Paul Morel - D. H. Lawrence 2003-09-25
 The early version of twentieth-century classic Sons and Lovers, containing scenes and ideas later discarded.
Twentieth Century Interpretations of Sons and Lovers - Judith Farr 1970
 Sons and Lovers, although not a novel of social criticism, entertains two social problems: the

effects of industrialism on human beings and the modern role and rights of women. Two major images, the mine and the woman, appear both as liberating and constrictive forces; in the case of woman, the force binds but is also bound. This book presents the best of modern commentary on a great work of literature. Analyzing themes, style, genre, structural elements, artistic

influences, and historical background, the essays define the place of the work in its tradition and make clear its significance for readers of today.-- Adapted from book jacket.

Sons and Lovers - 1985

Young artist Paul Morel's childhood and early manhood in the English midlands are deeply influenced by his devotion to and concern for his domineering mother. Reissue.

Sons and Lovers - D. H. Lawrence 2020-11-27

Sons and Lovers - Neil Roberts 2016

The story of how 'Sons and Lovers' was written, how Lawrence's life was transformed during the writing, and the contributions of the women in his life to his work.

Sons and Lovers. Per Le Scuole Superiori - D. H. Lawrence 1999

This moving story describes life in a coalminer's family around the beginning of the twentieth century. It follows the emotional development of Paul Morel, torn between his passionate love for his mother and his romantic friendships with two young women, Miriam and Clara. D. H. Lawrence (1885 - 1930) is one of the most important writers of the twentieth century. Many regard *Sons and Lovers* as his greatest masterpiece.

Sons and Lovers - D. H. Lawrence 2020-03-10

The classic novel about a man torn between his devotion to his mother and his desire for a lover. Cited by the Modern Library as one of the ten best twentieth-century novels in the English language, *Sons and Lovers* is considered by many to be D. H. Lawrence's masterpiece, with its deep psychological insight into the bond between mother and son, and the difficulties of emotionally separating from a parent.

Considered a semiautobiographical work, it follows protagonist Paul Morel as he experiences the loss of his older brother, hostility toward his coal miner father, and a burden of responsibility toward his more genteel mother, who inspires maddening mixed feelings in him. Paul struggles to find room in his life for a meaningful, romantic relationship of his own as he works to hold his family together.

Sons and Lovers - D H Lawrence 2020-04-30

Called the most widely-read English novel of the twentieth century, D. H. Lawrence's largely autobiographical *Sons and Lovers* tells the story of Paul Morel, a young artist growing into

manhood in a British working-class community near the Nottingham coalfields. His mother Gertrude, unhappily married to Paul's hard-drinking father, devotes all her energies to her son. They develop a powerful and passionate relationship, but eventually tensions arise when Paul falls in love with a girl and seeks to escape his family ties. Torn between his desire for independence and his abiding attachment to his loving but overbearing mother, Paul struggles to define himself sexually and emotionally through his relationships with two women—the innocent, old-fashioned Miriam Leivers, and the experienced, provocatively modern Clara Dawes. heralding Lawrence's mature period, *Sons and Lovers* vividly evokes the all-consuming nature of possessive love and sexual attraction. Lushly descriptive and deeply emotional, it is rich in universal truths about human relationships.

[D.H. Lawrence's Sons and Lovers](#) - Harold Bloom 1988

On *Sons and Lovers* / Dorothy Van Ghent -- The son and the artist / H.M. Valeski -- Portrait of Miriam / Louis L. Martz -- The vital self / Calvin Bedient -- Speaking of Paul Morel / Daniel R. Schwarz -- Eros and metaphor in *Sons and Lovers* / Mark Kinkead-Week -- Reading *Sons and Lovers* / E.P. Shrubbs -- Paul's passion / Gavriel Ben-Ephraim -- The artist as psychologist / Daniel J. Schneider.

[Sons and Lovers](#) - David Herbert Lawrence 1970

Lawrence's first major novel was also the first in the English language to explore ordinary working-class life from the inside. No writer before or since has written so well about the intimacies enforced by a tightly-knit mining community and by a family where feelings are never hidden for long. Paul Morel is caught between his need for family and community and his efforts to define himself sexually and emotionally. Lawrence's powerful description of Paul's relationships makes this a novel as much for the beginning of the twenty-first century as it was for the beginning of the twentieth.

Sons and Lovers (Collins Classics) - D. H. Lawrence 2010-06-03

HarperCollins is proud to present a range of best-loved, essential classics.

- David Herbert Lawrence 2009-06-01

Called the most widely read English novel of the twentieth century, D.H. Lawrence's largely autobiographical "Sons and Lovers tells the story of Paul Morel, a young artist growing into manhood in a British working-class community near the Nottingham coalfields. His mother Gertrude, unhappily married to Paul's hard-drinking father, devotes all her energies to her son. They develop a powerful and passionate relationship, but eventually tensions arise when Paul falls in love with a girl and seeks to escape his family. Heralding Lawrence's mature period, "Sons and Lovers vividly evokes the all-consuming nature of possessive love and sexual attraction. Lushly descriptive and deeply emotional, it is rich in universal truths about human relationships.

Sons and Lovers - D. H. Lawrence 2020-11-27

Sons and Lovers (□□□□□) - David Herbert Lawrence 2011-04-15

The marriage of Gertrude and Walter Morel has become a battleground. Repelled by her uneducated and sometimes violent husband, delicate Gertrude devotes her life to her children, especially to her sons, William and Paul - determined they will not follow their father into working down the coal mines. But conflict is inevitable when Paul seeks to escape his mother's suffocating grasp through relationships with women his own age. Set in Lawrence's native Nottinghamshire, "Sons and Lovers" (1913) is a highly autobiographical and compelling portrayal of childhood, adolescence and the clash of generations.

Sons and Lovers by D. H. Lawrence - D.

Lawrence 2017-06-25

First published in 1913, this provocative semi-autobiographical novel reflects the struggles of Paul Morel, an artist who cannot reciprocate love for other women while under the influence of his stifling mother. Unconsciously taught to despise his father and eschew other women, Paul comes even further under his mother's psychological grasp after the death of his older brother. When he eventually does fall in love, the results of confused affection and desire are painful for all concerned. While "Sons and Lovers" scandalized its original English readers for its oedipal implications and social criticism, it remains a powerful story of terrifying inner and outer conflict and intense sensuality.

Sons and Lovers - David Herbert Lawrence 2013-01-03

Originally published in 1913, Sons and Lovers represents an exploration of Nottinghamshire's mining community, and was D. H. Lawrence's first major novel.

D.H. Lawrence's Sons and Lovers - John Worthen 2005

This casebook on D. H. Lawrence's Sons and Lovers is the first to address itself to the full text of the novel, first published in 1992.

Sons and Lovers - D.H. Lawrence 2022-09-08
Reproduction of the original.

Sons and Lovers - D. H. Lawrence 2011-03-01

Widely regarded as D.H. Lawrence's masterpiece, Sons and Lovers is a sprawling, multi-generational look at family relationships, class dynamics, and the intimate ties with others that pull young adults toward independence. This largely autobiographical novel made Lawrence's reputation as a writer -- it's a must read for fans of classic literary fiction.
