Mask of Nobility - Tracy Cooper-Posey 2017-11-12

He's royalty. She's a commoner. Their association has no future. Bronwen Davies is not only disinterested in marrying well, she has turned her back upon society, to live as freely as she can in the wilds of Northallerton, where she lives with her cousin Lilly and Lilly's husband, Jasper. Jasper's half-brother, the Archduke Edvard Christoffer of Silkeborg, arrives at Northallerton without warning, asking for temporary sanctuary from the pressures of his public life. There, he finds Bronwen, a most distracting diversion. Only, Bronwen's unexpected opinions and forthright manner prove to be far more seductive than a simple distraction should be... *Mask of Nobility* is the fourth book in the spin-off series following the historical romances of *Scandalous Sirens*. *Scandalous Scions* brings together the members of three great families, to love and play under the gaze of the Victorian era's moralistic, straight-laced society. Reader Advisory: This story contains frank sex scenes and sexual language. This story is part of the *Scandalous Scions* series: 0.5 *Rose of Ebony* 1.0 *Soul of Sin* 2.0 *Valor of Love* 3.0 *Marriage of Lies* 4.0 *Mask of Nobility* ...and more to come! A Sexy Historical Romance ___ Praise for the *Scandalous Scions* series: If you are familiar with the previous series, I am sure you fell in love with the huge family like I did. She is a go to author for me when I need a fix of historical romance. Tracy Cooper-Posey takes us into the staid yet surprisingly bawdy Victorian Era where appearance is everything and secrets are held inside the family. Thanks once again, Tracy Cooper-Posey, for giving us another great story and for giving me back my love of historical romances. I love historical romances and this one filled all my likes, from a dashing, wonderful hero, a beautiful strong heroine, a love story to sigh over, side characters that are interesting, and funny, and move the story along. I

can't wait for the next in this wonderful new series. I don't often give books five stars, but I really enjoyed the mystery that puzzled all of the characters in this story. I found the entire extended family intriguing because they, the women in particular, are very aware and careful of what society will think, yet they often have made choices that are deemed semi- scandalous. A wonderful story set in the Victorian era of such strict social conventions and yet the main characters are shimmering with latent sexual tension. What a fabulous juxtaposition! Another great series is starting and it looks like it will be great just like all the other series by this author. ___ Tracy Cooper-Posey is a #1 Best Selling Author. She writes romantic suspense, historical, paranormal and science fiction romance. She has published over 90 novels since 1999, been nominated for five CAPAs including Favourite Author, and won the Emma Darcy Award. She turned to indie publishing in 2011. When Emma discovers politics and adopts as her cause women's suffrage, the most outrageous scandal the family has yet to produce threatens to turn Morgan's world inside out... This book is the twelfth in the Scandalous Scions series, bringing together the members of three great families, to love and play under the gaze of the Victorian era's moralistic, straight-laced society. I love these books. Tracy creates these characters so well and with such care. I really recommend reading this series. I am overwhelmed by how much I have enjoyed this series so far. It was not superficial fluff as I thought it might be when I began. Cooper-Posey books have touched on so many universal themes. Her characters are admirable people who love their family and are capable of deep romantic love as well. I just love this series and the books just keep getting better and better. This series takes us on a romp through historical times, which I love. If you haven't read this magnificent series you must do so now; you will love each story, be moved by each of them, fall in love with the heroines and heroes, you will cheer for them and just as loudly boo the villains. Love this series and have bought them all. This entire series is filled with so much love for each other and family, that there is no way you cannot be emotionally drawn into each story.

A Vampire Futuristic Romance ___ Praise for Viennese Agreement: I can't wait to find out more about Brenden, who is, did I mention, a hot, sexy, toe-curling vampire. I was looking forward to this new look into the lives of the characters I had grown to love in the rest of the series and I was definitely not disappointed. Once I started reading this book I was hooked clear to the end. Well-written with a plot twist, a confident woman who knows how she wants, and a hot sexy-ass vampire who is just alpha to the core. They have amazing chemistry, it is wonderful to view their lives change/grow throughout the story. It's like getting a taste of the best chocolate...can't help craving more after a sweet taste of this sexy tale. ___ Tracy Cooper-Posey is a #1 Best Selling Author. This series is without a doubt the BEST!!! Every book I read by Tracy Cooper-Posey is like an intricate puzzle piece. It's beautiful and unique on its own, but when you study it from different angles you find out it's just a piece of the bigger picture and this author gets the pieces to click into place in the most interesting and unpredictable ways. I love that I learn new things from reading one of Cooper-Posey's books while at the same time experience action, adventure and romance...and not that stupid love-at-first-sight-everything-works-out-the-way-we-want romance, either. She writes earthy, emotionally charged, realistic love stories. ABSOLUTELY beautiful story! The characters are so well written, you feel like you are in the middle of their world, interacting with them on a personal level! OMG. I love this story, it's a grand classic of historical romance. Oh how I'd love to see this as a movie. Tracy just nailed it once again. I loved this one so much! I spent the entire book telling myself to slow down and savor the tale and also not being able to put the book down. What a great

book! It's not a short book, but reads like one. The dialogue moves the plot, the action moves the plot, even the narrative does not waste a single word. I read the book twice because I liked it so much. This is a wonderful book! OMG, I didn't want this one to end (3000 pages might've been enough). I haven't stopped thinking about this book since I finished it last week-wondering what else might have gone on in their lives. Any time my husband was trying to get my attention while reading this novel I told him, "I can't help it. I'm over a 1,000 years away falling in love with a king and making friends with the Lady of the Lake!" This series puts Tracy Cooper Posey up there with the great Arthurian writers like Stewart and Bradley. Her vivid descriptions and historical snippets add so much to an already great story that I could not put it down.

I won't ruin the story but even if you feel historical romances aren't your thing trust me this will change your mind. I'm glad I took the chance and read it. Wow! I was so moved by their story that I cried happy tears!! I'm so totally in love with these characters! The characters stepped out of the books' fictional realm into my life from the very first page and they stayed with me as I had to go about my daily commitments...I know I'll be thinking of them long after the last page has been read. This wonderful, suspenseful and romantic tale will make you believe that anything is possible. The family rallies around and helps put things right for them both. This is a must read if you like historical romance with some wonderful heat!!! At long last, we hear the individual

stories behind Lady Lilly and Thompsett, Lord Marblethorpe's butler. Cooper-Posey has dropped little hints that both hid behind a painful and mysterious past, but for her to give the reader BOTH stories in the same book - was just wonderful.

So realistic that I felt like I was there. Such a great story and setting. Another magnificent addition to this series. Tracy Cooper Posey never lets her fans down. Sch an amazing read. Once I started reading I could not stop till I was finished. This was one of the greatest books yet, as far as this grand family goes. I was surprised how much this book actually moved me & read it again, as for loving the whole family & gatherings as I do. I really enjoyed & got totally immersed in this one. Oh Tracy what a brilliant read yet again, but for some reason this book got to me. Thank you. This isn't a light and frothy book. None of her books are - they always teach you something and make you think about something in a new light. And that's why I

keep reading them - there's always something I didn't expect. Yet another marvelous book by TCP! She has yet to disappoint me. Pride can get you into a lot of trouble. I really liked this book ... Tracy Cooper-Posey once again manages to create an historical romance with substance. I absolutely recommend *Ashes of Pride* and all of Tracy Cooper-Posey's books. I love this series and could not wait for this next book and my wait was rewarded. I loved this book I really enjoyed the heck out of this book. The characters are wonderful and interesting. I almost feel as if they're out there waiting for us to meet As usual I found myself totally engrossed in this novel as I was reading it. Tracy's books have this effect upon me. Cooper-Posey has such an engaging way of storytelling, that you feel you are actually sitting in the same room, watching the events unfold The best so far in the continuing saga of the Great Family. Wow! This one had me from the start! I never expected their story to move me so much! An angst filled story that had me crying and cheering and blubbering...almost all at once! This is an amazing story that kept me turning the pages and missing some sleep. I had to find out how the story was going to work out. An awesome, emotion tugging, marvelous book. Tracy Cooper-Posey has written another great one. One of many reasons why I like to read Tracy's stories, it's never predictable. A smoldering romance and this is another must-read in the series.

Time And Remembrance - Tracy Cooper-Posey 2018-11-11

A special story marking a moment in history...lest we forget. On the one hundredth anniversary of Armistice Day, Jesse Hall, United States Marine and unsung hero, finds herself among a group of time-traveling vampires. She has been directed there by a century-old letter from her great-grandfather, instructing her to introduce herself with the phrase: "I'm not wearing a red shirt." So begins a dash through time to save a man in the very last minutes of the Great War, which in turn will save eight million other lives... A Time Travel Vampire Romance Novelette __ Praise for Time and Remembrance: The detail makes you wonder if Ms. Cooper-Posey isn't actually a time traveler. A lovely little book in a great series. Though this is a novella, Cooper-Posey still packs in a whale of a story. You can't go wrong with Cooper-Posey - she is an amazing storyteller who develops her characters carefully and yet lovingly. Every story she tells is an engrossing one - and she makes you wish time-travel was indeed a real thing. If you love time travel and haven't read this series you should start today. Tracy makes you believe in time travel (and vampires) and brings the past to life like no other. As always Tracy astounds me with how she makes the history in her story come to life. My students often muse how much easier it would be to learn about history if they could just go back to that time period for a little while. Cooper-Posey does just that with this installment of this series. It's a beautifully written novella. This book brought me to tears. The true measure of a well written story are the emotions an author is able to wring from a reader. Loaded with familiar characters, a powerful plot pulls you into this story set at the end of World War I and just won't let you go. It's a short read made all the more moving for its brevity. I loved it. Wow, just wow. I cried, I laughed and fell in love all over again with these characters. This book made me cry when I read it - not something I normally do with this series. It was so heartfelt, I couldn't help it.

Smart characters, smart writing, smart dialog... if you're a fan of the series, you'd be smart to pick up "More Time Kissed Moments." It's a fascinating book of past and present with all its cruel, intriguing, captivating, loving, and at times humorous events. Creative and Amazing! I really love how original Tracy manages to be in a genre where everything seems to have been written. Some of my favorite parts are (1) the humor! Gap-tooth@suckerville.com. Really!!!! Ha! and (2) the time travel part of the story and the explanations in regard to the loops which were astounding and told in a logical, well thought out manner. I loved reading this rich, complex and interesting tapestry of interwoven lives and loves. This is definitely a must-read book within the series and not a short story mix that you could choose to leave out of the series. GOLD! More compulsive reading for the Kiss Across Time series! Cooper-Posey is a master storyteller, but how

she manages to create these elaborate interconnected storylines that flush out character development is incredible. This is like "Behind the scenes", "The making of" and "out-takes" all wrapped in one! I'll miss her and need to read this one again. This series is in the right century, told in the right way, and based on sound research, plus, it's just plain old great storytelling! Brilliantly crafted conversation from Steffan with his first multi-faceted lesson for the girls in Latin, sarcasm & irony. Tracy is always amazing at this. Tracy Cooper-Posey has brought the Arthurian Legend alive! I am so enjoying this series & it seems each book gets better and draws me in deeper. I hated to see this one end. A simply fantastic series that is getting better and better with each new book. The more I read of this series, the more I want. I love this book and I love Tracy Cooper-Posey! I am a long time fan of Tracy Cooper-Posey and love her writing. Pendragon Rises is an incredible story of two "invisible" people (Anwen and Stefan) who find unexpected love. Their story is woven into the amazing tapestry of the Arthurian Legend. I am in love with this series. It's hard not to become emotionally invested in any Cooper-Posey character, but I found that especially true with Stefan and Anwen. A mighty warrior struck blind and the overlooked mouse in the corner. My heart ached for them. I absolutely love this book! We're pulled into this fantastic world by Tracy Cooper-Posey's vivid storytelling and deft handling of the personalities created within it. I can't say enough good things about Pendragon Rises or the series it's a part of! Pendragon Rises is the best novel yet of this wonderful series, The Once and Future Hearts. Once I started this one, I couldn't put it down. Tracy puts together a wonderful story that parallels the Arthurian legends and history of that time while keeping the characters relatable and realistic. A definite read! I really liked Anwen's happily ever after. Superb writing, I say. The romance between Steffan and Anwen is absolutely perfect! If you're afraid to give Historical romances a try due to authors not adhering to how you feel the past WAS, trust me, you won't be disappointed! Agata and Cain really steal the show. Fantastic story, especially when you like a kick-ass

The reader will feel the chill of crisp snow, and harsh conditions of the mountains, even the bone-crushing exhaustion as Agata and Cain fight to survive. Plan to sit for a while. This is not a read a little, walk away for a while, read a little more. This is a "sit down, get comfortable, and don't plan to move." Tracy Cooper Posey once again proves why she is a master at the Romantic Thriller genre. Tracy Cooper Posey writes incredibly strong, intelligent female characters who shine in this series. This had to be one of my favorites of Tracy's numerous works. I haven't read all 100, but I'm getting close to it, and I have yet to be disappointed!  ___ Praise for the Scandalous Scions series: If you haven't started this series, start right now and you will fall in love with this very unconventional family during a time when rules, etiquette and unwritten rules had to be followed or the lack of them would bring scandal and ruin to an entire family. I love these books. Tracy creates these characters so well and with such care. I really recommend reading this series. I am overwhelmed by how much I have enjoyed this series so far. It was not superficial fluff as I thought it might be when I began. Cooper-Posey books have touched on so many universal themes.
