

Sex Worker Quotes

Famous Quotes About Sex -

Oliver Gaspirtz 2017-03-18

Funny, inspiring and thought-provoking celebrity quotes about sex, love, life, humor, marriage and relationships, and how we are all connected.

"We are all born sexual creatures, thank God, but it's a pity so many people despise and crush this natural gift." - Marilyn Monroe "Life in Lubbock, Texas, taught me two things: One is that God loves you and you're going to burn in hell. The other is that sex is the most awful, filthy thing on earth and you should save it for someone you love." -Butch Hancock

Unspeakable Things - Laurie

Penny 2014-07-03

Shortlisted for The Green Carnation Prize 2014 'This is not a fairytale. This is a story about how sex and money and power police our dreams.' Clear-eyed, witty and

irreverent, Laurie Penny is as ruthless in her dissection of modern feminism and class politics as she is in discussing her own experiences in journalism, activism and underground culture. This is a book about poverty and prejudice, online dating and eating disorders, riots in the streets and lies on the television. The backlash is on against sexual freedom for men and women and social justice - and feminism needs to get braver. Penny speaks for a new feminism that takes no prisoners, a feminism that is about justice and equality, but also about freedom for all. It's about the freedom to be who we are, to love who we choose, to invent new gender roles, and to speak out fiercely against those who would deny us those rights. It is a book that gives the silenced a voice - a voice that speaks of unspeakable

things.

Sex for One - Betty Dodson

2012-02-01

The classic guide to fully enjoying the pleasures of self-love, full of warmth, intelligence, and informative line drawings—from a renowned sex educator featured on Netflix’s the goop lab with Gwyneth Paltrow Confronting one of our last and most deeply rooted taboos—masturbation—noted sex expert and pro-sex feminist Betty Dodson, Ph.D., takes the shame out of self-love by creating a straightforward and appealing guidebook that reveals masturbation as a satisfying, vital form of sexual expression. Dr. Dodson demonstrates how anyone can learn to make love alone with feelings of guilt or loneliness, and explains why masturbation is sexually and spiritually fulfilling for both men and women. Not only is it the safest sex, but sharing masturbation can also be a sensual treat for couples who want to learn more about each other’s sexual responses. Sex for One

demonstrates that self-loving is not just for times in-between lovers or for social misfits.

Masturbation is the joyful and ongoing love affair that each of us has with ourselves throughout childhood, adulthood, and the golden years of old age.

The Second Sex - Simone de Beauvoir 1997

Of all the writing that emerged from the existentialist movement, Simone de Beauvoir's groundbreaking study of women will probably have the most extensive and enduring impact. It is at once a work of anthropology and sociology, of biology and psychoanalysis, from the pen of a writer and novelist of penetrating imaginative power. THE SECOND SEX stands, five decades after its first appearance, as the first landmark in the modern feminist upsurge that has transformed perceptions of the social relationship of man and womankind in our time

Sex and Character - Otto Weininger 2005-04-14

Otto Weininger's controversial

*Downloaded from
legacy.opendemocracy.net
on 2022-05-21 by guest*

book *Sex and Character*, first published in Vienna in 1903, is a prime example of the conflicting discourses central to its time: antisemitism, scientific racism and biologism, misogyny, the cult and crisis of masculinity, psychological introspection versus empiricism, German idealism, the women's movement and the idea of human emancipation, the quest for sexual liberation, and the debates about homosexuality. Combining rational reasoning with irrational outbursts, in the context of today's scholarship, *Sex and Character* speaks to issues of gender, race, cultural identity, the roots of Nazism, and the intellectual history of modernism and modern European culture. This new translation presents, for the first time, the entire text, including Weininger's extensive appendix with amplifications of the text and bibliographical references, in a reliable English translation, together with a substantial introduction that places the book in its cultural and

historical context.

Revolting Prostitutes - Molly Smith 2018-11-06

How the law harms sex workers—and what they want instead Do you have to endorse prostitution in order to support sex worker rights? Should clients be criminalized, and can the police deliver justice? In *Revolting Prostitutes*, sex workers Juno Mac and Molly Smith bring a fresh perspective to questions that have long been contentious. Speaking from a growing global sex worker rights movement, and situating their argument firmly within wider questions of migration, work, feminism, and resistance to white supremacy, they make it clear that anyone committed to working towards justice and freedom should be in support of the sex worker rights movement.

Autobiography of a Sex Worker - Najini Jamila 2007

Sex workers are free in four respects: we don't have to cook for a husband; we don't have to wash his dirty clothes; we don't have to ask for his permission to raise our kids as we deem

Downloaded from
legacy.opendemocracy.net
on 2022-05-21 by guest

fit; we don't have to run after a husband claiming rights to his property.? Fiery, outspoken and often wickedly funny, this candid account of one woman's life as a sex worker in Kerala became a bestseller when it was first published in Malayalam. Nalini Jameela, who takes her name from both Hindu and Muslim traditions, worked as a child in the clay mines. She has been a wife, mother, successful business woman and social activist ? as well as a sex worker ? at different stages of her life. This is Nalini Jameela's story, told in her inimitably honest and down- to-earth style, of her search for dignity, empowerment and freedom on her own terms.

Sex at Dawn - Christopher Ryan 2021-01-05

The 10th-anniversary edition of the book that radical re-evaluates the origins and nature of human sexuality. Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science — as well as religious and cultural

institutions — has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. In this groundbreaking book, however, Christopher Ryan and Cacilda Jethá argue that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. With intelligence and humour, Ryan and Jethá explain how our promiscuous past haunts our contemporary struggles. They explore why many people find long-term fidelity so difficult; why sexual passion tends to fade even as love deepens; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. Shocking, enlightening, and ultimately

*Downloaded from
legacy.opendemocracy.net
on 2022-05-21 by guest*

inspiring, *Sex at Dawn* offers a revolutionary understanding of why we live and love as we do.

Thriving in Sex Work - Lola Davina 2017-07-13

A self-help book for sex workers. Sex work is easy money? Hardly. The adult industry is riddled with pitfalls and dangers. Erotic labor is often emotionally demanding, draining, and complex. It can be hard to know who to turn to for advice on keeping yourself safe and sane. Lola Davina, former stripper, dominatrix, porn actress and escort, provides the life skills you need to prosper, including: ? Cultivating friendships, community, and romance ? Mastering money? Debunking sex industry myths such as you have to be flawless, or clients hate to hear no? Avoiding trigger states, like loneliness, fatigue, boredom, anxiety and depression, that lead to bad decision-making and burnout? Surviving bad calls, shifts, and shoots ? and so much more? Thriving in sex work means having a healthy body, mind, heart, and bank account.

No matter your job title or gender, whether you're independent or work for someone else, if you want to succeed in sex work, then this book is for you.

Sex Work on the Streets - Neil P. McKeganey 1996

* How and why do people sell and buy sex? * What are the risks associated with prostitution? * Should prostitution be legalized? This book is the most detailed study ever provided on street prostitution. It is based on three years' research in which the authors interviewed prostitutes and their clients and spent many months working in a red light area. The book makes extensive use of direct quotes from the women and the men, as well as fieldnotes from the authors based upon their observations in the red light area. Topics covered in the book include the women's negotiations with clients, HIV, drug use and violence. The book also describes the impact of working as a prostitute on women's home life. No attempt

Downloaded from
legacy.opendemocracy.net
on 2022-05-21 by guest

is made to moralise about prostitution in the book, instead the authors concentrate on the experiences of the women and men involved in selling and buying sex, and describe prostitution from their standpoint. Sex Work on the Streets will be of interest to a wide range of students and researchers in sociology, social policy, criminology and women's studies.

The Big Book of Sex Quotes - Julian L'Estrange 2004

"When authorities remind you of the sinfulness of sex, there is an important lesson to be learned. Do not have sex with the authorities."--Matt Groening (The Simpsons). Prudes beware: there are no repressive authorities or censors here. From Aphrodisiacs to Rude Food, Virginity to Viagra, these 1001 unexpurgated sex quotes--divided into 75 categories--are too good to keep under cover. As with every volume in the popular "Big Book" series, the seductive array of material covers a wide span, and nothing is too hot to handle.

Some are fresh off the press: "Study Finds Sex-Pregnancy Link" trumpets one newspaper headline. (Who knew?) Others come from our finest comic geniuses, such as Woody Allen's "Sex without love is an empty experience, but as empty experiences go, it's one of the best." Whether it's Mae West's sassy "To err is human--but it feels divine" or Andy Warhol's surprising "Sex is the biggest nothing of all time," these are entertaining and amazing.

Not a Choice, Not a Job - JANICE G. RAYMOND
2013-07-15

A generation ago, most people did not know how ubiquitous and grave human trafficking was. Now many people agree that the \$35.7 billion business is an appalling violation of human rights. But when confronted with prostitution, many people experience an odd disconnect because prostitution is shrouded in myths, among them the claims that ôprostitution is inevitable,ö and ôprostitution is a job or service like any other.ö

Downloaded from
legacy.opendemocracy.net
on 2022-05-21 by guest

In *Not a Choice, Not a Job*, Janice Raymond challenges both the myths and their perpetrators. Raymond demonstrates that prostitution is not sex but sexual exploitation, and that legalizing and decriminalizing the system of prostitution—as opposed to the prostituted women—promotes sex trafficking, expands the sex industry, and invites organized crime. Specifically, Raymond exposes how legalized prostitution in the Netherlands, Germany, Australia, and Nevada worsens crime and endangers women. In contrast, she reveals, when governments work to prevent the demand for prostitution by prosecuting pimps, brothels, and prostitution users—as in Norway, Sweden, and Iceland—trafficking does not increase, women are better protected, and fewer men buy sex. Raymond expands the boundaries of scholarship in women's studies, making this book indispensable to human rights advocates around the world.

Debating Sex Work - Jessica Flanigan 2019

Prostitution is often referred to as "oldest profession." Critics of this expression redescribe it as "the oldest oppression." Debates about how best to understand and regulate prostitution are bound up with difficult moral, legal, and political questions. Indeed, it can be approached from numerous angles—is buying and selling sex fundamentally wrong? How can it possibly be regulated? How can sex workers be protected, if they are allowed to work at all? In this concise, for-and-against volume, ethicists Lori Watson and Jessica Flanigan engage with each other on the nature and consequences of sex work, revealing new and profound ways in which to understand it. The volume opens with a joint introduction, before Lori Watson first argues for a sex equality approach to prostitution in which buyers are criminalized and sellers are decriminalized, also known as the Nordic model. Watson defends the Nordic Model on

*Downloaded from
legacy.opendemocracy.net
on 2022-05-21 by guest*

the grounds that prostitution is an exploitative and unequal practice that only entrenches existing patterns of gendered injustice. Full decriminalization of prostitution only stymies existing occupational health and safety standards and securing worker autonomy and equality. Further, to Watson, drawing a distinction between sex trafficking and prostitution is irrelevant for public policy; what underpins them is demand, which fuels the inequalities of both. That is what needs to be addressed. In a rebuttal, Jessica Flanigan contends that sex work should be fully decriminalized because restrictions on the sale and purchase of sex violate the rights of sex workers and their clients. She argues that decriminalization is preferable to policies that could expose sex workers and their clients to criminal penalties, and leave them at the mercy of public officials. Putting these two views on sex work into conversation with one another, and opening up space for readers to weigh both

approaches, the book provides a thorough, accessible exploration of the issues surrounding sex work, written with both sympathy and philosophical rigor.

Israeli Masculinity, Sex Work, and Consumerism -

Yeela Lahav-Raz 2023-11-07

Israeli Masculinity, Sex Work, and Consumerism:

Heteronormativity and Sexual Repertoires explores the inner world of Israeli sex work consumers and their use of digital technologies on which intense feelings of social togetherness and belonging create a localized form of homosociality and brotherhood. The first of its kind to offer an in-depth analysis of masculine sexual repertoires in the field of sex consumption, this book uses extensive data and observations of online ethnography among a community of Israeli sex consumers operating online. It elucidates the economics of demand in the field of sexual consumption, and highlights how the rise of the thriving online communities of sex

Downloaded from

legacy.opendemocracy.net

on 2022-05-21 by guest

consumers can function as a platform on which power relations between men themselves are publicly displayed and are constantly challenged. Israeli Masculinity, Sex Work, and Consumerism: Heteronormativity and Sexual Repertoires will be suitable for researchers in Gender and Sexuality Studies, Sociology, Anthropology and Criminology. *A Curious History of Sex* - Kate Lister 2020-02-06

This is not a comprehensive study of every sexual quirk, kink and ritual across all cultures throughout time, as that would entail writing an encyclopaedia. Rather, this is a drop in the ocean, a paddle in the shallow end of sex history, but I hope you will get pleasantly wet nonetheless.

The act of sex has not changed since people first worked out what went where, but the ways in which society dictates how sex is culturally understood and performed have varied significantly through the ages. Humans are the only creatures that stigmatise particular sexual practices, and sex

remains a deeply divisive issue around the world. Attitudes will change and grow - hopefully for the better - but sex will never be free of stigma or shame unless we acknowledge where it has come from. Based on the popular research project *Whores of Yore*, and written with her distinctive humour and wit, *A Curious History of Sex* draws upon Dr Kate Lister's extensive knowledge of sex history. From medieval impotence tests to twentieth-century testicle thefts, from the erotic frescoes of Pompeii, to modern-day sex doll brothels, Kate unashamedly roots around in the pants of history, debunking myths, challenging stereotypes and generally getting her hands dirty. This fascinating book is peppered with surprising and informative historical slang, and illustrated with eye-opening, toe-curling and meticulously sourced images from the past. You will laugh, you will wince and you will wonder just how much has actually changed.

Sex Work, Immigration and Social Difference - Julie Ham

Downloaded from
legacy.opendemocracy.net
on 2022-05-21 by guest

2016-08-25

Public discourses around migrant sex workers are often more confident about what migrant sex workers signify morally but are less clear about who the 'migrant' is. Based on interviews with immigrant, migrant and racialized sex workers in Vancouver, Canada and Melbourne, Australia, *Sex Work, Immigration and Social Difference* challenges the 'migrant sex worker' category by investigating the experiences of women who are often assumed to be 'migrant sex workers' in Australia and Canada. Many 'migrant sex workers' in Melbourne and Vancouver are in fact, naturalized citizens or permanent residents, whose involvement in the sex industry intersects with diverse ideas and experiences of citizenship in Australia and Canada. This book examines how immigrant, migrant and racialized sex workers in Vancouver and Melbourne wield or negotiate ideas of illegality and legality to obtain desired outcomes in their day-to-day work. Sex

work continues to be the subject of fierce debate in the public sphere, at the policy level, and within research discourses. This study interrogates these perceptions of the 'migrant sex worker' by presenting the lived realities of women who embody or experience dimensions of this category. This book is interdisciplinary and will appeal to those engaged in criminology, sociology, law, and women's studies.

The Pimping of Prostitution

- Julie Bindel 2019-06-15

This book examines one of the most contested issues facing feminists, human rights activists and governments around the globe - the international sex trade. For decades, the liberal left has been conflicted as to whether pro-prostitution activists or abolitionists hold the correct view, and debates are ongoing as to who holds the key to the solutions facing the women and girls involved. Over the course of two years, Bindel conducted 250 interviews in almost 40 countries, cities and states,

*Downloaded from
legacy.opendemocracy.net
on 2022-05-21 by guest*

traveling around Europe, Asia, North America, Australia, New Zealand, and East and South Africa. Visiting legal brothels all around the world, Bindel got to know pimps, pornographers, survivors of the sex trade, and the women being sold by men classed as 'business entrepreneurs'. Whilst meeting feminist abolitionists, pro-prostitution campaigners, police and government officials, and the men who drive the demand, Bindel uncovered the lies, mythology and criminal activity that shroud this global trade, and suggests here a way forward for the women seeking to abolish the oldest oppression. Informed by the lived human experience of those interviewed, this book will be of great interest to feminists, students, criminal justice advocates, criminologists and human rights activists.

Producing the Acceptable Sex Worker - Gwyn Easterbrook-Smith 2022-02-25

This book considers sex worker representation in the news, where the public draws their

understanding of the industry in the absence of lived interaction with it. Using New Zealand as a case study, the author encourages emerging acceptability based on neoliberal postfeminist discourses of choice, desire, authenticity, and personal responsibility.

Sex Work, Health, and Human Rights - Shira M.

Goldenberg 2021-04-28

This open access book provides a comprehensive overview of the health inequities and human rights issues faced by sex workers globally across diverse contexts, and outlines evidence-based strategies and best practices. Sex workers face severe health and social inequities, largely as the result of structural factors including punitive and criminalized legal environments, stigma, and social and economic exclusion and marginalization. Although previous work has largely emphasized an elevated burden and gaps in HIV and sexually transmitted infection (STI) services in sex work, less attention has been paid to the

Downloaded from
legacy.opendemocracy.net
on 2022-05-21 by guest

broader health and human rights concerns faced by sex workers. This contributed volume addresses this gap. The chapters feature a variety of perspectives including academic, community, implementing partners, and government to synthesize research evidence as well as lessons learned from local-level experiences across different regions, and are organized under three parts: Burden of health and human rights inequities faced by sex workers globally, including infectious diseases (e.g., HIV, STIs), violence, sexual and reproductive health, and drug use Structural determinants of health and human rights, including legislation, law enforcement, community engagement, intersectoral collaboration, stigma, barriers to health access, im/migration issues, and occupational safety and health Evidence-based services and best practices at various levels ranging from individual and community to policy-level interventions to identify best practices and

avenues for future research and interventions Sex Work, Health, and Human Rights is an essential resource for researchers, policy-makers, governments, implementing partners, international organizations and community-based organizations involved in research, policies, or programs related to sex work, public health, social justice, gender-based violence, women's health and harm reduction.

Sex Working and the Bible -

Avaren Ipsen 2014-12-18

The Bible contains many stories of prostitution. Feminist and liberation readings of these biblical narratives have often made sex workers invisible. 'Sex Working and the Bible' examines stories of biblical prostitution through the experiences and understanding of sex workers today. The Bible narratives - ranging across Rahab in the Book of Joshua, the story of Solomon and the two prostitutes, the anointing women traditions, and the apocalyptic vision of the whore of Babylon in Revelation - are
