**Winter's Bone** - Daniel Woodrell 2012-03-15  
Amid the harsh landscape of the Ozark Hills, sixteen-year-old Ree is taking care of her mother and two brothers. Her father has put their house up as bail and if he doesn't show up at court it'll be sold from under them. To save her family she needs to track him down but in a community riven with long-running feuds getting answers isn't easy.

*The Lovely Bones* - Alice Sebold 2018-09-25  
Susie Salmon is just like any other young American girl. She wants to be beautiful, adores her charm bracelet and has a crush on a boy

from school. There's one big difference though - Susie is dead. Add: Now she can only observe while her family manage their grief in their different ways. Susie is desperate to help them and there might be a way of reaching them...

Alice Sebold's novel *The Lovely Bones* is a unique coming-of-age tale that captured the hearts of readers throughout the world. Award-winning playwright Bryony Lavery has adapted it for this unforgettable play about life after loss.

**Written on the Body** - Jeanette Winterson  
2013-04-26

'This book is a deep, sensual plunge, a worship of the body, inside and out' *The Times*  
In a quiet English suburb, a love affair ignites. For our nameless narrator, Louise is the last in a long

line of explosive passions, but the first to have broken their heart. With Louise's husband, Elgin, blocking love's course, their affair is doomed to unravel - until, that is, a terrible choice must be made. With its witty and masterful prose, *Written on the Body* takes the reader on a beguiling and defying exploration of love and its physical forms. 'An ambitious work, at once a love story and a philosophical meditation on the body' Sunday Telegraph

**Skin and Bones** - D. C. Corso 2009-05

Fall is never anything more than a season in the small Washington town of Carver Isle--until the first child vanishes. When Parker Kelly returns to Carver Isle, she wonders if her disturbed cousin is involved. Together, Parker and FBI Special Agent Ash must solve a puzzle of deceit and manipulation, exhuming secrets both would rather leave undisturbed.

[The Bones Beneath My Skin](#) - TJ Klune  
2022-11-10

In the spring of 1995, Nate Cartwright has lost

everything: his parents are dead, his older brother wants nothing to do with him, and he's been fired from his job as a journalist in Washington DC. With nothing left to lose, he returns to his family's summer cabin outside the small mountain town of Roseland, Oregon to try and find some sense of direction. The cabin should be empty. It's not. Inside is a man named Alex. And with him is an extraordinary little girl who calls herself Artemis Darth Vader. Artemis, who isn't exactly as she appears. Soon it becomes clear that Nate must make a choice: let himself drown in the memories of his past, or fight for a future he never thought possible. Because the girl is special. And forces are descending upon them who want nothing more than to control her. *The Bones Beneath My Skin* is a gripping, heartfelt story by bestselling author TJ Klune.

has the opposite problem and proudly goes by the nickname "Lard." They become friends despite Bones's initial reluctance. When Bones meets Alice, a dangerously thin dancer who loves to break the rules, he lets his guard down even more. Soon Bones is so obsessed with Alice that he's willing to risk everything—even his recovery.

**The Bones of Ruin** - Sarah Raughley  
2022-10-25

An African tightrope walker who can't die gets embroiled in a secret society's deadly gladiatorial tournament in this "bloodily spectacular" (Chloe Gong, New York Times bestselling author of *These Violent Delights*) historical fantasy set in an alternate 1880s London, perfect for fans of *The Last Magician* and *The Gilded Wolves*. As an African tightrope dancer in Victorian London, Iris is used to being strange. She is certainly an unusual sight for leering British audiences always eager for the spectacle of colonial curiosity. But Iris also has a

secret that even "strange" doesn't capture... She cannot die. Haunted by her unnatural power and with no memories of her past, Iris is obsessed with discovering who she is. But that mission gets more complicated when she meets the dark and alluring Adam Temple, a member of a mysterious order called the Enlightenment Committee. Adam seems to know much more about her than he lets on, and he shares with her a terrifying revelation: the world is ending, and the Committee will decide who lives...and who doesn't. To help them choose a leader for the upcoming apocalypse, the Committee is holding the Tournament of Freaks, a macabre competition made up of vicious fighters with fantastical abilities. Adam wants Iris to be his champion, and in return he promises her the one thing she wants most: the truth about who she really is. If Iris wants to learn about her shadowy past, she has no choice but to fight. But the further she gets in the grisly tournament, the more she begins to remember—and the more

**Skin and Bones** - Tom Bale 2009-01-01

FROM THE AUTHOR OF SEE HOW THEY RUN AND ALL FALL DOWN On a cold January morning, a nightmare awaits in a sleepy Sussex village. A deranged young man goes on the rampage, shooting everyone in his path before taking his own life. It's a senseless, tragic event. Only Julia Trent - believed to be the sole survivor - knows that there was a second man involved. But after being shot and badly injured, her account of the massacre is ignored. Together with Craig Walker, the son of one of the victims, Julia sets out to find the truth before she's silenced for good. As they peel back the layers of a dark and dangerous conspiracy, they discover the slaughter didn't begin on that bitter day in January. And worst of all, it won't end there.

**Wicked Whiskey Love** - Melissa Foster  
2018-11-07

Fall in love with Bones Whiskey in WICKED

WHISKEY LOVE, an emotionally riveting, sexy new standalone romance by New York Times bestselling author Melissa Foster. A magnificent love story for those who enjoy fiercely loyal and insanely sexy alpha heroes, smart, sassy heroines, families, bikers, babies, and more! In WICKED WHISKEY LOVE...After escaping abusive parents and, later, an abusive relationship, Sarah Beckley has spent a lifetime watching snakes shed their skin. With two small children to care for and another on the way, she's finally found a home in Peaceful Harbor with the brother she hasn't seen in more than a decade. She's still searching for her sister, but life is good. If only she could stop thinking about the sinfully sexy doctor/biker who has taken to her children like a loving uncle-and to her like a hungry man. Trust doesn't come easily for Sarah, but Bones Whiskey is patient and protective, amazing with her children, and he looks at her like she is the only woman he could ever want-and more. With two little ones underfoot, Sarah

expects him to move on quickly, yet with every tender kiss and each trying moment with the children, Bones surprises her. But will the fiercely loyal biker stick around when Sarah's worst secret is revealed, or will he shed his skin, too? BN

**Daughter of Smoke and Bone** - Laini Taylor  
2011-09-29

DAUGHTER OF SMOKE AND BONE is a book unbounded by genre but located at a magical crossroads where THE PASSAGE meets PHILIP PULLMAN and TWILIGHT meets PAN'S LABYRINTH. Errand requiring immediate attention. Come. The note was on vellum, pierced by the talons of the almost-crow that delivered it. Karou read the message. 'He never says please', she sighed, but she gathered up her things. When Brimstone called, she always came. In general, Karou has managed to keep her two lives in balance. On the one hand, she's a seventeen-year-old art student in Prague; on the other, errand-girl to a monstrous creature

who is the closest thing she has to family. Raised half in our world, half in 'Elsewhere', she has never understood Brimstone's dark work - buying teeth from hunters and murderers - nor how she came into his keeping. She is a secret even to herself, plagued by the sensation that she isn't whole. Now the doors to Elsewhere are closing, and Karou must choose between the safety of her human life and the dangers of a war-ravaged world that may hold the answers she has always sought. 'Remarkable and beautifully written . . . The opening volume of a truly original trilogy.' GUARDIAN

Children of Blood and Bone - Tomi Adeyemi  
2018-03-08

Winner of the Tonight Show Summer Reads with Jimmy Fallon. Tomi Adeyemi conjures a stunning world of dark magic and danger in her West African-inspired fantasy debut Children of Blood and Bone. with magic. When different clans ruled – Burners igniting flames, Tiders beckoning waves, and Zélie’s Reaper mother summoning forth souls. But everything changed the night magic disappeared. Under the orders of a ruthless king, anyone with powers was targeted and killed, leaving Zélie without a mother and her people without hope. Only a few people remain with the power to use magic, and they must remain hidden. Zélie is one such person. Now she has a chance to bring back magic to her people and strike against the monarchy. With the help of a rogue princess, Zélie must learn to harness her powers and outrun the crown prince, who is hell-bent on eradicating magic for good. Danger lurks in Orisha, where strange creatures prowl, and vengeful spirits wait in the waters. Yet the greatest danger may be Zélie herself as she struggles to come to terms with the strength of her magic – and her growing feelings for an enemy. The movie of Children of Blood and Bone is in development at Fox

2000/Temple Hill Productions with the incredible Karen Rosenfelt and Wyck Godfrey (Twilight, Maze Runner, The Fault In Our Stars) producing it.

**Flash and Bones** - Kathy Reichs 2012-07-31  
Kathy Reichs—#1 New York Times bestselling author and producer of the FOX television hit Bones—returns with a riveting new novel set in Charlotte, North Carolina, featuring America’s favorite forensic anthropologist, Dr. Temperance Brennan. Just as 200,000 fans are pouring into town for Race Week, a body is found in a barrel of asphalt next to the Charlotte Motor Speedway. The next day, a NASCAR crew member comes to Temperance Brennan’s office at the Mecklenburg County Medical Examiner to share a devastating story. Twelve years earlier, Wayne Gamble’s sister, Cindi, then a high school senior and aspiring racer, disappeared along with her boyfriend, Cale Lovette. Lovette kept company with a group of right-wing extremists known as the Patriot Posse. Could the body be

Cindi's? Or Cale's? At the time of their disappearance, the FBI joined the investigation, only to terminate it weeks later. Was there a cover-up? As Tempe juggles multiple theories, the discovery of a strange, deadly substance in the barrel alongside the body throws everything into question. Then an employee of the Centers for Disease Control and Prevention goes missing during Race Week. Tempe can't overlook the coincidence. Was this man using his lab chemicals for murder? Or is the explanation even more sinister? What other secrets lurk behind the festive veneer of Race Week? A turbocharged story of secrets and murder unfolds in this, the fourteenth thrilling novel in Reichs's "cleverly plotted and expertly maintained series" (The New York Times Book Review). With the smash hit *Bones* about to enter its seventh season and in full syndication—and her most recent novel, *Spider Bones*, an instant New York Times bestseller—Kathy Reichs is at the top of her

game.

Big Bones - Laura Dockrill 2018-03-08

The heartwarming new novel from the sparkling Laura Dockrill, introducing Bluebelle, and her moving, hilarious take on food, body image and how we look after ourselves and others. It's a food diary. I have to tell the truth. That's the point. Bluebelle, aka BB, aka Big Bones - is a sixteen-year-old girl encouraged to tackle her weight even though she's perfectly happy, thank you, and getting on with her life and in love with food. Then a tragedy in the family forces BB to find a new relationship with her body and herself. . . Tuck in for best mates, belly laughs, boys and the best Bakewell tart. ---- Love for BIG BONES 'Big Bones is the book I wish I'd had as a teenager and Bluebelle is a friend I wish I had today. Laura has written a beautiful love letter to some of the most important things in life: friends, family and food.' *Bone Black* - Bell Hooks 1997

A personal memoir, as well as a political polemic, *Bone Black* carries the additional appeal of providing a poignant and lyrical insight into the author's own life.

*The Bone Witch* - Rin Chupeco 2017-03-07

A Publishers Weekly Most Anticipated Young Adult Book of Spring 2017! In the captivating start to a new, darkly lyrical fantasy series for readers of Leigh Bardugo and Sabaa Tahir, Tea can raise the dead, but resurrection comes at a price... Let me be clear: I never intended to raise my brother from his grave, though he may claim otherwise. If there's anything I've learned from him in the years since, it's that the dead hide truths as well as the living. When Tea

accidentally resurrects her brother from the dead, she learns she is different from the other witches in her family. Her gift for necromancy means that she's a bone witch, a title that makes her feared and ostracized by her community. But Tea finds solace and guidance with an older, wiser bone witch, who takes Tea and her brother to another land for training. In her new home, Tea puts all her energy into becoming an *asha*—one who can wield elemental magic. But dark forces are approaching quickly, and in the face of danger, Tea will have to overcome her obstacles...and make a powerful choice.

*Memoirs of a Geisha* meets *The Name of the Wind* in this brilliant new fantasy series by Rin Chupeco!
