and dogmatic religious tyranny. Dr. Atra Tirany is a brave and principled lecturer who refuses to whitewash the truth he teaches impressionable students at his university. Such liberties are frowned upon in their country, where a dictator calls the shots, and Dr. Tirany pays the price. Along the way, he fell in love and appreciates its potency as a motivating force for change. Throughout *Whisper of Love in Hell*, the message is unswerving: all people should be free to make their own life choices.

Whisper of a Kiss - Stephen W. Hoag Ph.D.
2018-09-21

Whisper of a Kiss is one of the most powerful love stories ever written, sharing the journey of a quiet, marginalized high school student from a life of mediocrity to the summit of unimagined achievement all made possible by the impact of a single person on his life. The principles he learns

from a devoted single mother and his mentor manifest in a dynamic, moving understanding of love brought thundering to the surface by the presence of a girl who is "the one." The story, based on true life events, addresses many important issues relative to parenting, mentoring, and educating. But most of all, the story is unforgettable.

[Whisper of Love \(The Bradens at Peaceful Harbor #5\) Love in Bloom Contemporary Romance](#) - Melissa Foster 2017-02-22

The Bradens are a series of stand-alone romances that may also be enjoyed as part of the larger Love in Bloom series. reading. Every book's a winner!" NYT Bestselling Author Brenda Novak "With her wonderful characters and resonating emotions, Melissa Foster is a must-read author!" New York Times Bestseller Julie Kenner "Melissa Foster is synonymous with sexy, swoony, heartfelt romance!" New York Times Bestseller Lauren Blakely In WHISPER OF LOVE... Tempest Braden adores her family and her small hometown, but sometimes too much of a good thing can be confining. At almost thirty, having watched most of her siblings find true love, she's anxious to experience her own happily ever after, and the move to Pleasant Hill, Maryland, is just the change she needs. When she rents a room from ruggedly handsome, and closed-off, artist Nash Morgan and his adorable son, Phillip, she thinks she's found a little slice of heaven on the outskirts of town, where she can concentrate on building her business. That is, if she can ignore the undeniable heat between her and the sinfully hot single father. When Nash bought his

farmette, he had one goal in mind to provide a loving, stable home for his son. He never imagined he'd be raising Phillip alone, or renting out a room to keep their heads above water. Then again, he never imagined losing his brother, or spending two years sailing around the world with parents who seemed to forget one son was still alive. Sparks fly from the moment Tempest moves in, and her positive energy and inquisitive nature brings new life into Nash and Phillip's quiet, confined world. For the first time in years, Nash wants to let a woman into his world, but while his loss made him stronger, that strength came at a price, leaving him walled off and wary of opening his heart again. *** WANT MORE BRADENS? Whispers of Love - Precious Love 2022-01-10
Whispers of love is a book of love notes to God and His whispers to us. As the body of Christ we are made new in Him. He loves us so much He sent His son as a living sacrifice for our sins. That when this life is over we do not perish in Hell but have eternal life with Him our Father. I do not know about you, but that's a love that is hard to comprehend sometimes. On earth love is

conditional and quickly fading, but when we love knowing we are loved unconditionally by the creator of heaven and earth the captives will be set free. (Perfect love casts out fear).

Whispers Of Love - Buddy Hendricks 2014-06-30
Whispers of Love is a collection of poems written as inspired by a personal relationship, real or imagined, let the reader decide. Love is all there is at the top of a list of very important things. If that is not true, take it away from every part of your life and see what you have left. Whispers of Love was written from the eyes of the heart, which has perfect vision, if not perfect logic. Emotions derived from the love of another are the most beautiful, even if the heart is broken in the process. No other emotion triumphs in that way. Without love, the worth of living would be greatly diminished. The writer hopes that readers will be renewed in their love for their special one in some small way or reminded of that time when their heart was stolen away and they were glad...or both....

Whisper of Love - Yuwanda Black 2015-12-21

PREFACE Home for the holidays ... her reason for going back to Heavens Cove, the small Alabama town that was home, had little to do with celebrating the season. All Gemma wanted for Christmas this year was a nice, quick divorce. Eight years ago, at only 22, she'd made one of the biggest mistakes of her life - marrying too young, too soon, to a man she barely knew. If she was going to get on with her future - and the possible new love in her life. It had been three years since she'd left her husband, well past time to put a period on the disaster that was her marriage. *** Thatcher had made one of the biggest mistakes of his life - letting Gemma go. He'd had no choice at the time, but now that she was back, giving her the divorce she wanted wouldn't be as easy as he thought. She'd earned

her way out of their marriage, he readily admitted that. And, he couldn't give her a guarantee that he wouldn't screw things up again, even though he wanted to more than anything. Then there was Laney to consider. She was more than perfect for him. She'd stood by him when no one else had. Should he let Gemma go - free her to find the type of love he could never give her, and build a future with Laney? He could be happy with her and make a fresh start. Or, should he fight for the love he and Gemma once shared? Was it too late? Would she dare give him another chance? *** "Mama you know better than anyone what happened between me at Thatcher. I couldn't go back to that kind of relationship. And my life is in New York now, not to mention, there's ... there's someone else." "Someone else? So that's what this sudden interest in getting a divorce is all about. You've met someone else and are ready to move on?" "Well not exactly. I mean, I'm not involved right at this minute. There is ...

something I think I'd like to explore. But I can't do that still being married - even though me and Thatcher have only been married on paper for years now." "I see," said Emmaline, her mother. "Why did you say it like that?" Gemma asked. "You've already butted in mama, you might as well go ahead and tell me what you think." "Well remember, you did ask," Emmaline stated, before rushing on. "Don't open one door - not even partially - until you have completely closed the other. Just by your reaction to seeing Thatcher, I can tell you still have a lot of unresolved feelings for him. And if there is even a whisper of love left in you for that man, you need to explore that before trying to move on with anyone else. Otherwise, you'll always regret it because I know how much you loved him." *** Gemma was more confused than ever as she crawled into bed that night. The simple wish she had come home for Christmas to have granted was turning out to be not so simple after all.

Whisper Their Love - Valerie Taylor 2011-06-01

First Digital Edition; Grier Rating: A** Desire and torment swept through Joyce's trembling young body at the gentle touch of Edith's cool hand upon her face. She had never felt like this before. It frightened her ... and filled her with a terrible excitement! Joyce is a young woman off to her first year at college at prestigious all-girl school. She gets along well with her roommate, Mary Jean, who is somewhat boy-crazy. Joyce begins to think there's something wrong with her... that perhaps she is frigid... because she has no interest in boys. Then she meets Edith, the dean of the college, and falls head over heels in love. Suddenly all that mattered to her was a woman twice her age. *Whisper Their Love* is a haunting and courageous story of how a young girl's hunger for love leads her to discover passions she didn't know existed. Only a writer as skillful and sensitive as Valerie Taylor could have taken such a daring subject and fashioned it into such a stirring a novel.
