Dena Dyer, herself a young mom, offers that in these forty-five biblically based meditations. Instead, He invites mothers to surrender their schedules, emotions, and relationships--and rest securely in Him. *God's Pursuit of Man* A. W. Tozer 2015-04-17 Salvation is from our side a choice, from the divine side [...] a conquest of the Most High God. – A. W. Tozer With words like these, Tozer shakes the soul. He crumbles the lies we believe and calls us to the more sure way. In these pages, Tozer says what it means to truly be saved. It is not merely to assent to Jesus and go on our same old way, but to be conquered by the Almighty God and invaded by His Spirit. A saved person is a transformed person. Let Tozer upend you in this moving prequel to *The Pursuit of God*. And being upended, may you be found standing upright in an upside-down world.

**Listening to Love** Jan Meyers 2011-05-04 Love Is Calling. How Will You Answer? One of our greatest desires is to know we are loved by our Creator. Yet the depth of our apprehension is often equally strong: If I listen, we wonder, what will God say? If I open myself up to blessings, what will God require in return? As we trace this line of thinking, the God of all goodness becomes, in our minds, the God of our worst fears. Embrace a Love That's Worth the Risk. God is far greater than our most expectant dreams. While he does often ask everything of us, he actually wants everything for us. He doesn't want blind loyalty or bored religious compliance; he longs for nothing less than our entire passionate self--something most of us have yet to glimpse. God's desire is that people lean in, listen, and wrestle with him so that they can respond to him without fear. Can this God be trusted? Absolutely. Will the journey be easy? Not a chance. But once you learn to listen to love, you'll find that there's only one way you can adore this unmanageable, unpredictable, wild, and unruly God: with your whole heart.

*Not Yet Married* Marshall Segal 2017-06-20 Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. *Not Yet Married* is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

*The Book of Womanhood* Amy F Davis Abdallah 2016-06-30 There are many questions that surround Christian womanhood: What does it mean? When does it happen; at a certain age, status, or maturity? How do we know we're no longer girls? And when we've figured that out, how will others know how to recognise us as a woman rather than a girl? After all, Christian women don't usually get a rite of passage in which they are named a woman. Seeing this need, Amy Davis Abdallah has created such a rite, and this book accompanies it; there is no need to go through her rite of passage, however, to name yourself a woman. *The Book of Womanhood* creates a path through the confusion that surrounds the identity of women by its flexible framework, developing the reader's understanding of a woman's relationship with God, their self, others and creation. Amy writes simply as one perhaps further along in her journey of womanhood than most, and she doesn't write alone; she includes the stories of Biblical women, of friends young and old, and even more. The

diverse voices come together as a cloud of witnesses encouraging us in our individual journeys. The Book of Womanhood is about recognition, reaching out not only to women, but also to men who seek to understand and empower their wives, daughters, and friends to be the women God has formed them to be. Read for empowerment; read for transformation. Read and become the woman of God you were created to be. *The Treasury of David* Charles Haddon Spurgeon 1968 A faithful condensation by David O. Fuller of the monumental work on the Psalms by Spurgeon. This work is recognized as one of the finest expositions on Psalms ever produced. Abridged in one volume.

**None Like Her** Sandra L. Coates 2021-08-20 WHAT IF YOU NEVER CHASED BEAUTY AGAIN? Sandra Coates was once longing to be someone different, more focused on comparing or competing with others rather than fully accepting herself. But when God stepped in and asked if she wanted to see the real Sandra, everything shifted. What had once seemed impossible—fulfilling her desires for confidence, a positive body image, and an end to her cravings—became her reality. By sharing her candid personal story about how she discovered her true identity, she invites others to break free of who they think they have to be, reject the worldly pressures to fit in or be perfect, open themselves to receive breathtaking love and acceptance from their Creator, and walk confidently in their God-given beauty, identity, and purpose. This in-depth and transparent examination of beauty is written to help women and girls uncover bold truths about themselves and the unique beauty already within them. Included in the book are reflection/discussion questions and exercises designed for both an individual reader or a small group. “This book has the ability to change lives! It hits all the major insecurities every girl faces and fights it with Biblical truth. It shows us how to put on and use the armor of God to fight off the enemy and come out victorious.” -Gracie Goodwin, Liberty University student/Student leader “Simple and powerful, this book has the potential to transform as it shares the message of identity found in God’s design.” - Pete Hardesty, co-author of Amazon #1 bestsellers *Adulting 101* Book 1 and Book 2 “Sandra shares her relatable journey with honesty and the hope of encouraging others who have struggled with body image, eating disorders and anxiety.” -Becky VanValin LCSW, Therapist and Owner at Eden Counseling

The Ladies' Repository 1843 The idea of this women's magazine originated with Samuel Williams, a Cincinnati Methodist, who thought that Christian women needed a magazine less worldly than Godey's Lady's Book and Snowden's Lady's Companion. Written largely by ministers, this exceptionally well-printed little magazine contained well-written essays of a moral character, plenty of poetry, articles on historical and scientific matters, and book reviews. Among western writers were Alice Cary, who contributed over a hundred sketches and poems, her sister Phoebe Cary, Otway Curry, Moncure D. Conway, and Joshua R. Giddings; and New England contributors included Mrs. Lydia Sigourney, Hannah F. Gould, and Julia C.R. Dorr. By 1851, each issue published a piece of music and two steel plates, usually landscapes or portraits. When Davis E. Clark took over the editorship in 1853, the magazine became brighter and attained a circulation of 40,000. Unlike his predecessors, Clark included fictional pieces and made the Repository a magazine for the whole family. After the war it began to decline and in 1876 was replaced by the National Repository. The Ladies' Repository was an excellent representative of the Methodist mind and heart. Its essays, sketches, and poems, its good steel engravings, and its moral tone gave it a charm all its own. -- Cf. American periodicals, 1741-1900.

*Forever and Always* Celestia G. Tracy 2011-04-07 This is a handbook for understanding and deepening the stages involved in bonding or attaching closely to another human being. Marriage, the most intimate of all human relationships, is described in Scripture as a "one flesh mystery" (Eph 5:31-32).

*Looking to St. Francis* John Bohrer 2014-06-01 Even before he died, his contemporaries honored Francis, the poor man of Assisi, as a saint. He has lost none of his appeal for people today—even our new pope has taken the name of this great saint. That's because the message of Francis for us is quite simply the message of Jesus. This book looks not only at Francis' life and times but also helps us see how we can take on his spirituality in dealing with the challenges in our lives and in the world today. The authors shed light on Francis' love of poverty, his rejection of violence, his call to reform the Church, his reaction to suffering, and his sacramental vision of life—all the while challenging us to see how fully living out the radical call of the gospel gives us joy and answers the problems besetting our world today.

Gina Brenna Butz shares her personal stories of struggling with change and encourages you to trust God. She writes with compassion as she urges you to rely on God's goodness, lean on Him for strength, rejoice that He is constant, and ultimately to find satisfaction in Him rather than in circumstances. Scripture helps you see change from the viewpoint of your heavenly Father. You can rest knowing He works all things together for the good of His children, even in seasons of stress-inducing change.

**The 48 Laws of Power** Robert Greene 2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.
