

# Sex In The City Episode 2 Cast

*The Tower* - Kate London 2021-11-04

She closed her eyes and saw, as if on a loop, a repeating backdrop of square windows, blue sky and concrete spinning and passing, passing, passing. She could not escape the horror of it: falling unstoppably, irretrievably until the hard concrete reaches up. That last glimpse of them at the edge. A long-serving beat cop in the Met and a teenage girl fall to their deaths from a tower block in London's East End. Left alive on the roof are a five year old boy and rookie police officer Lizzie Griffiths. Within hours, Lizzie Griffiths has disappeared, and DPS officer Sarah Collins sets out to uncover the truth around the grisly deaths, in an investigation which takes her into the dark heart of policing in London. Grounded in the terrifying realities of policing a city where the affluent middle-classes live cheek-by-jowl with the poorest immigrants, this is a complex, intelligent, thrilling crime novel by an author who has walked the beat.

*Summer and the City (The Carrie Diaries, Book 2)* - Candace Bushnell 2013-04-25

Meet teenage Carrie Bradshaw as she hits the bright lights, big city of New York for the very first time! Find out how Carrie transforms from country girl to super-cool fashionista in the second explosive CARRIE DIARIES novel from the globally bestselling author of SEX AND THE CITY.

**City Primeval** - Elmore Leonard 2009-10-13

"As gritty and hard-driving a thriller as you'll find....The action never stops, the language sings and stings." —Washington Post The City Primeval in Elmore Leonard's relentlessly gripping classic noir is Detroit, the author's much-maligned hometown and the setting for many of the Grand Master's acclaimed crime novels. The "Alexander the Great of crime fiction" (Pittsburgh Post-Gazette) shines in these urban mean streets, setting up a downtown showdown between the psychopathic, thrill-killing "Oklahoma Wildman" and the dedicated city cop who's determined to take him down. The creator of U.S. Marshal Raylan Givens of TV's Justified fame, Elmore Leonard is the equal of any writer who has ever captivated readers with dark tales of heists, hijacks, double-crosses, and murder—John D. MacDonald, Dashiell Hammett, James M. Cain, and Robert Parker included—and nobody then or now is better.

*The Carrie Diaries (The Carrie Diaries, Book 1)* - Candace Bushnell 2010-05-20

Meet Carrie Bradshaw before 'Sex and the City!'

*The Revolution Was Televised* - Alan Sepinwall 2013-02-19

A phenomenal account, newly updated, of how twelve innovative television dramas transformed the medium and the culture at large, featuring Sepinwall's take on the finales of Mad Men and Breaking Bad. In *The Revolution Was Televised*, celebrated TV critic Alan Sepinwall chronicles the remarkable transformation of the small screen over the past fifteen years. Focusing on twelve innovative television dramas that changed the medium and the culture at large forever, including *The Sopranos*, *Oz*, *The Wire*, *Deadwood*, *The Shield*, *Lost*, *Buffy the Vampire Slayer*, *24*, *Battlestar Galactica*, *Friday Night Lights*, *Mad Men*, and *Breaking Bad*, Sepinwall weaves his trademark incisive criticism with highly entertaining reporting about the real-life characters and conflicts behind the scenes. Drawing on interviews with writers David Chase, David Simon, David Milch, Joel Surnow and Howard Gordon, Damon Lindelof and Carlton Cuse, and Vince Gilligan, among others, along with the network executives responsible for green-lighting these groundbreaking shows, *The Revolution Was Televised* is the story of a new golden age in TV, one that's as rich with drama and thrills as the very shows themselves.

*Devil in Ohio* - Daria Polatin 2017-11-07

"Devil in Ohio kept me up until 3 a.m. with the lights on—in a good way. It's a haunting thriller for readers who like fear, humor, and heart in one package."—Meredith Goldstein, advice columnist and feature reporter for *The Boston Globe*, author of upcoming YA novel *Chemistry Lessons*. "Gripping, urgent and addictive, *Devil in Ohio* balances the dark exploration of cults with a compelling and often humorous take on teen social dynamics. This is the debut you won't want to miss."—Aditi Khorana, author of critically

acclaimed *The Library of Fates* and *Mirror in the Sky* When fifteen-year-old Jules Mathis comes home from school to find a strange girl sitting in her kitchen, her psychiatrist mother reveals that Mae is one of her patients at the hospital and will be staying with their family for a few days. But soon Mae is wearing Jules's clothes, sleeping in her bedroom, edging her out of her position on the school paper, and flirting with Jules's crush. And Mae has no intention of leaving. Then things get weird. Jules walks in on a half-dressed Mae, startled to see: a pentagram carved into Mae's back. Jules pieces together clues and discovers that Mae is a survivor of the strange cult that's embedded in a nearby town. And the cult will stop at nothing to get Mae back.

**The Leftovers** - Tom Perrotta 2012-01-05

From the author of 'Little Children' and now a major new TV series, 'The Leftovers' asks what if one day some of us simply vanished? And some were left behind?

**Daisy Jones & The Six** - Taylor Jenkins Reid 2019-03-05

NATIONAL AND NEW YORK TIMES BESTSELLER WINNER OF THE 2019 GOODREADS CHOICE AWARD FOR HISTORICAL FICTION A NEW YORK TIMES EDITORS' CHOICE NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Esquire • Glamour • CBC • NPR • Marie Claire • Real Simple • Good Housekeeping • Parade • Shelf Awareness • BookRiot • E! News • Mental Floss • Paste "I devoured *Daisy Jones & The Six* in a day, falling head over heels for it. Daisy and the band captured my heart."

—Reese Witherspoon (Reese's Book Club x Hello Sunshine book pick) A gripping novel about the whirlwind rise of an iconic 1970s rock group and their beautiful lead singer, revealing the mystery behind their infamous breakup. Everyone knows *Daisy Jones & The Six*: The band's album *Aurora* came to define the rock 'n' roll era of the late seventies, and an entire generation of girls wanted to grow up to be Daisy. But no one knows the reason behind the group's split on the night of their final concert at Chicago Stadium on July 12, 1979 . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with *Daisy Jones & The Six*, brilliantly capturing a place and time in an utterly distinctive voice.

**Tales Of The City** - Armistead Maupin 2022-06-22

A CLASSIC OF LGBTQ LITERATURE THAT HAS BECOME A CULT SEN-SATION! THE HEROES OF THIS ENCHANTING GROUP HAVE BEEN ENJOYED BY MILLIONS OF READERS WORLDWIDE! Adapted on TV (BBC), Limited Series (Netflix), Theater...and now in graphic novel form for the first time! San Francisco, 28 Barbary Lane, Anna Madrigal runs a boarding house. She welcomes people who have nowhere else to go: the misfits. This matriarch is known for her unending kindness and her superb marijuana crop. The novel starts with the arrival of Mary Ann Singleton, a prudish, naïve, young woman who escaped her dull Ohio hometown for San Francisco. She settles in with her other fellow tenants: Michael "Mouse," a personable young gay man, Brian Hawkins, an incorrigible Don Juan, and Mona Ramsey, a young hippyish bisexual.

*He's Just Not That Into You* - Greg Behrendt 2009-01-06

Based on an episode of "Sex and the City," offers a lighthearted, no-nonsense look at dead-end

relationships, providing advice for letting go and moving on.

*Sex and the City* - Candace Bushnell 2013-04-01

"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?

**The Man in the High Castle** - Philip K. Dick 2011

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

*Sex and the City* - Amy Sohn 2004-02-23

A fan's resource for the award-winning cable television program features information about the show's actors, producers, costume designers, and sets, and provides summaries of each season and interviews with the cast.

**Fleishman Is in Trouble** - Taffy Brodesser-Akner 2020-07-07

NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD LONGLIST • "A masterpiece" (NPR) about marriage, divorce, and the bewildering dynamics of ambition Coming soon as an FX limited series on Hulu, starring Claire Danes, Jesse Eisenberg, Lizzy Caplan, and Adam Brody ONE OF THE TEN BEST BOOKS OF THE YEAR—Entertainment Weekly, The New York Public Library ONE OF THE BEST BOOKS OF THE YEAR—The New York Times Book Review, Time, The Washington Post, USA Today Vanity Fair, Vogue, NPR, Chicago Tribune, GQ, Vox, Refinery29, Elle, The Guardian, Real Simple, Financial Times, Parade, Good Housekeeping, New Statesman, Marie Claire, Town & Country, Evening Standard, Thrillist, Booklist, Kirkus Reviews, BookPage, BookRiot, Shelf Awareness Toby Fleishman thought he knew what to expect when he and his wife of almost fifteen years separated: weekends and every other holiday with the kids, some residual bitterness, the occasional moment of tension in their co-parenting negotiations. He could not have predicted that one day, in the middle of his summer of sexual emancipation, Rachel would just drop their two children off at his place and simply not return. He had been working so hard to find equilibrium in his single life. The winds of his optimism, long dormant, had finally begun to pick up. Now this. As Toby tries to figure out where Rachel went, all while juggling his patients at the hospital, his never-ending parental duties, and his new app-assisted sexual popularity, his tidy narrative of the spurned husband with the too-ambitious wife is his sole consolation. But if Toby ever wants to truly understand what happened to Rachel and what happened to his marriage, he is going to have to consider that he might not have seen things all that clearly in the first place. A searing, utterly unvarnished debut, *Fleishman Is in Trouble* is an insightful, unsettling, often hilarious exploration of a culture trying to navigate the fault lines of an institution that has proven to be worthy of our great wariness and our great hope. Alma's Best Jewish Novel of the Year • Finalist for the National Book Critics Circle's John Leonard Prize for Best First Book

*The Lost Flowers of Alice Hart* - Holly Ringland 2018-06-28

Now an Amazon Original series starring Sigourney Weaver, *The Lost Flowers of Alice Hart* is the internationally bestselling novel by Holly Ringland. Perfect for fans of *Where the Crawdads Sing* and *Kate Morton*. 'A magical coming-of-age novel' - *Good Housekeeping* On the Australian coast, miles away from the nearest town, nine-year-old Alice Hart lives in fear of her father's dark moods. She is sheltered only by the love of her mother, Agnes, and Agnes' beautiful garden. When tragedy changes Alice's life irrevocably, she is sent to Thornfield, a native flower farm run by the grandmother she has never known. Thornfield gives refuge to women who, like Alice, are lost or broken, and it is there that Alice learns to use the language of flowers to say the things she cannot voice. But as she grows older, Alice realizes that there are things that even the flowers cannot help her say. Family secrets are buried deeper than the flowers' roots and, if she is to have the freedom she craves, she must find the courage to unearth the most powerful story she knows: her own. 'Rich, vibrant and alive . . . Holly Ringland is a writer to watch out for' - Jenn Ashworth, author of *Ghosted*

**Internet Comedy Television Series, 1997-2015** - Vincent Terrace 2016-01-29

Created around the world and available only on the web, Internet "television" series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fourth in a series covering Internet TV, this book takes a comprehensive look at 1,121 comedy series produced exclusively for online audiences. Alphabetical entries provide websites, dates, casts, credits, episode lists and storylines.

**Mozart in the Jungle** - Blair Tindall 2007-12-01

The memoir that inspired the two-time Golden Globe Award-winning comedy series: "Funny . . . heartbreaking . . . [and] utterly absorbing" (Lee Smith, New York Times—bestselling author of *Guests on Earth*). Oboist Blair Tindall recounts her decades-long professional career as a classical musician—from the recitals and Broadway orchestra performances to the secret life of musicians who survive hand to mouth in the backbiting New York classical music scene, where musicians trade sexual favors for plum jobs and assignments in orchestras across the city. Tindall and her fellow journeymen musicians often play drunk, high, or hopelessly hungover, live in decrepit apartments, and perform in hazardous conditions—working-class musicians who schlep across the city between low-paying gigs, without health-care benefits or retirement plans, a stark contrast to the rarefied experiences of overpaid classical musician superstars. An incisive, no-holds-barred account, *Mozart in the Jungle* is the first true, behind-the-scenes look at what goes on backstage and in the orchestra pit. The book that inspired the Amazon Original series starring Gael García Bernal and Lola Kirke, this is "a fresh, highly readable and caustic perspective on an overglamorized world" (Publishers Weekly).

*We Should All Be Mirandas* - Chelsea Fairless 2019

"A snarky lifestyle guide inspired by the most underrated character on *Sex and the City*, from the creators of the Instagram sensation @everyoufitonSATC"--

*Sex and the City and Us* - Jennifer Keishin Armstrong 2019-05-07

The bestselling author of *Seinfeldia* offers a fascinating retrospective of the iconic and award-winning television series, *Sex and the City*, in a "bubbly, yet fierce cultural dissection of the groundbreaking show" (*Chicago Tribune*). This is the story of how a columnist, two gay men, and a writers' room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often begrudging—respect. The show wasn't perfect, but it revolutionized television for women. When Candace Bushnell began writing for the *New York Observer*, she didn't think anyone beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. Beverly Hills, 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. Carrie, Miranda, Charlotte, and Samantha launched a barrage of trends, forever branded the actresses that took on the roles, redefined women's relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, "Jennifer Keishin Armstrong brings readers inside the writers' room and into the scribes' lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that's been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail" (*The Washington Post*). *Sex and the City and Us* is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

**The Days of Anna Madrigal** - Armistead Maupin 2014-01-30

Soon to be a Netflix series starring Ellen Page and Laura Linney . . . 'One of the most acclaimed sagas of our time . . . A celebration of life in all its craziness' *The Times* \_\_\_\_\_ Anna Madrigal, the legendary transgender landlady of 28 Barbary Lane, she embarks on a road trip that will take her deep into her past. Now ninety-two, and committed to the notion of "leaving like a lady," Mrs. Madrigal has seemingly found peace with her "logical family" in San Francisco: her devoted young caretaker Jake Greenleaf; her former tenant Brian Hawkins and his daughter Shawna; and Michael Tolliver and Mary Ann Singleton, who have known and loved Anna for nearly four decades. Some members of Anna's family are

bound for the otherworldly landscape of Burning Man, the art community in Nevada's Black Rock Desert where 60,000 revelers gather to construct a city designed to last only one week. Anna herself has another destination in mind: a lonely stretch of road outside of Winnemucca where the 16-year-old boy she once was

ran away from the whorehouse he called home. With Brian and his beat-up RV, she journeys into the dusty troubled heart of her Depression childhood to unearth a lifetime of secrets and dreams and attend to unfinished business she has long avoided.
