

A Seals Proposal Sexy Seal Series Book 1

The Secret of Our Success Joseph Henrich 2017-10-17 How our collective intelligence has helped us to evolve and prosper Humans are a puzzling species. On the one hand, we struggle to survive on our own in the wild, often failing to overcome even basic challenges, like obtaining food, building shelters, or avoiding predators. On the other hand, human groups have produced ingenious technologies, sophisticated languages, and complex institutions that have permitted us to successfully expand into a vast range of diverse environments. What has enabled us to dominate the globe, more than any other species, while remaining virtually helpless as lone individuals? This book shows that the secret of our success lies not in our innate intelligence, but in our collective brains—on the ability of human groups to socially interconnect and learn from one another over generations. Drawing insights from lost European explorers, clever chimpanzees, mobile hunter-gatherers, neuroscientific findings, ancient bones, and the human genome, Joseph Henrich demonstrates how our collective brains have propelled our species' genetic evolution and shaped our biology. Our early capacities for learning from others produced many cultural innovations, such as fire, cooking, water containers, plant knowledge, and projectile weapons, which in turn drove the expansion of our brains and altered our physiology, anatomy, and psychology in crucial ways. Later on, some collective brains generated and recombined powerful concepts, such as the lever, wheel, screw, and writing, while also creating the institutions that continue to alter our motivations and perceptions. Henrich shows how our genetics and biology are inextricably interwoven with cultural evolution, and how culture-gene interactions launched our species on an extraordinary evolutionary trajectory. Tracking clues from our ancient past to the present, *The Secret of Our Success* explores how the evolution of both our cultural and social natures produce a collective intelligence that explains both our species' immense success and the origins of human uniqueness.

Sexy SEALS Tawny Weber 2018-03-15 New York Times and USA Today Bestselling Author Tawny Weber's Sexy SEAL Novella series, part of her Bestselling Sexy SEAL series. A SEAL'S PROPOSAL Being the best means making sacrifices, but do vows made at 16 hold true at 24? Duty First, Duty Only... As a teenaged Sea Cadet, Sam Morelli joined the elite club his brother formed with other teens, focused on a single goal: to become Navy SEALs. Membership required a vow that once he became a SEAL, the team would be his only commitment. Distractions like relationships or dependents would be forbidden. Eight years later, on the cusp of achieving his goal, Sam has forgotten that vow. But Blaire Spencer hasn't. Sugar, shoes, and a sexy SEAL... Numbers whiz Blaire Spencer loves chocolate, designer shoes, and Sam Morelli. She's always dreamed of one thing: being Sam's wife. Raised in a Navy family, she knows the rules: to be a great SEAL, a man can't have a woman weighing down his thoughts. Blaire's been nibbling on sweet, sexy, better-than-chocolate-covered-caramel Sam for four years, but Sam's dream of being a SEAL has been with him longer. His dream is her nightmare. Some vows are made to be broken... With Sam home on leave for Christmas, Blaire has one last chance to prove to Sam that he wants her more than he wants his SEAL Trident. But time is running out. Once he finishes the last phase of his training, she may lose him forever. But Sam may have different kind of vow in mind... A SEAL'S SACRIFICE Never underestimate a sexy, stubborn SEAL... On New Year's Eve... Proud of the life she's created, financial analyst Gwen Kirkpatrick moves easily among the rich and powerful of San Francisco, including dating her nice-guy boss. It's quite a change from the broken hearted woman who got dumped on New Year's Eve three years ago when the love of her life chose his Navy career over her. As the clock ticks down... For Petty Officer Noah Morelli, mixing his personal life and his dream career as a Navy SEAL seemed impossible. He made a tough choice, and for the last three years he's been happy using his career challenges to forget the sweet-but-oh-so-sexy girl he left behind. Until he hears someone else is about to propose to her. Suddenly the idea of Gwen spending her life with anyone but him is unthinkable. Anything can happen... Gwen refuses to let her heart be broken again, but Noah is determined to win her back. Some sizzling stolen moments in a closet are all it takes to remind Gwen how hot they were together. She may be minus her panties, but she still has her pride. Now Gwen

is the one confronted with a hard choice: a dream-come-true opportunity or the love she thought she'd lost. It's New Year's Eve, with new choices, new chances, and maybe a new life for them both. A SEAL'S SURPRISE Even when all his buddies are jumping ship, one sexy SEAL is determined to keep his vow... Charting her course... Successful event planner Macy Berk plans to make her friend's Valentine's week wedding the event of the year. She's not about to let the bride's brother mess anything up. Especially since he's the one who unceremoniously dumped her because of his misguided vow that his commitment to being a Navy SEAL would trump his commitment to any relationships. She has a plan to ensure smooth sailing for the wedding week... Stormy waters ahead... Petty Officer Eli Spencer is determined to keep his distance from everyone in order to avoid voicing the unpopular opinion that this wedding is a huge mistake. When they committed to becoming SEALs, he and his buddies made a vow to one another: being a SEAL would allow no room for distractions like relationships. But now all his buddies are jumping aboard the love boat... Man overboard... Most women try to avoid the lover who jilted them. But Macy's plan is simple: seduce Eli until he's too worn out to ruin anything—but still has enough energy left to admit he was wrong to put his love of duty before his love for her. Until she realizes just how dangerous loving a SEAL could be, for both of them. But being a SEAL means being strong, including strong enough to admit he may have been wrong...

I thought I'd found him and he was just waiting for that perfect moment to pop the question. When the time came it was far from perfect The event left me a humiliated, broken-hearted mess. Protecting Caroline: A Navy SEAL Military Romantic Suspense Susan Stoker 2014-09-30 How far will one man go to save the life of a stranger? More importantly to Caroline, will he do it twice? Matthew "Wolf" Steel hated flying commercial. Luckily his job as a Navy SEAL meant he didn't have to do it very often. He'd been unlucky enough to be assigned a middle seat on the cramped jet, but fortunately for him, the woman next to him was willing to switch seats with him. Hoping for a relaxing flight, Wolf was pleasantly surprised at the good conversation and sense of humor the woman had as they flew 36,000 feet over the countryside. When Caroline boarded the plane to Virginia to move across the country for her new job she never expected to be seated next to the hottest guy she'd ever seen. She also never expected he'd be so easy to talk to. She knew he'd never be interested in talking to her if he hadn't been trapped in the seat next to her, but it was a nice way to spend a long plane ride. Neither Wolf nor Caroline were prepared for a terrorist hijacking of their plane, but if Caroline thought that would be the last time she'd see, or need, Wolf, she'd be sorely mistaken. **Protecting Caroline is a stand-alone love story. Just because she's more cheer than sneer doesn't give him the right to pass judgment on her. As the son of a woman who walked away from her family, Xander Madden couldn't be more disillusioned when it comes to love. Which makes Daisy's ridiculously chipper ramblings about the wonders of love all the more irritating. Still, there's something about her that he can't ignore. Although...he probably should, considering every time he opens his mouth, he says the wrong thing. Just when Xander thinks he can avoid the trappings of her sunny disposition, Daisy sneaks past all his defenses and suddenly she's all he can think about. The pair have nothing in common except an undeniable attraction. Is a future for them possible when Daisy's looking for forever and Xander can't even commit to tomorrow?

Deserving Alaska Susan Stoker 2022-08-06 A brand new series by New York Times bestselling author, Susan Stoker The Refuge is a place to heal. Where those who have experienced traumatic events can go to heal. It's run by seven former military men who've seen more than their fair share of the ugliness in the world. Friend-zoned since childhood by the most amazing man she's ever known, that doesn't stop Alaska Stein from doing whatever's necessary—including lying to the military—to be by his side when Drake ends up in a German hospital after a mission gone wrong. The broken man in the bed is not the boy she once knew. Despite that, and despite years apart, when Drake turns his gaze to Alaska, he sees her. Looks beyond the plain-Jane exterior to his childhood friend beneath. He may never be anything more than a friend, but putting her needs aside to see him whole is a sacrifice she's willing to make. Drake "Brick" Vandine walks away from the SEALs after his recovery, building a life around helping others struggling with PTSD. But he can't walk away from Alaska. She was there for him in his darkest moment and her spine of steel saw him through one of the biggest challenges of his career. And now, although she lives half a world away, she's still his anchor, his daily dose of support as he and

several friends build The Refuge. A place of peace, a place of healing. But, for Drake, also a place of loneliness. When the unthinkable befalls Alaska during a trip to Russia, it's Drake's turn to drop everything and race to her aid. Safely back at The Refuge, he just as quickly realizes what he's failed to see for two decades—his oldest, dearest friend is the love of his life. A revelation that may be too little, too late. Because Drake's brought the enemy right to their door. **Deserving Alaska is the 1st book in The Refuge Series. Extreme Ownership Jocko Willink 2017-11-21 An updated edition of the blockbuster bestselling leadership book that took America and the world by storm, two U.S. Navy SEAL officers who led the most highly decorated special operations unit of the Iraq War demonstrate how to apply powerful leadership principles from the battlefield to business and life. Sent to the most violent battlefield in Iraq, Jocko Willink and Leif Babin's SEAL task unit faced a seemingly impossible mission: help U.S. forces secure Ramadi, a city deemed "all but lost." In gripping firsthand accounts of heroism, tragic loss, and hard-won victories in SEAL Team Three's Task Unit Bruiser, they learned that leadership—at every level—is the most important factor in whether a team succeeds or fails. Willink and Babin returned home from deployment and instituted SEAL leadership training that helped forge the next generation of SEAL leaders. After departing the SEAL Teams, they launched Echelon Front, a company that teaches these same leadership principles to businesses and organizations. From promising startups to Fortune 500 companies, Babin and Willink have helped scores of clients across a broad range of industries build their own high-performance teams and dominate their battlefields. Now, detailing the mind-set and principles that enable SEAL units to accomplish the most difficult missions in combat, *Extreme Ownership* shows how to apply them to any team, family or organization. Each chapter focuses on a specific topic such as Cover and Move, Decentralized Command, and Leading Up the Chain, explaining what they are, why they are important, and how to implement them in any leadership environment. A compelling narrative with powerful instruction and direct application, *Extreme Ownership* revolutionizes business management and challenges leaders everywhere to fulfill their ultimate purpose: lead and win.

Seals and Sealing in the Ancient World Marta Ameri 2018-05-03 Studies of seals and sealing practices have traditionally investigated aspects of social, political, economic, and ideological systems in ancient societies throughout the Old World. Previously, scholarship has focused on description and documentation, chronology and dynastic histories, administrative function, iconography, and style. More recent studies have emphasized context, production and use, and increasingly, identity, gender, and the social lives of seals, their users, and the artisans who produced them. Using several methodological and theoretical perspectives, this volume presents up-to-date research on seals that is comparative in scope and focus. The cross-cultural and interdisciplinary approach advances our understanding of the significance of an important class of material culture of the ancient world. The volume will serve as an essential resource for scholars, students, and others interested in glyptic studies, seal production and use, and sealing practices in the Ancient Near East, Egypt, Ancient South Asia and the Aegean during the 4th-2nd Millennia BCE.
