**Just Sex?** - Nicola Gavey 2013-10-14

Winner of the Association for Women In Psychology 2006 Distinguished Publication Award! The past two decades have witnessed a significant shift in how rape is understood in Western societies. This shift in perception has revealed the startling frequency of occurrences of date rape, obscuring the divide between rape and what was once just sex. Just Sex? combines an overview of the existing literature with an analysis of recent research to examine the psychological and cultural implications of this new epidemic. The result is the conclusion that feminist theory on sexual victimisation has gone both too far and not far enough. The reader is presented with a challenging and original perspective on the issues of rape, sex and the body, incorporating subjects including: \* rape as a social problem \* the social constructionism of sex, subjectivity and the body \* heterosexuality under the microscope This book succeeds in making a valuable contribution to feminist and social constructionist work on rape that will be of interest to those studying psychology, gender studies, cultural studies and sociology. Just Sex? The Cultural Scaffolding of Rape was selected as a 2005 winner of AWP's (Association for Women in Psychology) distinguished publication award.

**Just Sex** - Jodi Gold 1999-12-22

Armed with three decades of feminism, men and women are coming to college with different ideas and expectations about sexual freedom and violence than did their parents. Since the early 1980's, a student movement has emerged from the belief that sexual violence is neither inherent nor inevitable. Just Sex: Students Rewrite the Rules on Sex, Violence, Equality and Activism chronicles the move to end to all forms of sexual violence and to mold a new sexual paradigm where explicitly consensual sex and sexual autonomy are the norm. Based on ten years of collaborative research and national organizing, Gold and Villari have compiled the writings of leading student activists and young scholars wrestling with complex issues of power inequities, free speech, and societal constructions of gender and sexuality in accessible and mainstream dialogues. Authors also examine the generationally specific style of student activism which emphasizes peer education and institutional collaboration. Just Sex—the first ever gathering of primary documents including university policies, personal testimonies, position papers and scholarly essays—offers a glimpse of the "working papers" of a student movement which has altered the sexual landscape of our campuses and communities forever. This valuable volume will be of interest to student activists, administrators, and anyone interested in ending violence on and off of campus.

**Sexual Possession** - Br M 2018-07-29

"If an unseen visitor was having sex with you, how could you make it stop?" "Unputdownable! Amazing, fascinating insight on how to protect yourself from entity intrusion." "Best paranormal book I've read since his last book - absolutely fantastic and makes you look deep into yourself -

highly recommend." "I absolutely loved this book! This book is amazing and a breath of fresh air." "It is NOT just sexual titillation, but a rather more in-depth insight into the connection between two intriguing subjects." "The paranormal field is clogged with people claiming to know all, but the truth is we never really know." "As much as we'd all like to think, the world is not always full of 'rainbows and lollipops' and neither are the astral planes!! Crammed full of great information and advice from someone who talks so much sense. Well written and straight to the point. An absolute must for not just paranormal investigators, psychics, mediums etc but highly recommended for anyone as the 'unseen worlds' effect everyone whether we like it or not. Don't just take my word for it...read it for yourself!" "This was an extremely fascinating book. I found it to be very interesting and helpful." "This was such a good read! It was a flood of information on how to protect your well-being from the paranormal realm. Highly recommend this to anyone who likes to dabble into the spiritual world." "There is so much knowledge between the pages and written simply. I wish I had followed the books advice many years ago." "For those involved in the paranormal world, this book contains info that could help to identify a problem before it gets way too out of hand. I like that the author gives the reader a little insight into ways to direct their own sex energy also." "This book has filled in missing pieces of the puzzle which had left me feeling stumped as to which way to turn. Sexual Possession: 'The state of being dominated or controlled by a nonphysical entity seeking to turn a human into a demon sex slave through supernatural sex which will create energy for the express purpose of absorbing and feeding off of them.' This unique ghost sex book peels back the layers to reveal a hidden world of supernatural sex with often dubious motivations. Sex is one of our most primal drives. Without it we simply wouldn't be here in physical form. The most prevalent yet least explored supernatural sex phenomenon is that of the demon sex slave. Demon erotic energy is the psychic rocket fuel all entities are after- but why? Ghost Hunters and other paranormal enthusiasts are targets for supernatural sex and psychic sex. Demon erotic energy is not just about supernatural sex; it's the tool that evil entities use to create a demon sex slave. Learn from this ghost sex book how spirits manipulate flesh and blood beings into generating this demon erotic energy to siphon it off for their own creative agendas. A true demon sex slave is not the stuff of fiction; they are all around us and alter the trajectories of millions of lives. Are you one of them? Are you looking for a fascinating ghost sex book that depicts what is occurring beneath the surface of our physical reality? Do you want a demon sex book that gives you the tools to protect yourself from becoming a demon sex slave? Learn from this demon sex book how to detect and neutralize the efforts of the invisible creatures that thirst for supernatural sex and psychic sex to create potent demon erotic energy from your life force.

**On the Meaning of Sex** - J. Budziszewski 2014-04-08

What is the meaning of sex? Our society is obsessed with sex—and yet we don't understand it at all. Acclaimed philosopher J. Budziszewski remedies the problem in this wise, gracefully written book about the nature, meaning, and mysteries of sexuality. On the Meaning of Sex corrects the most prevalent errors about sex— particularly those of the

sexual revolution, which by mistaking pleasure for a good in itself has caused untold pain and suffering.

*If It's Love You Want, Why Settle for (Just) Sex?* - Laurie Langford 1997-05

In this testimony to self respect and discipline, Laurie Langford explains why any woman will want to consider postponing the sexual side of a relationship until a solid foundation of love and commitment is well established.

**Simply Song of Solomon** - Larry and Geri Priest 2021-01-18

The unique premise of this book is God's revelation for bonding couples through marital sex with pleasure and full satisfaction for both spouses. Isn't there more to sex? Christian couples may breeze through the Song of Solomon and be impressed with the poetry, beauty and passion, yet never discover the hidden keys in the revelatory word of God. Many married couples will be amazed as the Song of Solomon unlocks secrets designed by God to bring the husband and wife into a fulfilling sexual union. The creator and designer of sex gives us His instructions. The authors address the worldwide problem of the unfulfilled wife and the husband's premature ejaculation. God's design eliminates such problems. This book exposes Freud's sex fraud which has perpetrated erroneous and destructive thinking on societies for years. Life brings stress, but God grieves when marital sex brings added stress to a marriage. Conversely, God designed sex to be a refreshing oasis from the drudgery and stress of life in every married couple as they fulfill the will of God for their lives. His word describes how to achieve this satisfaction without exercises, drugs or gadgets. God designed it to be a pleasure this world cannot naturally duplicate.

**Simply Sex (Mills & Boon Blaze)** - Dawn Atkins 2013-11-28

When Kylie Falls agrees to a last-minute date with one of her sister's clients, she'd never have guessed that a man in need of matchmaking services would be as deliciously hot as Cole Sullivan. Too bad she's soon on her way out of town for a bigger and better career.

*Simply Sex* - Carly Phillips 2002

*Real Sex* - Mike Lousada 2017

Did you know that almost everything society has tried to teach you about sex is misleading or simply wrong? Representations of sexuality in modern culture have distorted our idea of sex and disconnected us from ourselves and our intimate partners. This has created performance pressure, insecurity and problems with intimacy which have left many people feeling ashamed of their sexuality or unable to fully enjoy it. In this book, renowned sex and relationship experts Mike Lousada and Louise Mazanti reveal their seven keys to 'real sex' - a deeper, more connected way of engaging with your sexual energy to create deep, fulfilling and meaningful intimacy. Discover how to: -Get your sexual desire owing freely in its natural expression -Know and fully express your sexual self - without shame or inhibition -Reclaim your body and allow yourself to experience new levels of pleasure and sensation -Engage your mind, body and feelings with your partner to bring aliveness to your sexual experiences -Communicate clearly to create mutual trust and enable deeper surrender to pleasure -Express your sexuality consciously and fully, in whatever way is appropriate for you Real Sex will take you on a journey to the heart of your sexual self, a journey that will help you to achieve a deeper level of intimacy with yourself and your partner, and discover living, breathing, fulfilling sex that's an authentic expression of who you really are.

**Sex in the Heartland** - Beth L. BAILEY 2009-06-30

Sex in the Heartland is the story of the sexual revolution in a small university town in the quintessential heartland state of Kansas. Bypassing the oft-told tales of radicals and revolutionaries on either coast, Beth Bailey argues that the revolution was forged in towns and cities alike, as "ordinary" people struggled over the boundaries of public and private sexual behavior in postwar America. Bailey fundamentally challenges contemporary perceptions of the revolution as simply a triumph of free love and gay lib. Rather, she explores the long-term and mainstream changes in American society, beginning in the economic and social dislocations of World War II and the explosion of mass media and communication, which aided and abetted the sexual upheaval of the 1960s. Focusing on Lawrence, Kansas, we discover the intricacies and depth of a transformation that was nurtured at the grass roots. Americans used the concept of revolution to make sense of social and sexual changes as they lived through them. Everything from the birth control pill and counterculture to Civil Rights, was conflated into "the revolution," an accessible but deceptive simplification, too easy to both glorify and vilify. Bailey untangles the radically different origins,

intentions, and outcomes of these events to help us understand their roles and meanings for sex in contemporary America. She argues that the sexual revolution challenged and partially overturned a system of sexual controls based on oppression, inequality, and exploitation, and created new models of sex and gender relations that have shaped our society in powerful and positive ways. Table of Contents: Introduction Before the Revolution Sex and the Therapeutic Culture Responsible Sex Prescribing the Pill Revolutionary Intent Sex as a Weapon Sex and Liberation Remaking Sex Epilogue Abbreviations Notes

Acknowledgments Index Reviews of this book: [A] vivid reminder of just how national and chaotic the events we call 'the sixties' really were...Bailey's exploration of the sexual revolution offers a subtler sense of the underlying forces of that era, which unified even while dividing a nation and, ultimately, the world. --Tom Engelhardt, *The Nation* Reviews of this book: [Beth Bailey's] applied research here is interesting, imaginative and compassionate, and the final treat is that Bailey is a very good writer. *Sex in the Heartland* is simply a fascinating read. I'm sorry I can't call her up and congratulate her on this book in person...[This book is] beautifully shaped, carefully thought out, a treasury of useful information. --Carolyn See, *Washington Post* Reviews of this book: One of the great strengths of this book is Bailey's ability to make local characters, institutions and fights vital and compelling, all the while keeping an eye on the broader issues at stake. She gives us a vivid portrait of one university town in transition and a case study for U.S. social history. A cast of local characters comes alive...Virtually every chapter has surprising, subtle turns in which Bailey's thesis of historical paradox and unintended consequences is amply demonstrated. --

Maureen McLane, *Chicago Tribune* Reviews of this book: Published by the prestigious Harvard University Press, the book suggests that out-of-the-mainstream states such as Kansas actually were on the cutting edge of the nation's sexual revolution during the early 1960s. --Matt Moline, *Capital-Journal* Reviews of this book: "[Bailey] points out that those who claim the radical nature of the [sexual] revolution may be surprised by just how deep-seated and mainstream the origins of many of those revolutionary changes were." --Philip Godwin, M.D., *Journal-World*

Reviews of this book: "Bailey examines the 20th-century 'sexual revolution' as it played out in the midwestern college town of Lawrence, Kansas...Bailey is especially perceptive on the ambivalent and conflicted relationship of both the feminist and gay rights movements to the sexual revolution. She also has strong sections on the birth control pill and other moremundane but long-lasting changes in American sexual culture...[A] fascinating and impressive book." --K. Blaser, *Choice*

*Tantric Sex for Busy Couples* - Diana Daffner 2011-02-15

A unique program of S.E.X. - Synchronized Energy eXchange - exercises that combine Tantra sexuality from India with Tai Chi movements from China. Thousands have used these simple exercises to build a connection with their mate that recalls - or surpasses - first love. *Tantric Sex for Busy Couples* provides readers with a dynamically new and practical approach to creating intimacy on all levels - sexual, emotional and spiritual. Blending the ancient teachings of Tantra from India, and the peaceful exercise program of T'ai Chi from China, couples discover how to create magic in their relationship. Woven throughout the easy instructions are the personal experiences of the author and her husband. Although the emphasis is on intimacy rather than orgasm, the sexual practices are designed to provide plenty of both. The basic exercises presented in the book include "Solo Stillness," "Connected Pose" and the "Tantra TaiChi Trilogy." Solo Stillness highlights the idea that when we each embrace our inner self, we are more able to be truly present in a relationship. Connected Pose invites the couple to simply be with each other, face-to-face, heart-to-heart, eyes open. This establishes the foundation for intimate connection. The Tantra TaiChi Trilogy focuses on three primary centers in the body - both metaphorically and physically--

the Sex Center (below the waist), the Heart Center (above the waist) and the more elusive "Bindi" or spiritual center represented by the third eye and upper "chakras." Each of these centers interacts with and influences the others. Sexual energy is moved throughout the body, rather than being concentrated in the genitals. The foundational exercises of Tantra TaiChi are preparation for the sexual practices described in the book. These include yin and yang ceremonies of sexual massage for the woman and the man, as well as "Peaceful Passion" --a sexual union that requires neither a high sex drive nor a Viagra-inspired erection. Throughout all of the practices, readers are encouraged to maintain a sacred, respectful, loving and ceremonial attitude toward their partners. This attitude alone can transform a relationship into a love affair.

**Sex Positions for Beginners** - Samantha Slow 2019-12-21

Are you just entering the world of sexual activity? Are you full of questions and fears that you would like to put to rest before actually having sex? If so, you have come to the right place. This book is going to provide you with a wealth of information that can set your mind at ease and help to get you ready for great levels of pleasure for both you and your partner. Regardless of your level of sexual experience, this guide has something for you. You will have access to a huge variety of positions. Some are for beginners; others are for intermediate or expert lovers. We really tried to cover all the bases. Not only that, you will be able to easily understand the difference between simply having sex and making love. While they are similar things, they are absolutely not identical. Knowing the difference is something everyone should have in their memory banks. We also discuss the importance of getting to know yourself and getting to know your partner. Experimentation plays a major role in healthy sex lives and is something that should be encouraged regardless of how long you have been with your partner. Communication is always a vital piece of making sure that everyone is enjoying themselves and getting the things that they desire. For many people, the female anatomy can be quite confusing. This is not only pointed at men as many women also find their bodies to be a bit of a conundrum. Take a look inside to find out what is going on between a lady's legs. Not only will you finally have it figured out, but you will also learn about what the G-spot is, where it is, and how to stimulate it for amazing vaginal orgasms. You will find information on: The difference between having sex and making love How to lead your orgasm Strategies for attaining & maintaining a strong erection Getting to know a female's vagina What and where is the G-spot and how to stimulate it. Giving your partner amazing oral sex Anal sex Sex positions for beginners, intermediate and expert lovers Sex toys Anal sex, oral sex, and sex toys may all seem intimidating. By reading this book, you will start to realize that not one of them actually is. There are a lot of myths that surround these 3 things, and we have done our best to clear up those inconsistencies. There is no reason to be scared or feel intimidated when you want to try one of these things. Simply talk to your partner and then give it a go. Keep in mind that sometimes it will take a bit of time to figure out what works best, but that is completely ok. The fact that you are trying will show your partner that you want to keep things exciting and new for both of you. Are you ready to truly learn how to be a good lover? [Fuck Better](#) - Conrad Ainsley 2019-01-29

Everyone's doing it, and we should all be doing it the best we can. There are dozens of books out there promising to give you the information you need to become a world-class lover. More often than not, they provide vague instructions to do things like "be more vulnerable!" or oddly specific tips ("she'll swoon if you tickle her left butt-cheek and squeeze her feet while whispering in her right ear.") This book is a no-nonsense, straightforward guide for men to get you and your partner the utmost satisfaction in the sack. This book provides detailed information on subjects such as:-Understanding her sexual anatomy-Successful approaches to foreplay-The best positions and movement to maximize pleasure-Tips to overcome hurdles in the bedroom-Incorporating sex toys to take things up a notch-Informed sexual health practices With an emphasis on her pleasure, this book seeks to bridge the orgasm gap and help any man become a better lover. Simply written with clearly translated science, references to fun facts from history, and tips backed up with thorough research, this is the resource to improve your sex life today.

[Simple Sex](#) - David Hrostoski 2015-05-12

Sex books, how-to guides, manuals, and the countless "better" sex positions-men and women alike: we all want more pleasure, deeper intimacy, and to feel good about our sexual performance. Simple Sex gives us what we're really looking for: how to never have another bad night of sex again. The Missing Link from Every "How-To" Sex Manual If you've read books like David Deida's The Way of the Superior Man and The Enlightened Sex Manual or Ian Kerner's She Comes First, you've been exposed to some of the best sex tips in the self-help industry. Still, even the best tips and tactics can leave us feeling more inadequate than when we started. So what's the real difference between feeling like a tantric master and feeling completely inadequate as a lover? Simply put, it's all in the approach. It's the why behind the tactics that separates the novice from the master. In Simple Sex, David Hrostoski explores the mindsets of "The Logical Lover," and why the most common approaches to sex often lead to feelings of "not enough" in the bedroom. In this book, you'll learn... How to never have another bad sexual experience again. The number one belief holding men and women back in the bedroom-a belief that any logical approach can only make worse-and how to break free. How to feel everything and truly experience the here-and-now, whether that's in front of your laptop, a handsome man, or a beautiful woman. How to bring sexual tactics into the picture without getting lost in your head, and without the steep learning curves that can leave you feeling inadequate as a lover, . Three simple strategies to play with the sensation in your body for longer-lasting and stronger orgasms. More About Simple Sex David Hrostoski has spent the past five years consuming and integrating thousands of hours of material on dating, sex, love and relationships, and the past three years coaching men and women from all over the world on how to show up better with their partners and in the bedroom. He's seen it repeatedly both in his own life and in the lives of his clients-how we show up for our relationships is how we show up for the rest of our life. And in a world that largely values success and financial status over happiness and fulfillment, we find an alarming number of people putting their needs and wants aside and subscribing to the many "shoulds" of life instead. As we take this way-of-being into the bedroom, we end up focusing on how to be better and forget why we're having sex in the first place: to feel. Simple Sex debunks to logical approaches to sex-both the partner-first and me-first mentalities-and offers, as a replacement, a feeling-first approach to sex. And not just feeling and focusing on the pleasure alone. When the purpose of sex is to feel, we feel everything, including any and all pieces of the wide spectrum of emotions and sensations we're capable of feeling as human beings. When we learn to feel every piece of our experience in the bedroom, we learn to escape the logic-trap and unlock the best sex of our lives. Simple Sex is the book to help you do just that. "Unlike so many of the "how-to" books on sex out there, Simple Sex doesn't focus on what's wrong with you. It's an invitation to open up, and to explore-to feel your way into and through sex, rather to think yourself out of it. David's refreshing, powerful, and oh-so-simple perspective will get you out of your head, into your body, and into as many beds as you desire. Isn't that the way it's meant to be? Read this book. Put it into practice and experience the kind of sex you've been yearning for." - Brooke Surtees, Coach and CEO at BrookeSurtees.com
