answers to your questions while giving you amazing insights into your body. Taking Charge of Your Fertility has helped literally hundreds of thousands of women avoid pregnancy naturally, maximize their chances of getting pregnant, or simply gain better control of their gynecological and sexual health. Toni Weschler thoroughly explains the empowering Fertility Awareness Method (FAM), which in only a couple of minutes a day allows you to: Enjoy highly effective and scientifically proven birth control without chemicals or devices Maximize your chances of conception before you see a doctor or resort to invasive high-tech options Expedite your fertility treatment by quickly identifying impediments to pregnancy achievement Gain control and a true understanding of your gynecological and sexual health This new edition includes: A fully revised and intuitive charting system A selection of personalized master charts for birth control, pregnancy achievement,

breastfeeding, and menopause An expanded sixteen-page color insert that reflects the book's most important concepts Six brand-new chapters on topics including balancing hormones naturally, preserving your future fertility, and three medical conditions all women should be aware of

Reproductive Injustice - Dana-Ain Davis
2019-06-25

A troubling study of the role that medical racism plays in the lives of black women who have given birth to premature and low birth weight infants Black women have higher rates of premature birth than other women in America. This cannot be simply explained by economic factors, with poorer women lacking resources or access to care. Even professional, middle-class black women are at a much higher risk of premature birth than low-income white women in the United States. Dána-Ain Davis looks into this phenomenon, placing racial differences in birth outcomes into a historical context, revealing that

Downloaded from
legacy.opendemocracy.net on 2022-06-04
by guest

ideas about reproduction and race today have been influenced by the legacy of ideas which developed during the era of slavery. While poor and low-income black women are often the “mascots” of premature birth outcomes, this book focuses on professional black women, who are just as likely to give birth prematurely. Drawing on an impressive array of interviews with nearly fifty mothers, fathers, neonatologists, nurses, midwives, and reproductive justice advocates, Dána-Ain Davis argues that events leading up to an infant’s arrival in a neonatal intensive care unit (NICU), and the parents’ experiences while they are in the NICU, reveal subtle but pernicious forms of racism that confound the perceived class dynamics that are frequently understood to be a central factor of premature birth. The book argues not only that medical racism persists and must be considered when examining adverse outcomes—as well as upsetting experiences for parents—but also that NICUs and life-saving

technologies should not be the only strategies for improving the outcomes for black pregnant women and their babies. Davis makes the case for other avenues, such as community-based birthing projects, doulas, and midwives, that support women during pregnancy and labor are just as important and effective in avoiding premature births and mortality.

Ask a Manager - Alison Green 2018-05-01
'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office

Downloaded from
legacy.opendemocracy.net on 2022-06-04

because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

It Starts with the Egg - Rebecca Fett

2019-02-28

A practical and evidence-backed approach for improving egg quality and fertility-- fully revised and updated in 2019. The latest scientific research reveals that egg quality has a powerful impact on how long it takes to get pregnant and the risk of miscarriage. Poor egg quality is in

fact the single most important cause of age-related infertility, recurrent miscarriage, and failed IVF cycles. Based on a vast array of scientific research, It Starts with the Egg provides a comprehensive program for improving egg quality in three months, with specific advice tailored to a variety of fertility challenges-- including endometriosis, unexplained infertility, diminished ovarian reserve, PCOS, and recurrent miscarriage. With concrete strategies such as minimizing exposure to common environmental toxins, choosing the right vitamins and supplements to safeguard developing eggs, and harnessing nutritional advice shown to boost IVF success rates, this book offers practical solutions that will help you get pregnant faster and deliver a healthy baby.

The Kama Sutra of Vatsyayana - Vatsyayana

2021-08-29

The Kama Sutra of Vatsyayana Vatsyayana - The Kama Sutra of Vatsyayana by Richard Francis Burton is an edition of the ancient Indian text on

Downloaded from
legacy.opendemocracy.net on 2022-06-04
by guest

sexuality and emotional needs. Vatsayana was an ancient Indian philosopher who lived during the second or third century. Although it is often thought of as a sex manual, it is much more, with guides on living well, the nature of love, and finding a partner. Indeed, Vatsyayana says himself: 'This work is not to be used merely as an instrument for satisfying our desires'. Burton did not in fact translate the Kama Sutra - it was translated by the Indian scholar Bhagwan Lal Indraji. It was edited by Burton to suit prevailing British attitudes to sex, but was still banned in England and the United States until 1962. Other criticisms levelled at Burton's translation is that instead of using English words for the sex organs, he uses the words 'lingam' and 'yoni', despite those words not appearing in the original work. This was seen as an attempt to distance them and make them 'other', rather than about English people's sexual organs. He also removes the agency of women, and where in the original, women's words are direct quotes, in

the Burton translation, women's words are removed and put into the passive state (i.e., A woman saying 'Stop!' becomes 'She continually utters words expressive of prohibition'). Despite all this, it has been such an influential translation that even modern editions in the Hindi language are re-translations of the Burton version. The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual.

Contrary to popular perception, especially in the

western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life.

Lioness Rampant - Tamora Pierce 2014-10-21
Continues the adventures of the skilled knight and warrior, Alanna, as she wins the magical Jewel of Domaine and uses its powers to save her kingdom.

My Princess Boy - Cheryl Kilodavis 2011-01-11
A heartwarming book about unconditional love and one remarkable family. Dyson loves pink, sparkly things. Sometimes he wears dresses. Sometimes he wears jeans. He likes to wear his princess tiara, even when climbing trees. He's a Princess Boy. Inspired by the author's son, and by her own initial struggles to understand, this heartwarming book is a call for tolerance and an end to bullying and judgments. The world is a brighter place when we accept everyone for who

they are.

Count Down - Shanna H. Swan 2022-02-08
An award-winning scientist, in this urgent, thought-provoking and meticulously researched book, shows how chemicals in the modern environment are changing--and endangering--human sexuality and fertility on the grandest scale.

Human Sexual Response - Ishi Press International 2010

"Masters and Johnson's basic groundwork in sex physiology will now make it possible for medicine to assume a responsibility it has neglected far too long - that of educating its own. Through the authors' efforts, those responsible for sex education finally have before them clinical facts about one of the more vital aspects of human existence. [This volume] is primarily concerned with the sexual response cycles of men and women between the ages of 21 and 50, with emphasis on similarities rather than differences in their sexual response
