

# Sexy Origins And Intimate Things The Rites And Rituals Of Straights Gays

*Sexy Origins and Intimate Things* - Charles Panati 1998

Where did the word love come from? Has there ever been a gay pope? How did Valentine's Day originate? From the lascivious to the romantic, from the hard-core to the scientific and the scholarly, this engaging and eye-opening compendium of little known facts about sex is both informative and endlessly entertaining. **American Book Publishing Record Cumulative 1998** - R R Bowker Publishing 1999-03

**Forthcoming Books** - Rose Army 1998-04

**The Cumulative Book Index** - 1998

A world list of books in the English language.

The Publishers Weekly - 1998

The Crimson Boy - A Fantasy Continued - Patricia K. McCarthy 2007-05-18

There can only be one vampire in all of Earth The Crimson Boy – A Fantasy Continued Sir William Simon Hennessy, the One and Only Vampire, overturns Samuel and Magdalene’s idyllic world. His long-held dream to create a race of human hybrid vampires will be their undoing. He will go to any lengths to succeed, even turning against his own son. Samuel will do anything to stop his father - life without Magdalene is no life at all. The red-velvet curtain is pulled back in a dramatic cliffhanger to reveal the birth of a new vampire mythos.

*Pornography and Sexual Representation* - Joseph W. Slade 2001

A three volume reference guide to the available literature concerning pornography and sexual representation in America.

New Books on Women and Feminism - 1998

*The Science of Kissing* - Sheril Kirshenbaum 2011-01-05

From a noted science journalist comes a wonderfully witty and fascinating exploration of how and why we kiss. When did humans begin to kiss? Why is kissing integral to some cultures and alien to others? Do good kissers make the best lovers? And is that expensive lip-plumping gloss worth it? Sheril Kirshenbaum, a biologist and science journalist, tackles these questions and more in The Science of a Kiss. It's everything you always wanted to know about kissing but either haven't asked, couldn't find out, or didn't realize you should understand. The book is informed by the latest studies and theories, but Kirshenbaum's engaging voice gives the information a light touch. Topics range from the kind of kissing men like to do (as distinct from women) to what animals can teach us about the kiss to whether or not the true art of kissing was lost sometime in the Dark Ages. Drawing upon classical history, evolutionary biology, psychology, popular culture, and more, Kirshenbaum's winning book will appeal to romantics and armchair scientists alike.

**Bibliographic Guide to Psychology** - New York Public Library. Research Libraries 1998

**The Advocate** - 1998-06-23

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

The American Byron - John W. M. Hallock 2000

Hailed in the mid-19th century as the most important American poet of the period, Fitz-Greene Halleck was dubbed the American Byron and had a large general readership despite his work's infusion of homosexual themes. This biography portrays him as a prophet of the literary and sexual revolution.

**Bibliographic Guide to Womens Studies 1998** - New York Public Library Staff 1999-08

**Sexy Origins and Intimate Things** - Charles Panati 1998

Where did the word love come from? Has there ever been a gay pope? How did Valentine's Day originate? From the lascivious to the romantic, from the hard-core to the scientific and the scholarly, this engaging and eye-opening compendium of little known facts about sex is both informative and endlessly entertaining.

*Archaeologies of Sexuality* - Robert A. Schmidt 2005-06-28

Status, age and gender have long been accepted aspects of archaeological enquiry, yet it is only recently that archaeologists have started seriously to consider the role of sex and sexuality in their studies. Archaeologies of Sexuality is a timely and pioneering work. It presents a strong, diverse body of scholarship which draws on locations as varied as medieval England, the ancient Maya kingdoms, New Kingdom Egypt, prehistoric Europe, and convict-era Australia, demonstrating the challenges and rewards of integrating the study of sex and sexuality within archaeology. This volume, with contributions by many leading archaeologists, will serve both as an essential introduction and a valuable reference tool for students and academics.

**The Cosmic Embrace** - John Stevens 1999

Here is a survey, through art from around the world, of the sacred dimension of sexuality. It demonstrates beyond a doubt that the notion of sexual relationships as something honorable, nonpossessive, fulfilling, and beneficial is nothing new, nor is the idea limited to the traditions of the mystic East. John Stevens shows how world sexual traditions have always had the spiritual as their highest goal. His survey looks at art from China, India, Native American traditions, ancient Europe, Japan, the South Pacific, Southeast Asia, Tibet, Greece, Africa, and Mexico, as well as art by modern artists like Eric Gill. The book includes an extensive bibliography.
