A Legend of the Lovers' Seat. A Poem in Two Cantos Alfred Coleman (of Hastings.) 1840

Sons and Lovers David Herbert Lawrence 2005 Lawrence's first major novel was also the first in the English language to explore ordinary working-class life from the inside. No writer before or since has written so well about the intimacies enforced by a tightly-knit mining community and by a family where feelings are never hidden for long. When the marriage between Walter Morel and his sensitive, high-minded wife begins to break down, the bitterness of their frustration seeps into their children's lives. Their second son, Paul, craves the warmth of family and community, but knows that he must sacrifice everything in the struggle for independence if he is not to repeat his parents' failure. Lawrence's powerful description of Paul's single-minded efforts to define himself sexually and emotionally through relationships with two women - the innocent, old-fashioned Miriam Leivers and the experienced, provocatively modern Clara Dawes - makes this a novel as much for the beginning of the twenty-first century as it was for the beginning of the twentieth.

The Lovers Lauren Fleishman 2019-10 This is one of those books you open up and immediately get lost within its pages. Fleishman's gorgeous photographs of couples that have been together more than 50 years will quickly pull you in; and then their words, edited from Fleishman's interviews that are sweet, funny, and honest, will prevent you from putting it down. - David Rosenberg, Slate 'The 10 Best Photo Books of 2015' After such great success and high demand of the first hardback edition of *The Lovers*, Schilt Publishing will produce a cheaper paperback edition. Featured, amongst many, in *The New York Times*, *TIME Magazine*, *The Telegraph*, *The Guardian*, *Le Monde*. *The Lovers* is a photographic series of couples that have shared their lives for more than 50 years. Inspired by a love letter written by Lauren Fleishman's grandfather to her grandmother early in their marriage, Lauren was moved to find more intertwined souls like theirs. Through colour photographs, voice recordings and text, she documented the stories of intimacy and commitment of elderly couples across the United States and Europe. Working on her project in the very intimate settings of her subjects' homes, each couple's photograph and interview bring an honest tender portrait of love, intimate to that couple yet relatable to those in love across all ages and backgrounds. She has even photographed the couple holding the title of longest married in the world. Couples from different backgrounds provide a look at the realities of love: how the previous generation experienced it, survived it, and, more importantly, how it appears in their lives. The body politics of the project

become especially clear when gay and lesbian couples or couples with ill spouses are considered. In this respect, Fleishman's pictures play a central role in addressing homophobia and increasing awareness of age-related issues.

The Lovers Rod Nordland 2016-12-13 A riveting, real-life equivalent of *The Kite Runner*—an astonishingly powerful and profoundly moving story of a young couple willing to risk everything for love that puts a human face on the ongoing debate about women's rights in the Muslim world. Zakia and Ali were from different tribes, but they grew up on neighboring farms in the hinterlands of Afghanistan. By the time they were young teenagers, Zakia, strikingly beautiful and fiercely opinionated, and Ali, shy and tender, had fallen in love. Defying their families, sectarian differences, cultural conventions, and Afghan civil and Islamic law, they ran away together only to live under constant threat from Zakia's large and vengeful family, who have vowed to kill her to restore the family's honor. They are still in hiding. Despite a decade of American good intentions, women in Afghanistan are still subjected to some of the worst human rights violations in the world. Rod Nordland, then the Kabul bureau chief of the New York Times, had watched these abuses unfold for years when he came upon Zakia and Ali, and has not only chronicled their plight, but has also shepherded them from danger. *The Lovers* will do for women's rights generally what Malala's story did for women's education. It is an astonishing story about self-determination and the meaning of love that illustrates, as no policy book could, the limits of Western influence on fundamentalist Islamic culture and, at the same time, the need for change.

If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

But for the Lovers Wilfrido D. Nollado 1994 In the 25 years since its original publication, *But for the Lovers* has acquired an underground reputation as one of the most remarkable novels about World War II, doing for the Pacific war theater what Joseph Heller's *Catch-22* did for the European one. Set in the Philippines, *But for the Lovers* depicts the survival of a cross-section of Filipinos during the Japanese Occupation and the American Liberation. The cast is enormous, including an old man who used to wander the countryside entertaining children, a young girl raped by Japanese soldiers, guerrilla messengers bringing word of the coming of the American army, and a Japanese major who views the war as the first step of the liberation of the Asian people from Western civilization. This extraordinary novel is no less remarkable for the power and the beauty of its language than for the exotic and magical world it creates. Ranging from hallucinatory lyricism to documentary realism, from black humor sketches to scenes of horror and degradation, *But for the Lovers* is a rich and complex exploration of language, history, and mythology. The hardcover edition (Dutton, 1970) was praised by the *New York Times Book Review* as stunning; this is the first paperback edition, for which novelist Robert Coover has written an appreciative foreword.

The Artist's Novel: A New Medium David Maroto 2020 Why do artists write novels? What impact does the artist's novel have on the visual arts? How should such a novel be experienced? In recent years, there has been a proliferation of visual artists who create novels as part of their broader art practice. They do so in order to address artistic issues by means of novelistic devices, favoring a sort of art predicated on process and subjectivity, introducing notions such as fiction, narrative, and imagination. In this sense, it is possible to see the novel as a new medium in the visual arts; yet very little is known about it. This two-volume publication is the first to explore in depth the subject of the artist's novel. Part 1, 'A New Medium', is a theoretical examination that looks critically at the different ways contemporary artists employ the artist's novel, focusing mainly on four key case studies: Benjamin Seror's 'Mime Radio', Cally Spooner's 'Collapsing in Parts', Mai-Thu Perret's 'The Crystal Frontier', and Goldin+Senneby's 'Headless'. It seeks to situate the artist's novel within the broader context of the visual arts in the hopes of sparking a much-needed discussion about a practice that has long been ignored by critical strands in art discourse. It includes valuable resources, such as the only existing bibliography of artists' novels. Published with Part 2: 'The Fantasy of the Novel' (ISBN 9788867494255) as a two-volume publication.

Kariye "Dr Hunbul" 2012-10 Let me tell you that love is a real challenge in life, and if you fall in love with someone in the urbanized town then you're completely fed up with him or her. Your next option is to go away for a while to remote areas where you seek a handsome groom or a beautiful bride for better future in your lifestyle. My visionary mission was to find my best nomadic bride or brides if I fed up with girls and ladies in the urbanized towns while some of my close platonic girls have been trying to secure nomadic grooms all over the globe. Why love is a real challenge in your lifestyle? If you need to know more about the challenges in love then let's read this beloved novel in comparative romance which I walked away from the urbanized lifestyle in order to adapt authoritative nomadic lifestyle, which turns and can have ups and downs in your lifestyle. Well, I loved you my dear queens however; I couldn't understand why women rejected polygamy? If jealousy was the reason then why some men preferred monogamy? Let's share how love in any lifestyle can be a challenge? I encountered it, and I've to share my experience with you. My global readers, dear friends, ladies and gentlemen, love are a silent killer if you don't find its cure as soon as you fall in love with someone. The Lovers Amitava Kumar 2017 The Lovers is about a man in search of a love story. This man, our narrator, is Kailash-a new immigrant, eager to shine. His friends teasingly call him Kalashnikov and sometimes AK-47, even AK. In his account of his years at a university in New York, AK takes us through the bittersweet arc of youth and love. There is discovery and disappointment. There are the brilliant women, Jennifer and Nina and Cai Yan. There is the political texture of campus life and the charismatic professor overseeing these young men and women, Ehsaan Ali (modelled on the real-life Eqbal Ahmad). Manifest in AK's first years and first loves is the wild enthusiasm of youth, its idealism, chaotic desires and confusions. A decidedly modern novel that melds story and reportage, anecdote and annotation, picture and text, fragment and essay, The Lovers reminds us of the works of John Berger and Teju Cole. Funny, meditative and shot through with waves of longing, the book

explores feelings of discomfort about cultural misunderstandings and the lack of clarity between men and women. At heart though, it is an investigation of love-'love despite, or in spite of; love beyond and across dividing lines'.
