Have You Seen Marie? Sandra Cisneros 2014-04-08 The internationally acclaimed author of *The House on Mango Street* and winner of the PEN/Nabokov Award for Achievement in International Literature gives us a deeply moving tale of loss, grief, and healing: a lyrically told, richly illustrated fable for grown-ups about a woman's search for a cat who goes missing in the wake of her mother's death. The word "orphan" might not seem to apply to a fifty-three-year-old woman. Yet this is exactly how Sandra feels as she finds herself motherless, alone like "a glove left behind at the bus station." What just might save her is her search for someone else gone missing: Marie, the black-and-white cat of her friend, Roz, who ran off the day they arrived from Tacoma. As Sandra and Roz scour the streets of San Antonio, posting flyers and asking everywhere, "Have you seen Marie?" the pursuit of this one small creature takes on unexpected urgency and meaning. With full-color illustrations that bring this transformative quest to vivid life, *Have You Seen Marie?* showcases a beloved author's storytelling magic, in a tale that reminds us how love, even when it goes astray, does not stay lost forever.

Luis Leal Mario T. García 2010-01-01 Professor Luis Leal is one of the most outstanding scholars of Mexican, Latin American, and Chicano literatures and the dean of Mexican American intellectuals in the United States. He was one of the first senior scholars to recognize the viability and importance of Chicano literature, and, through his perceptive literary criticism, helped to legitimize it as a worthy field of study. His contributions to humanistic learning have brought him many honors, including Mexico's *Aquila Azteca* and the United States' National Humanities Medal. In this testimonio or oral history, Luis Leal reflects upon his early life in Mexico, his intellectual formation at Northwestern University and the University of Chicago, and his work and publications as a scholar at the Universities of Illinois and California, Santa Barbara. Through insightful questions, Mario García draws out the connections between literature and history that have been a primary focus of Leal's work. He also elicits Leal's assessment of many of the prominent writers he has known and studied, including Mariano Azuela, William Faulkner, Octavio Paz, Carlos Fuentes, Juan Rulfo, Gabriel García Márquez, Jorge Luis Borges, Tomás Rivera, Rolando Hinojosa, Rudolfo Anaya, Elena Poniatowska, Sandra Cisneros, Richard Rodríguez, and Ana Castillo.

Feminism, Nation and Myth Rolando Romero 2005-04-30 Feminism, Nation and Myth explores the scholarship of La Malinche, the indigenous woman who is said to have led Cortés and his troops to the Aztec city of Tenochtitlán. The figure of La Malinche has generated intense debate among literature and cultural studies scholars. Drawing from the humanities and the social sciences, feminist studies, queer studies, Chicana/o studies, and Latina/o studies, critics and theorists in this volume analyze the interaction and interdependence of race, class, and gender. Studies of La Malinche demand that scholars disassemble and reconstruct concepts of nation, community, agency, subjectivity, and social activism. This volume originated in the 1999 "U.S. Latina/Latino Perspectives on la Malinche" conference that brought together scholars from across the nation. Filmmaker Dan Banda interviewed many of the presenters for his documentary, *Indigenous Always: The Legend of La Malinche and the Conquest of Mexico*. Contributors include Alfred Arteaga, Antonia Castañeda, Debra Castillo, Alicia Gaspar de Alba, Deena González, María Herrera Sobek, Guisela Latorre, Luis Leal, Sandra Messinger Cypess, Franco Mondini-Ruiz, Amanda Nolacea Harris, Rolando J. Romero, and Tere Romo. These academic essays are complemented by the creative work of Alicia Gaspar de

In this study, based on research done among second-generation Mexican-American women, Rodriguez examines the role the symbol of Guadalupe has played in the development of these women. She goes beyond the thematic and religious implications of the symbol to delve into its relevance to their daily lives. Rodriguez's study offers an important reinterpretation of one of the New World's most potent symbols. Her conclusions dispute the common perception that Guadalupe is a model of servility and suffering. Rather, she reinterprets the symbol of Guadalupe as a liberating and empowering catalyst for Mexican-American women.

There Was a Woman Domino Renee Perez 2008-07-01 "How is it that there are so many lloronas?" A haunting figure of Mexican oral and literary traditions, La Llorona permeates the consciousness of her folk community. From a ghost who haunts the riverbank to a murderous mother condemned to wander the earth after killing her own children in an act of revenge or grief, the Weeping Woman has evolved within Chicana@ imaginations across centuries, yet no truly comprehensive examination of her impact existed until now. Tracing La Llorona from ancient oral tradition to her appearance in contemporary material culture, *There Was a Woman* delves into the intriguing transformations of this provocative icon. From La Llorona's roots in legend to the revisions of her story and her exaltation as a symbol of resistance, Domino Renee Perez illuminates her many permutations as seductress, hag, demon, or pitiful woman. Perez draws on more than two hundred artifacts to provide vivid representations of the ways in which these perceived identities are woven from abstract notions—such as morality or nationalism—and from concrete, often misunderstood concepts from advertising to television and literature. The result is a rich and intricate survey of a powerful figure who continues to be reconfigured.

La Malinche in Mexican Literature Sandra Messinger Cypess 2010-07-05 Of all the historical characters known from the time of the Spanish conquest of the New World, none has proved more pervasive or controversial than that of the Indian interpreter, guide, mistress, and confidante of Hernán Cortés, Doña Marina—La Malinche—Malintzin. The mother of Cortés's son, she becomes not only the mother of the mestizo but also the Mexican Eve, the symbol of national betrayal. Very little documented evidence is available about Doña Marina. This is the first serious study tracing La Malinche in texts from the conquest period to the present day. It is also the first study to delineate the transformation of this historical figure into a literary sign with multiple manifestations. Cypess includes such seldom analyzed texts as Ireneo Paz's Amor y suplicio and Doña Marina, as well as new readings of well-known texts like Octavio Paz's El laberinto de la soledad. Using a feminist perspective, she convincingly demonstrates how the literary depiction and presentation of La Malinche is tied to the political agenda of the moment. She also shows how the symbol of La

Cisneros Shanna Große 2020-04-09 Seminar paper from the year 2018 in the subject English Language and Literature Studies - Literature, grade: 2,3, Saarland University (Anglistik, Amerikanistik und Anglophone Kulturen), course: HS North American Borderlands: Histories and Cultural Practices, language: English, abstract: In this paper, the author will analyze the figure of La Llorona, traces of her within the short story "Woman Hollering Creek" by Sandra Cisneros and the way in which Sandra Cisneros rejects common understandings of the myth by replacing them with a positive empowering image that encourages the protagonist Cleofilas to escape the cycle of abuse. The short story "Woman Hollering Creek" accounts for the themes of gender roles, sexual harassment and abusive marriage within Chicana cultural identity at the Mexican-U.S border. The cultural figure of La Llorona, which is prevalent in both Mexican and American culture, plays an important role in Cisneros's short story. The motive of La Llorona is addressed several times throughout the story setting and becomes of growing importance to Cleofilas' personal development. La Llorona becomes an ally to Cleofilas because of their shared experience through a common enemy, the male oppressor. Instead of fear and weakness, La Llorona becomes a symbol for strength and therefore empowers Cleofilas to finally find her own voice and stand up for her children and herself.

In the Time of the Butterflies Julia Alvarez 2010-01-12 It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

Transforming Borders Alejandra C. In doing so, C. Alejandra Elenes contributes to the scholarship on transformative pedagogies by adding the voices of Chicana feminist pedagogies, epistemologies, and ontologies. Linking the relationship between cultural practices, knowledge, and teaching in everyday life, Elenes develops her conceptualization of border/transformative pedagogies.

The Poisonwood Bible Barbara Kingsolver 2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection "Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty." —Los Angeles Times Book Review The Poisonwood Bible, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most

dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleanna Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

Set in a fictional small town on the Texas-Mexico border, it tells the funny, sad and quietly outrageous saga of the children and grandchildren of Mama Chona the indomitable matriarch of the Angel clan who fled the bullets and blood of the 1911 revolution for a gringo land of promise. In bold creative strokes, Islas paints an unforgettable family portrait of souls haunted by ghosts and madness--

commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. Personal belief and cultural tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other. They frequently share space in how people think about the supernatural. In *Haunting Experiences*, three well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. Goldstein, Sylvia Ann Grider, and Jeannie Banks Thomas take ghosts seriously, as they draw on contemporary scholarship that emphasizes both the basis of belief in experience (rather than mere fantasy) and the usefulness of ghost stories. They look closely at the narrative role of such lore in matters such as socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts.

Mexican Literature David William Foster 2010-07-22 Mexico has a rich literary heritage that extends back over centuries to the Aztec and Mayan civilizations. This major reference work surveys more than five hundred years of Mexican literature from a sociocultural perspective. More than merely a catalog of names and titles, it examines in detail the literary phenomena that constitute Mexico's most significant and original contributions to literature. Recognizing that no one scholar can authoritatively cover so much territory, David William Foster has assembled a group of specialists, some of them younger scholars who write from emerging trends in Latin American and Mexican literary scholarship. The topics they discuss include pre-Columbian indigenous writing (Joanna O'Connell), Colonial literature (Lee H.
