The Knave of Hearts - Elizabeth Boyle
2016-01-26

In the fifth novel of the captivating Rhymes With Love series from New York Times bestselling author Elizabeth Boyle, a young woman's hopes of a match encounter a wickedly handsome complication . . . Lavinia Tempest has been eagerly anticipating a spectacular season. But one disastrous pile-up on the Almack's dance floor derails all her plans. Add to that, the very stunning revelations about her mother's scandalous past have become the ton's latest on dits. Lavinia's future has gone from shining bright to blackest night in one misstep. Alaster "Tuck" Rowland admits he's partly to blame for Lavinia's disastrous debut. But it's not guilt that compels him to restore her reputation. Rather, he's placed a wager that he can make Lavinia into one of the most sought-after ladies in London. Who better than an unrepentant rake to set society astir? Tuck's motives are hardly noble. But in teaching the lovely Lavinia how to win any man she wants, he suddenly finds himself tangled in the last place he ever imagined: in love.

If only he had not given in to the irresistible temptation to kiss her. Now he must marry her. Miss Roselie Stratton is the very definition of impossible—headstrong, outspoken, and carrying a reticule of secrets that could ruin more than her reputation. Kissing Brody is hardly the most ruinous thing Roselie has ever done as a secret agent for the Home Office...nor will she let a marriage of convenience stop her from continuing her work. Little does Roselie realize that she has underestimated Brody's resolve to keep her safe—for he has hopelessly fallen in love with her and is determined to do the impossible by stealing her heart in return.

[Along Came a Duke](#) - Elizabeth Boyle 2012-05-29

"Wit, passion, and adventure, Elizabeth Boyle has it all!" —Julia Quinn *New York Times* bestselling RITA® Award winner Elizabeth Boyle is a wonder, and with *Along Came a Duke*—the first book in her delectable *Rhymes with Love* series based on well-known nursery rhymes—she proves once more that no one writes wittier, more endearing and original historical romance. Returning once more to England during the colorful Regency Era, Boyle transports readers to the small town of Kempton, where a local curse prevents the female residents from wedding—a fact that cannot deter a plucky young heiress who needs to marry to inherit her fortune, as she strikes out for London to wed a rakish and unsuspecting duke. Funny, touching, and wonderfully sensuous, *Along Came a Duke* is a prime example of the exceptional romantic magic that puts Elizabeth Boyle in the same master class as Lisa Kleypas and Christina Dodd.
