**Love And War Duet** Charisse Spiers 2020-01-20 My life has been anything but a fairytale. From a drunk of a mother that didn't want me, to a much older boyfriend that exploited me, nothing about growing up has been easy. Abandoned and lonely more times than not, I sought attention in any way I could get it. It's said birds of the same feather flock together. I found companionship in my best friend Lux. Both of us living in Hell, we were determined to get out or die trying. Atlanta is where we found a home, and despite our many differences as adults, she'll always be my sister. Chaos started with a tattoo. A new shop came to town, and the owner has a rep most artists would kill for, me included. I knew my one dream would never be a reality for me. All I wanted was to carry a piece of ink that was created by him. Happy birthday to me. I had no idea that one tattoo would change everything for me. Dreams would come true. Nightmares would become reality. Irresponsibility would breed consequences. My world would turn dark. Hell has a way of finding you. Murder, crime, secrets-all things forced on me. But in the end, two broken people would fall in love, and sometimes a world of darkness is more beautiful than anything found in the light. Note: This is *Shadows in the Dark* books 2-3, Kross and Delta's story, compiled into one book.

In *An Echo in the Darkness*, Marcus, a wealthy Roman aristocrat touched by Hadassah's sincere belief, begins to wonder if there's more to this life. As he continues to search for meaning and faith, he is led by a whispering voice from the past that could set him free from the darkness of his soul. The trilogy concludes with *As Sure as the Dawn*, which follows Atretes, the high chief of a Germanic tribe who fought as a gladiator and won his freedom. As Atretes sets out to return home with his infant son, only one thing stands in his way: Rizpah, a Christian widow who has cared for the baby since his birth. **This Is Love** Ivy Smoak 2019-01-17 I fell in love with Penny as soon as she fell into my arms. I wasn't a believer in fate, but she convinced me. And every day she convinced me just how special our relationship was. It was us against the world. And I foolishly thought our love was indestructible. Now I know that love isn't about light and darkness or whirlwinds of color. Love can't be defined in such simple terms. When you lose it, all of that becomes clear. I don't know how much longer I can breathe in a world where I look into my wife's eyes and only see a stranger. I'd do anything to get her back. But this is one thing I don't know how to fix. This is the end to our love story. I just hope to God it's not the end of us.

The War of the Fae series is perhaps one of the best examples of this magical connection with her readers. Casey has created a whole world of characters that you very quickly care very much about." ~Lisa Ann, Reviewer on Goodreads "The drama flew through the roof. Jayne's powers are growing and the demand on her is insane. What I really loved about Call to Arms was the intricacy of the plot and how issues were placed against issues and desires were placed against desires to create a world that did not adhere to a strict and typical diet of 'paranormal young adult fantasy'. Jayne is still cracking jokes, is still cursing, is still making stupid decisions, is still relateable, still has ulterior motives, still is Jayne." ~Marlon Balraj, Blogger and Reviewer at We Live and Breathe Books blog "Better and better. I can't think if a single thing in this series that I don't like and that is saying a lot. The further I get into it the more I can't stop reading. Definitely a series you want to read in order and well worth the read." ~ Amazon Reviewer "Each book gives you more and more. Books 1,2,3 were fantastic. Each book after gives you more and more insight into each character. I am reading these books faster than most because the writer keeps me interested. The anticipation of the next twist is what keeps me wanting to turn the page." ~ Margaret Thomas, Amazon Reviewer A message from the author: A reader fan recently set up a blog dedicated to casting the actors for the War of the Fae movie. No, it is not in production to be made into a movie, nor have I sold the rights to anyone for the movie. But just in case I ever do, my fans will be sure the casting director has a complete line-up ready! Check it out: [elcasey.com/WOTF\\_Movie](http://elcasey.com/WOTF_Movie)

**Eldentimber Collection** Shari L. Tapscott 2018-10-13 Step into an original fairy tale world full of romance and adventure with the first three full-length novels in The Eldentimber Series. Pippa of Lauramore, Book One Act like a lady. Don't swim in the waterfall. And whatever you do, never slip into the woods for a romantic, moonlit ride. Anwen of Primewood, Book Two It's never wise for a lady to run away in the middle of the night with a smooth-talking man with a questionable heritage--it's even worse to give that man your family's greatest treasure. Seirsha of Errinton, Book Three Sometimes the brightest love kindles in the bleakest of darkness. Author's Note - Seirsha of Errinton is darker than the previous two novels in the series and was written for a more mature audience. In writing this, I directly dealt with issues that the other novels only vaguely alluded to. The point of the story, however, is not the cancerous evil that has spread through the kingdom, but the light at the end of the tunnel--the hope in the darkness. *Dark Love, YA Version (The Two Vampires, Book 3)* M.D. Bowden

*Scent of Darkness* Christina Dodd 2007 When the man she loves, Jasha Wilder, turns into a wolf before her very eyes, Ann Smith soon discovers that she has been chosen to break the curse that binds his soul.

My whole life is written on these pages. I have the perfect husband. The perfect family. The perfect life. But I don't remember any of it.
