*The Ultimate Sex Book* - Anne Hooper 1992  
Enhance your relationships and transform your life with these clinically proven programs and illustrated "sexercises" for men and women. While most people find something lacking in their own and their partner's lovemaking, the good news is that most of these so-called dysfunctions are correctable. Noted sex therapist Anne Hooper now offers her remarkably effective system for full sexual health to readers everywhere. Full-color photographs.

**The Spectrum of Sex** - Hida Vilorio 2020-02-21  
This transformative guide completely breaks down our current understanding of biological sex and gender diversity. Introducing readers to seven variations of human sex, commonly considered intersex, the book challenges the myth that sex and gender are exclusively binary and explores the inherent diversity of biological sex and its relationship to gender identity and expression, and the impact this has on society. Examining historical, linguistic and socio-cultural understandings of sex and gender, as well as genetic and scientific definitions, the book is an important resource for dismantling gender and sexuality-based discrimination and promoting understanding and inclusivity. Co-

written by one of the world's leading intersex activists and a highly respected scholar in biological sciences, and accompanied with detailed anatomical illustrations throughout, this pioneering text is the essential introduction to gender and sex diversity for gender studies, women's studies, biology and genetics courses, as well as professionals working with intersex and trans communities.

*The Sex Book* - Leeza Mangaldas 2022-10-17  
Are my genitals normal? Does size matter? Is masturbation bad for me? How important is sex to a relationship? In *The Sex Book*, award-winning sex educator Leeza Mangaldas provides scientifically accurate, judgement-free answers to even your most seemingly awkward questions about sex and the body. From anatomy to hygiene, from consent to contraception, from masturbation to orgasms, she fills many knowledge gaps with her sharp insights, developed over years of researching the physical, social and emotional aspects of sex and sexuality. Sex education is central to greater gender equality, improved sexual and reproductive health, and a safer, more love-filled world. Queer-inclusive, and focused on pleasure, this groundbreaking sex-ed handbook will help you better understand yourself, your body and your relationships, and show you how sex can be incredibly fun and magical.

*The Sex Book* - Suzi Godson 2013-02-14

"The Sex Book" explores the subject of sex, health and sexuality in a straightforward, uninhibited, accessible and adventurous way. Designed as a guide, the book explains everything you want to know about conventional and unconventional sexual behaviour in gender neutral, straightforward language with bold visuals. A wealth of information is balanced with practical advice and personal experience. The book presumes little and the tone is witty and direct. It avoids the usual stigma attached to sex manuals by having a detached editorial approach that packs gritty sex between beautiful contemporary graphics. Ranging from G-spots to sex diets, "The Sex Book" speaks plainly and openly about a subject at the emotional and spiritual hub of everyone's life. At long last - a contemporary guide to sex; for absolutely everyone, whatever their orientation.
