Gonorrhea Tamra B. Orr 2015-07-15 Popular culture depicts sex as glamorous but ignores some of the negative consequences, such as sexually transmitted infections. This resource provides a thorough, non-judgmental understanding of the disease gonorrhea, how it is transmitted, how it manifests in the body, and the effects of the disease if left untreated. This book also covers the negative social impact of dealing with a sexually transmitted disease and includes resources for finding professional help. The book is designed to complement a school health curriculum and covers the material in a way that is appropriate and engaging for younger teens.

The Quick-Reference Guide to Sexuality & Relationship Counseling Tim Clinton 2010-04 This A-Z guide assists people--helpers--pastors, professional counselors, youth workers, and everyday believers--to easily access a full array of information to aid them in (formal and informal) counseling situations.

The Naked Truth Leslie Morgan 2019-05-21 "A formidable, addictive storyteller, Morgan provides a highly stimulating story of a midlife education in the messiness of modern sex and love. A steamy, liberating tale of self-exploration and self-love that encourages readers to 'revel in your sexuality'" —Kirkus Reviews Leslie Morgan, bestselling author of *Crazy Love* and *Mommy Wars*, was a mom turning fifty, reeling from divorce and determined to reclaim her life. In a radical break with convention, she dedicated a year to searching for five new lovers, seeking the rapture absent in a life of minivans and mom jeans—and finding a profound new sense of self-worth. When Leslie Morgan divorced after a twenty-year marriage, both her self-esteem and romantic optimism were shattered. She was determined to avoid the cliché of the "lonely, middle-aged divorcée" lamenting her stretch marks and begging her kids to craft her online dating profile. Instead, Leslie celebrated her independence with an audacious plan: she would devote a year to seeking out five lovers in hopes of unearthing the erotic adventures and authentic connections long missing from her life. Clumsy and clueless at first, she overcame mortifying early missteps, buoyed by friends and blind faith. And so she found men at yoga class, the airport, and high school reunions—all without the torture of dating websites. Along the way she uncovered new truths about sex, aging, men, self-confidence, and what it means to be an older woman today. Packed with fearless, evocative details, *The Naked Truth* is a rare, unexpected, and wildly entertaining memoir about a soccer mom who rediscovers the magic of sexual and emotional connection, and the lasting gifts of reveling in your femininity at every age.

Love Signs and You Rochelle Gordon 2003 *Love Signs and You* is the definitive volume of romantic astrology.

The Naked Truth E. Marcel Jones 2008-12 "E. Marcel Jones' new book *The Naked Truth* is a treasure chest full of wit and wisdom on the upheavals and struggles of 'living single.' Jones' real-life stories, his own struggles, and experiences are profound...yet revealing his skills as a prolific writer. This new and rising author is worth watching and his book a must read especially for singles and singles' ministry groups." Bonnie Oliver Brandon, M. DIV, M.A.R. Connecting Leader, National Baptist Women in Ministry (BWIM) Atlanta, GA Finally, a book intended for every SINGLE believer - engaged, widowed, divorced, or dating. No more dressed up lies about how to live successfully single. The time has come for Singles to know THE NAKED TRUTH! Christian writing phenomenon, E. Marcel Jones, addresses his personal struggles with relationships, sexual temptations, and a host of worldly issues while attempting to maintain his Christian values as a single man of God. 7 Days to a Naked Marriage Husband's Edition Dave and Ashley Willis 2020-10-13 Guys, It's Time to Get Naked! Adam and Eve started their marriage completely naked in the Garden of Eden. How about you and your wife? How intimate is your relationship? How much true nakedness—spiritual, emotional, and physical—exists in your marriage? Through their popular book and podcast *The Naked Marriage*, marriage teachers Dave & Ashley Willis have asked those questions, guiding couples deeper into vulnerable relationships built on faith, friendship, and mutual fulfillment. (Improved sex lives are just icing on the cake.) They wrote this devotional series—with separate editions for husbands and wives—to accompany *The Naked Marriage*. Over the course of seven powerful days, these stories, Scriptures, and revealing questions will help you “undress” your marriage vows. The more you understand these powerful promises, the further you’ll progress into God’s plan for your marriage: a life-giving relationship without secrets, masks, or barriers. * Be sure to grab the wife’s edition for your spouse!

Fat Sex: New Directions in Theory and Activism Helen Hester 2016-03-09 While fat sexual bodies are highly visible as vehicles for stigma, there has been a lack of scholarly research addressing this facet of contemporary body politics. *Fat Sex: New Directions in Theory and Activism* seeks to rectify this, bringing debates about fat sex into the academic arena and providing a much-needed critical space for voices from across the spectrum of theory and activism. It examines the intersection of fat, sex and sexuality within a contemporary cultural landscape that is openly hostile towards fat people and their perceived social and aesthetic transgressions. Acknowledging and engaging with some of the innovative work being done by artists, activists, and academics around the issue of fat sex, this collection both challenges preconceptions regarding fatness and sexuality, but also critiques and debates various aspects of the fat activist approach. It draws on a wide range of disciplinary perspectives, bringing together work from the UK, US, Europe, and Australia to offer a wide-ranging examination of the issues of size, sex, and sexuality. A cutting-edge exploration not only of fat sex, but of identity politics, neoliberalism and contemporary body activism in general, *Fat Sex: New Directions in Theory and Activism* will be of interest to scholars of sociology, cultural studies, geography, porn studies and literary studies working on questions of gender, sexuality and the body.

Lying Fully Clothed Dear Rob 2012-03-16 Do you ever wonder what’s going on in a man’s mind?

Do you keep getting into bad relationships with the wrong type of men? Has Mr Luke Warm got you feeling like Ms Justine Case? Have you ever wondered why a man who loves you would cheat on you? There are millions of smart, successful, beautiful women out there who are making disastrous relationship decisions. Ladies sure love horoscopes but seem to have a problem seeing the signs. Many of them don't realise the mistakes they're making, nor understand the psyche of the average man. "Lying Fully Clothed: Exposing the Naked Truth About Men" offers an unadulterated, yet hilarious insight into the mind of a player from the viewpoint of someone who's been on both sides; the player and the played. In this book, you will find out the plethora of tactics that a man will use in order to cheat on a woman or just keep her on the side as a "link". On top of this, you will discover what a man truly wants and how you can capture the one that's right for you. Stimulate a man's body and you may have him for the night; stimulate a man mentally and you may have him for life. Dear Rob is an author who uses history, anthropology, sociology, his quirkiness, and the fact he has been that man you've pulled your hair out for, to convey a hard-hitting message to unveil the shroud that covers many women's eyes. However, if you're looking for a man to complete you, you've missed the whole point.

Love Thy Body Nancy R. Pearcey 2018-01-02 Why the call to Love Thy Body? To counter a pervasive hostility toward the body and biology that drives today's headline stories: Transgenderism: Activists detach gender from biology. Kids down to kindergarten are being taught their bodies are irrelevant. Is this affirming--or does it demean the body? Homosexuality: Advocates disconnect sexuality from biological identity. Is this liberating--or does it denigrate biology? Abortion: Supporters deny the fetus is a person, though it is biologically human. Does this mean equality for women--or does it threaten the intrinsic value of all humans? Euthanasia: Those who lack certain cognitive abilities are said to be no longer persons. Is this compassionate--or does it ultimately put everyone at risk? In Love Thy Body, bestselling author Nancy Pearcey goes beyond politically correct slogans with a riveting exposé of the dehumanizing worldview that shapes current watershed moral issues. Pearcey then turns the tables on media boilerplate that misportrays Christianity as harsh or hateful. A former agnostic, she makes a surprising and persuasive case that Christianity is holistic, sustaining the dignity of the body and biology. Throughout she entrances readers with compassionate stories of people wrestling with hard questions in their own lives--their pain, their struggles, their triumphs. "Liberal secularist ideology rests on a mistake and Nancy Pearcey in her terrific new book puts her finger right on it. In embracing abortion, euthanasia, homosexual conduct and relationships, transgenderism, and the like, liberal secularism . . . is philosophically as well as theologically untenable."--Robert P. George, Princeton University "Wonderful guide."--Sam Allberry, author, Is God Anti-Gay? "A must-read."--Rosaria Butterfield, former professor, Syracuse University; author, The Secret Thoughts of an Unlikely Convert "An astute but accessible analysis of the intellectual roots of the most important moral ills facing us today: abortion, euthanasia, and redefining the family."--Richard Weikart, California State University, Stanislaus "Highly readable, insightful, and informative."--Mary Poplin, Claremont Graduate University; author, Is Reality Secular? "Unmasks the far-reaching practical consequences of mind-body dualism better than anyone I have ever seen."--Jennifer Roback Morse, founder and president, The Ruth Institute "Love Thy Body richly enhances the treasure box that is Pearcey's collective work."--Glenn T. Stanton, Focus on the Family "Essential reading . . . Love Thy Body brings clarity and understanding to the multitude of complex and confusing views in discussions about love and sexuality."--Becky Norton Dunlop, Ronald Reagan Distinguished Fellow, The Heritage Foundation "Pearcey gets straight to the issue of our day: What makes humans valuable in the first place? You must get this book. Don't just read it. Master it."--Scott Klusendorf, president, Life Training Institute

The Naked Truth Emmanuel Adetula 2011-04-06

He's Not the One V. Fowler 2018-11-23 He's Not The One This book is about a young woman who grew up smart about church, but dumb about men. This wild and crazy story plot will leave you in a wow amazement as you connect and relate to it's characters. This is the naked truth that is taboo for the religious church person, but that so many of us needed to know before being forced out into this

cruel world. I am telling it like it was, is, and continue to be for so many church girls hiding behind the notion that she must be a perfect patty, and to never try to explore the many questions about boys and sex. There are so many young women going through the hassle of going through heartbreak, and being hurt to her soul while sifting through broken relationships with all the wrong men. As you read, your emotions will fly as you cry and laugh and even bear witness to meeting some of the same men and having some of the same experiences. Truth is there is no instruction manual to teach us how to choose the right man. But experience and the word of God mixed with prayer brings us closer to God and helps us to hear his voice, learn tough lessons, and know God's will. In life, we all grow up dreaming of meeting Mr. Right. Yet the reality is that most of us have to get through the roller coaster ride of being with Mr. Wrong; sometimes many times. But as we cultivate a deeper, intimate, and more meaningful relationship with God our creator the true experience and meaning of LOVE begins to shine through and help us process all the painful experiences into choosing the right one to have a blissfully happy, long lasting, and purposeful relationship with. Don't give up, and stay encouraged. As you read my story realize that there is nothing wrong with getting caught up with Mr. Wrong as long as you learn from your mistakes, discover who you are and what you want, then arrive at finally choosing your Mr. Right whom God has sent to be with you until death do you part.

Love, Lust & Faking It Jenny McCarthy 2011-10-25 New York Times bestselling author Jenny McCarthy gave you the unfiltered ups and downs of pregnancy, motherhood, and marriage in *Belly Laughs*, *Baby Laughs*, and *Life Laughs*. Now the inveterate truth teller gets to the down-and-(sometimes) dirty essence of every man/woman relationship: love and sex. Meet Tony, Jenny's first love, the boy of her teenage dreams, and Tubby, her dirty, sexy stuffed teddy bear. Follow Jenny on a whirlwind tour of the world of aphrodisiacs and fetishes, as she explains the importance of playing doctor and other nice and naughty fantasies. Jenny is at her hilarious, no-holds-barred best in *Love, Lust & Faking It*, sharing stories of her outrageous true exploits—from *Playboy* centerfold to nightmarish bargain boob job to meeting Brad Pitt—all the while reminding us to always aim higher, be kind to ourselves, believe in true love...and to have lots of fun and sex, without faking it.

Studies in Ethnopragnatics, Cultural Semantics, and Intercultural Communication Lauren Sadow 2019-10-23 This book is the third in a three-volume set that celebrates the career and achievements of Cliff Goddard, a pioneer of the Natural Semantic Metalanguage approach in linguistics. This third volume explores the potential of Minimal English, a recent offshoot of the Natural Semantic Metalanguage, with special reference to its use in Language Teaching and Intercultural Communication. Often considered the most fully developed, comprehensive and practical approach to cross-linguistic and cross-cultural semantics, Natural Semantic Metalanguage is based on evidence that there is a small core of basic, universal meanings (semantic primes) that can be expressed in all languages. It has been used for linguistic and cultural analysis in such diverse fields as semantics, cross-cultural communication, language teaching, humour studies and applied linguistics, and has reached far beyond the boundaries of linguistics into ethnopsychology, anthropology, history, political science, the medical humanities and ethics.

Moral Revolution Kris Vallotton 2012-12-04 *Sex. Purity. Virginity. Love. Moral Revolution* seeks to inspire a culture of love, honor and respect with people who walk in purity, passion and power. This intimate and honest book addresses the root causes of purity issues rather than merely communicating to the masses to "abstain from having sex." It will call you to a higher standard of living, imparting value for your heart and encouraging you to walk in all God has created you to be. Many who have given in to the power of peer pressure and the lure of distorted cultural values will find hope and courage to start over again. *Moral Revolution* is written for radical and passionate people who dream of being catalysts to a different kind of sexual revolution--one that transforms the way the world views sexuality, defines the unborn and embraces the family. Join the Moral Revolution!

The Naked Truth Margaret A. Heffernan 2004-08-13 In this provocative book, Margaret Heffernan, former CEO and *Fast Company* contributor, fuses her own experience with that of hundreds of women to identify the biggest challenges and the best solutions that women face today. From VPs of Fortune

100 companies to entrepreneurs to women just starting their careers, she traces the patterns and themes underlying women's power, choices, love, sex, money, and many other vital topics for working women. Without sugar-coating the facts, preaching, or oversimplifying, she offers solutions and shares the truth about the working world: women's choices are limited, you can't have it all, women do work differently from men and, yes, it is possible to find success amidst all of this and feel good about it. "Finally! A book that exposes the masculine myths about what it takes to be effective in business and helps women reclaim the relational intelligence we have been taught to ignore. A must-read for all women who want to increase their power and influence in the workplace—especially those who are thinking of leaving because they are tired of the corporate gamesmanship that requires splitting themselves into a 'work me' and a 'home me.'" —Joyce K. Fletcher, professor of management, Simmons School of Management, Boston, Massachusetts

The Naked Truth about Men (and Romance) Kathryn Foster, Ph.d. 2013-10-10 From hormones to brain structure, women and men differ. The author explains how testosterone, lesser empathy, and being a "Systemizer" affect men in romances. A psychologist, Dr. Foster uses both composite stories from her practice and fascinating research findings to illustrate The Naked Truth About Men. Many women suffer silently in romances and women initiate two thirds of divorces. The book gives voice to why this is true and what you can do about it. One chapter is devoted to what a woman can actually and specifically expect from a man. This includes understanding his main source of connection, how he communicates for different reasons than she does, why conflict is threatening to him but not her, and how his personal growth will look different than hers. Finding a life partner is getting harder for women and the author tells why. Finally, Dr. Foster speaks of the emerging woman: how she'll restore balance to the work world, find fulfillment in friendships, is headed toward overcoming an aversion to risk taking, and will restore joyous sex. Women aren't done rustling the social order yet. As they come to terms with the truth about men and the dilemma female-male relationships pose, they are breaking away from former mores to find something new. This sea change will strike at the soul of romance and how females and males couple. Having female hormones and brain structure is about more than the capacity to supply breast milk. It's about values: tolerance, relationship closeness, being genuine, seeing the big picture, and nurturing everything from Planet Earth to a new style of politicking. The rise of the feminine will bring the values we need now. Men, by and large, did not fair well in the evolutionary machine, as they cut off from their relational and emotional selves through centuries of killing animals, the silent stocking of prey, and combat. But when a woman is asked to make a man her primary source of love, affection, and emotional intimacy, she has to figure out what to do. Never before have women been positioned to so radically change the world. It all begins with women's shifting their expectations of romance. What Women Want is the companion book especially for men and When Your Relationship Changes is the follow up to The Naked Truth About Men.

Real Sex Lauren F. Winner 2006-07-01 SEX. Splashed across magazine covers, billboards, and computer screens--sex is casual, aggressive, and absolutely everywhere. And everybody's doing it, right? In Real Sex, heralded young author Lauren F. Winner speaks candidly to Christians about the difficulty--and the importance--of sexual chastity. With honesty and wit, she talks about her struggle to live a celibate life. Never dodging tough terms like "confession" and "sin," Winner grounds her discussion of chastity first and foremost in Scripture. She confronts cultural lies about sex and challenges how we talk about sex in church. Her biblically grounded observations and suggestions will be especially valuable to unmarried Christians struggling with the sexual mania of today's culture. Real Sex is essential reading for Christians grappling with chastity and a valuable tool for pastors.

Finding and Revealing Your Sexual Self Libby Bennett 2010-04-16 Finding and Revealing Your Sexual Self integrates case studies and 'Sexercises' designed to enhance the information in each chapter. The tone of the book is one of compassion with a common sense approach that takes into account various sexual orientations. Special 'Sexual Healing' sections are dispersed throughout, containing relevant questions and answers relating to the difficulties that arise in different areas of

sexuality and communication. The methods used in the book are tried and true exercises successfully used by the authors in couple and individual therapy. Finding and Revealing Your Sexual Self helps readers to become sexually self-aware and able to share this awareness with their partner, while providing the tools to discuss sex with professionals, if necessary.

The Naked Truth Lakita Garth 2011-08-31 In a world where it seems like "everybody's doing it" how do you help students say no to premarital sex? Lakita Garth tells you how! As an internationally known abstinence advocate and sought-after speaker, she talks to more than 500,000 students a year about abstinence and sexuality. Here, she frankly, humorously, and passionately shares her principles with teens for staying pure until marriage, while equipping them with the life skills necessary to be responsible and successful. Through her four-phase Decision-Making Model, young people will understand the principles of self-control, self-discipline, delayed gratification, and achieving their dreams. They'll be ready to establish healthy dating relationships and clearly defined boundaries for physical intimacy, while understanding and valuing marriage. The eight-session companion DVD, a leader's guide and student guides will make this resource perfect for small-group use.

The Naked Marriage Dave Willis 2019-02-12 "Now the man and his wife were both naked, but they felt no shame." (Genesis 2:25) Imagine a marriage with complete intimacy, vulnerability, transparency and trust. Imagine a marriage rooted in faith, friendship and mutual fulfillment. Imagine a marriage with amazing sex, but where great sex is only the icing on the cake. This might all sound too good to be true, but it's actually what God designed marriage to be, and He doesn't want you settling for anything less. Having a "Naked Marriage" is about much more than just nakedness in the bedroom (although that's part of the fun). It means being naked emotionally and spiritually as well as physically. It also means undressing all the misconceptions our culture has used to cover God's original, beautiful design for marriage and rediscovering all marriage can be. You and your spouse can have a thriving, Naked Marriage with a lifetime of love and laughter together. This book will show you how. About the Authors: Dave and Ashley Willis have become some of America's most trusted teachers on marriage. Their books, blogs, videos and speaking events reach millions of couples worldwide. They are part of the team at XO Marriage and MarriageToday, which is the largest marriage-focused ministry in the USA. Dave and Ashley have four young sons and live near Dallas, TX.
