10 Minutes 38 Seconds in this Strange World - Elif Shafak 2019-06-06

SHORTLISTED FOR THE BOOKER PRIZE 2019
'Expect vibrant, vivid and eye-opening

descriptions of Middle Eastern life propelled by a tender storyline, all in Shafak's haunting, beautiful and considered prose' Vanity Fair 'Incredibly sensuous and poetic and evocative' Pandora Sykes 'Richly uplifting... truly beautiful writing' Nicola Sturgeon 'In the first minute following her death, Tequila Leila's consciousness began to ebb, slowly and steadily, like a tide receding from the shore...' For Leila, each minute after her death recalls a sensuous memory: spiced goat stew, sacrificed by her father to celebrate the birth of a yearned-for son; bubbling vats of lemon and sugar to wax women's legs while men are at prayer; the cardamom coffee she shares with a handsome student in the brothel where she works. Each fading memory brings back the friends she made in her bittersweet life - friends who are now desperately trying to find her . . . 'Simply magnificent, a truly captivating work of immense power and beauty, on the essence of life and its end' Philippe Sands 'Elif Shafak brings into the

written realm what so many others want to leave outside. Spend more than ten minutes and 38 seconds in this world of the estranged. Shafak makes a new home for us in words' Colum McCann 'Elif Shafak's extraordinary 10 Minutes, 38 Seconds in this Strange World is a work of brutal beauty and consummate tenderness' Simon Schama 'A rich, sensual novel... This is a novel that gives voice to the invisible, the untouchable, the abused and the damaged, weaving their painful songs into a thing of beauty.' Financial Times 'One of the best writers in the world today' Hanif Kureishi 'Haunting, moving, beautifully written. A masterpiece' Peter Frankopan 'Extraordinary' Guardian 'Life-affirming' Stylist *Elif Shafak's latest novel The Island of Missing Trees is available now* **Read Bottom Up** - Neel Shah 2015-04-07 A charming novel about falling in love (or like) in the digital age—the never-before-seen full story. A romance, potentially eternal, possibly doomed, begins. And, like most things in life today, their early exchanges are available to be scrutinized and interpreted by well-intentioned friends who are a mere click away. Madeline and Elliot's relationship unfolds through a series of thrilling, confounding, and funny exchanges with each other, and, of course, with their best friends and dubious confidants (Emily and David). The result is a brand-new kind of modern romantic comedy, in format, in content, and even in creation—the authors exchanged e-mails in real time, blind to each other's side conversations. You will nod in appreciation and roll your eyes in recognition; you'll learn a thing or two about how the other half approaches a new relationship . . . and you will cheer for an unexpected ending that just might restore your faith in falling in love, twenty-first-century style.
