Sex Points Dr. Bat Sheva Marcus 2021-03-09 In this refreshingly honest book, the "Queen of Vibrators" and the "Orthodox Sex Guru" shares her easy, proven system to help women have a healthy, robust sex life. Myth: Great sex comes naturally, and when it doesn't, there is something wrong. Fact: Sex is a gift that takes work. Like exercise or eating right, it also takes practice and know-how. "Queen of Vibrators" Dr. Bat Sheva Marcus believes a healthy, robust, fulfilling sex life is a right for all women. And after twenty years as a sex therapist, Dr. Bat Sheva knows that there's more to sex than lingerie and beach vacations. Sex Points is the first book that helps you identify and analyze for yourself what factors are affecting your sex life. Using Dr. Bat Sheva's revolutionary Sex Points Assessment, you can pinpoint what's keeping you from the great sex you deserve by looking at where you're scoring low in four key areas: pain, arousal, libido, and orgasm. And then she'll help you get points back in each of those areas! Your sex life is complex, unique to you, and affected by psychological, medical, and emotional variables. If you think that a diminished sex drive is natural, pain is expected, and no orgasms is no problem—prepare to have your world rocked. Covering everything from how to choose a vibrator to recapturing orgasms, understanding hormones, to rekindling lust, embracing taboo fantasies, and parsing complicated relationships, to what sex really means (hint: it's not just intercourse), Sex Points is a comprehensive, revelatory, I-didn't-know-it-could-be-this-good guide for every woman, at every age, in every situation. A Fun, Healthy, Fulfilling Sex Life is Your Right! And Sex Points will get you there.

The Gay Test Mistress Dede 2015-01-29 How do you know whether you are gay or not? In fact, how can anyone know whether they are homosexual or heterosexual or bisexual? If this is the question that's bothering you, the first thing that you need to do is let go of the stereotypes. Just because you are not as macho as your college football captain does not mean that you are gay. In fact, you could actually be the captain of your football team and be a homosexual rather than a heterosexual. This basically means that gay men do not look different from your "normal" heterosexual male. They are not necessarily more feminine than straight men and they may be as interested in dressing up like a regular male. So, maybe someone just mentioned it to you that you may be gay. Or maybe someone just suggested that you have "too feminine" tastes, implying that you may be gay. This probably confused you and you wanted to just check out whether you are indeed gay. Don't you worry; this quiz will surely help you. But before we do begin with the quiz, here is one thing that you should keep in mind. The stereotypes that you or your friends have about gays are probably all incorrect. You are not gay because you are good at keeping your house clean, or you are good at picking up the right clothes, or because you dress up neatly. You are gay because you are physically and sexually attracted to men and not women. You are gay because you form strong lasting emotional sexual bonds with men and not women. You are gay because you have a strong inclination towards getting intimate with men than women. You fantasize more about getting sexually involved with men rather than women. In short, do not use the common stereotypes that society has taught you about gays to determine your sexual orientation. Instead, this should depend on the physical and sexual attraction you feel for same sex individuals. So, are you more sexually attracted to men than women? This is the question that you should ask yourself. Still confused? Take The Gay Test and find out the truth.

Butt Sex - a Woman's Interactive Games Quiz Book All about Anal Sex Interactive Games 2012-12-05 Butt Sex is becoming a more common practice worldwide among heterosexual couples. As more people venture into the world of backdoor sex, there is a need for information. In our "Butt Sex - A Woman's Interactive Kindle Quiz Book All About Anal Sex and the Pleasures of Ass Sex" we take full advantage of the Kindle and present the reader all the information you need on anal sex. Using a simple True or False format, the reader will begin by answering questions and if you choose the incorrect answer, you are given an opportunity to try again. Our book provides some recent statistical data regarding how many women engage in ass sex and how frequently butt sex is the sexual option for many couples. We then venture into the health, morale and everyday questions you may have regarding ass sex. There is a ton of wrong information all over the internet, so we try to clear things up. Next we go into the actual act of butt sex, including preparation techniques and what to expect while engaged in anal sex. Anal Sex is not for everyone, but if you are an adult interested in anal play, or have had a previous horrible butt sex experience and are curious once again, this interactive quiz book will help you out. Butt sex is a choice, that more and more heterosexual couples are deciding to engage in so our book will give you a fun way of learning more about it.

Generation Digital Kathryn C. Montgomery 2009-02-13 The role that children and youth play in the emerging digital media culture; as consumers targeted by marketing campaigns, as creators of their own digital culture, and as political participants. Children and teens today have integrated digital culture seamlessly into their lives. For most, using the Internet, playing videogames, downloading music onto an iPod, or multitasking with a cell phone is no more complicated than setting the toaster oven to "bake" or turning on the TV. In *Generation Digital*, media expert and activist Kathryn C. Montgomery examines the ways in which the new media landscape is changing the nature of childhood and adolescence and analyzes recent political debates that have shaped both policy and practice in digital culture. The media has pictured the so-called "digital generation" in contradictory ways: as bold trailblazers and innocent victims, as active creators of digital culture and passive targets of digital marketing. This, says Montgomery, reflects our ambivalent attitude toward both youth and technology. She charts a confluence of historical trends that made children and teens a particularly valuable target market during the early commercialization of the Internet and describes the consumer-group advocacy campaign that led to a law to protect children's privacy on the Internet. Montgomery recounts—as a participant and as a media scholar—the highly publicized battles over indecency and pornography on the Internet. She shows how digital marketing taps into teenagers' developmental needs and how three public service campaigns—about sexuality, smoking, and political involvement—borrowed their techniques from commercial digital marketers. Not all of today's techno-savvy youth are politically disaffected; *Generation Digital* chronicles the ways that many have used the Internet as a political tool, mobilizing young voters in 2004 and waging battles with the music and media industries over control of cultural expression online. Montgomery's unique perspective as both advocate and analyst will help parents, politicians, and corporations take the necessary steps to create an open, diverse, equitable, and safe digital media culture for young people.

Lessons of Lifelong Intimacy Michael Gurian 2017-03-28 From New York Times bestselling author Michael Gurian comes a groundbreaking plan for happiness in love and marriage that shows you how to build healthy boundaries, work through past hurts, and create greater intimacy by maintaining emotional separateness. Become separate from your partner yet also become closer—sounds counterintuitive, doesn't it? With twenty-five years of family and marital counseling practice, Michael Gurian shows that "intimate separateness" is the key to creating a healthy partnership in life. Recent university studies show that the most frequent reason relationships dissolve is not abuse, alcoholism, money, or even infidelity, but rather a lack of emotional fulfillment. Most books on love and marriage focus on teaching communication and conflict skills, but neglect to help couples with the "other half" of intimacy—separateness. In this practical yet personal guide to love, Gurian details the benefits of creating a lifelong balance of closeness and separateness. He outlines a twelve-stage model created for his own private practice, which provides long-term goals and focal points for dialogue that can help couples work through arguments. Gurian also delves into differences in white and gray matter between the male and female brain (which may explain the varying needs for intimacy and separateness), differences in verbal and emotive development, and the effects these all have on relationships. Rich with examples and case studies, this book presents strategies for communication and conflict that build more emotional balance, while showing how intimate separateness can be the key to lifelong happiness.

Anatomy of Love Helen E. Fisher 1992 An exploration of human behavior examines the innate aspects of love, sex, and marriage, discussing flirting behavior, courting postures, the brain chemistry of attraction, divorce and adultery in societies around the world, and more. Reprint.

The Lifetime Love and Sex Quiz Book Pepper Schwartz 2002-06-12 A Paperback Original. Who hasn't been dizzy with the prospect of romance? Now the most popular feature of Lifestimetv.com helps you put your love to the test. Do you fight fair? Should you stay, or go? Are you a flirt? These are just some of the topics covered in this quiz collection compiled by relationship guru Dr. Pepper Schwartz. The quizzes help readers analyze their feelings and actions objectively and help them improve their relationships using the solid advice offered by Dr. Schwartz. Is It Love or Lust -- Take the test! You're at a dinner party with a roomful of people when your partner tells a joke that falls flat. You: A) Turn a little red for him B) Laugh -- loudly, you don't want him to be embarrassed C) Chuckle, and remember again why you love his offbeat sense of humor (If you answered A, you're on the fence! The best answer is B. Your impulse to laugh despite the fact that your partner's funny joke tanked shows your desire to support and protect the one you love. If you answered C, you love him precisely because he's one of a kind. B & C are the answers of a woman in love, not in lust.) The 50 quizzes cover all aspects of your "love psyche" and are a fun and provocative tool for anyone who wants to be kissed by Cupid's arrow.

Sex Games for Couples Tony Bravo 2020-06-16 Are you looking for a book that can spark your sex life and enhance the couple's performance? In this book you will learn tips, tricks and advice for your sex life, how to play naughty safe games and have fun in bed. Tony and me have been happily married for 10 years and we still share a wonderful story together, but during our lives we had experienced some issues related to the sex part go our wedding. As always, at the beginning we had a lot of fun, but over time the spark turned off. It's anybody's fault. We have very busy lives, long working hours and a happy family (and a dog!) to take care of, but it's a shame that husband and wife can't have some time on their own. Willing to find a solution we ended up discovering a new way to have sex, using games, toys and tools and despite at the beginning it looked a bit weird, we tried them and eventually enjoyed a new way to share intimacy. After the first experiences, it became an habit that led us to have sex regularly and happily. Thanks to this experience, we decided to write a book about our journey with the sex games and we truly hope that it will help you too to keep the thrill in your relationship. In this book you will learn: How to understand couple complicity and intimacy How to solve common problems about sex Your sex personally Many sex games for couples, such as Truth or Dare and Would You Rather New sex positions How to use tools during sex, dildos and soft bondage. Don't let your sex life go wrecked, talk with your partner and embrace a solution, hopefully a playful one! Scroll up, click buy it now and get your copy today!

The Five Love Languages Gary Chapman 2009-12-17 Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. Come As You Are: Revised and Updated Emily Nagoski 2021-03-02 A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.
